Vernon Hull's Large Store.

All recognized authorities on the subject say that no vegetable matter should be used in the construction and maintenance of roads or highways. In spite of this, however, many road menders are throwing into the middle of the road the mud from the side ditches, as well as the grass and weeds that have grown up by the side of the road. The leaves and other litter that have accumulated at the sides of the road are placed in the road to rot and make quagmires for the people to travel through.—Good Roads Magazine, superfluous.

The National Association of Importers has been organized in New York to aid in securing equitable tariff legislation consonant with a proper consideration of the interest of the importers of the country.” When the Democratic party is so devoted to the tariff interests of the importers as to favor the abolition of the tariff it is difficult to see why the importers should organize separately for that purpose. But all importers are not interested in this organization.—Philadelphia Press.

Firm Footing.

If Republicans can't find firm footing on that platform they will be hard to suit. Anybody who doesn't like it will do well to compare it with the Democratic platform.—New Haven Journal.

Weak

Heart From Attack of LaGrippe.

Palpitation, Smothering, Short Breath.

Dr. Miles' Heart Cure Cured Me.

The terrible after effects of LaGrippe are most dangerous when they attack the heart, the engine of life. Weak hearts are as common as weak stomachs and when an attack is made upon the weak heart, that organ soon becomes a diseased heart and the patient will unless promptly treated, suffer long and eventually die of heart disease, the dread of millions. Dr. Miles' Heart Cure strengthens and regulates the heart's action, enriches the blood and improves the circulation.

“Some years ago I had an attack of the grip, and it left me with a very weak heart. Palpitation, shortness of breath and smothering spells that made me sit up in bed to breathe, robbing me of sleep, made me most miserable. I would become fatigued and exhausted from the least exertion and was in such a critical condition that I could not attend to my business. My physician seemed unable to control my case, and instead of getting better I was gradually growing weaker every day. Then I began taking Dr. Miles' Heart Cure and after I had used two bottles I was greatly improved. I continued with the remedy until I had taken in all six bottles when I was able to attend to business without inconvenience. I was completely and permanently cured of heart trouble by Dr. Miles' Heart Cure and cheerfully recommend it to all sufferers from that terrible affliction.”—H. H. EBLE, Gloversville, N. Y.

ONE FULL QUART OF WHISKEY FREE

WE KNOW THE MEANING OF WORDS AND WE DO AS WE SAY. We claim to be the lowest priced Whiskey House and the Largest Mail Order Whiskey Concern in the South. All the North Carolina Whiskey we sell is good—there's no bad. People here would advertise it if they knew how—they are too honest! Most whiskey sellers are noted for mixing, blending and watering. We sell more genuine old whiskey and less water than any known competitor. “Casper's 11 Year Old” Whiskey is a liquid joy! It's made by honest people in the mountains of North Carolina, in old-style copper stills, just as it was made by our grandfathers. First-rate whiskey is sold at \$2.00 to \$3.00 per gallon, but it's not any better than “Casper's 11 Year Old.” We have none of this whiskey only 7 years old, and we will send you a case please or we will buy it back. We have a capital of \$200,000 and the Peoples National Bank and the Piedmont Savings Bank will double the above and put in free One Full Quart Extra. We have none of this whiskey only 7 years old, and we will send you a gallon for \$10 or will furnish twenty full quart bottles on receipt of \$1 and give free cartons, drinking glasses and samples, making this whiskey cost less than \$1.30 per gallon delivered. We ship in plain boxes with no marks to indicate contents, and Freepay all Express. Buyers West of Texas, Kansas, Nebraska and Dakota must add 20 cents per quart extra.

EDITOR'S NOTE:—Before permitting the above whiskey advertisement to appear in our columns, we investigated the firm through their list. We cheerfully endorse them, and friends in need of pure whiskey for medicinal use need not hesitate to order sample lot.

Music in the Grange.

The originators of the grange in preparing the manual wisely gave a place for music, remarks Mrs. Saunders, lecturer of the Michigan state grange.

Its use not only enlivens the degree work, but it emphasizes in a way the power of grange friendship and impresses the many lessons taught on the mind of the members with a greater significance. The candidate who listens for the first time to the singing by the whole grange of the beautiful song, “Be Faithful, O Patron!” cannot fail to be imbued with the solemnity of the occasion. And, again, in the singing and exemplifying of the “Patrons' Chain,” as given in the fourth degree, who has not felt a deeper thrill of love and loyalty to the Order as they, with united hands, sing “In love, in truth, in charity, the pledge you gave us now?”

But it is not only in the degree work that music has its place—the opening and closing ceremony is beautified by the song. Everywhere in the work of the grange music has its place, and the grange that fails to use the song and march wherever the ritual provides for it is depriving itself of a great saving power in grange work.

With the beginning of autumn every grange should get down to real earnest work, and every live grange will. The dead ones will simply exist.

The Order is united and harmonious and its great advantages are being more generally appreciated by farmers.

We look for a record breaking year in growth in grange membership when the returns are all in for 1904.

CONSTIPATION CURED.

A Barrytown, N. Y., Man's Experience with Cal-cura Solvent.

Dr. David Kennedy's Wonderful New Medicine Cured Him Promptly. Your Money Back If It Does Not Cure.

Constipation leads to worse. Often it is the cause of appendicitis. Always it leads to dangerous chronic disease. It should not be neglected, nor should it be temporarily relieved with drastic purgatives. Here is a case in point:

Mr. C. S. Osterhout, of Barrytown, N. Y., was distressed with indigestion, chronic constipation and kidney trouble for four years. He tried many medicines without relief. He heard of Cal-cura Solvent, Dr. Kennedy's new medicine, used it and began to improve rapidly. All of his old complaints have disappeared and he owes everything to Cal-cura Solvent.

If your druggist does not have Cal-cura Solvent, write to the Cal-cura Company, Rondout, N. Y.; but ask your druggist first. \$1.00 a bottle. Only one size.

Guarantee: Your druggist will return your money if Cal-cura fails to cure, and The Cal-cura Company will pay the druggist. Remember, Cal-cura Solvent cures 98% of all cases of Kidney, Bladder and Liver disorders.

FOLEY'S HONEY AND TAR

heals lungs and stops the cough.

What is Scott's Emulsion?

It is a strengthening food and tonic, remarkable in its flesh-forming properties. It contains Cod-Liver Oil emulsified or partially digested, combined with the well-known and highly prized Hypophosphites of Lime and Soda, so that their potency is materially increased.

What Will It Do?

It will arrest loss of flesh and restore to a normal condition the infant, the child and the adult. It will enrich the blood of the anemic; will stop the cough, heal the irritation of the throat and lungs, and cure incipient consumption. We make this statement because the experience of twenty-five years has proven it in tens of thousands of cases.

Short Talks On Advertising

By Charles Austin Bates.

No. 25.

I talked the other day with a man who had failed in the drug business. He said that he didn't believe that advertising a drug store paid, and that it was so different from other businesses that advertising could not possibly help it.

He said that his store had been an exceptionally good one; that the location was very fair, and that the stock was above reproach, but there were two other drug stores nearby which had been there for some time before he came. The people round about were acquainted with them, and to some they were just a little bit more conveniently situated than the new store.

My friend, the druggist, didn't try advertising. That is the way he knows that it does not pay. He said: “People do not realize that there is a difference in drugs—that the paragon gets in one drug store is better than that which they get in another.”

Advertising would have saved that man's business. By advertising he would have introduced himself to the people, and they would have been acquainted with him and his store in that way.

By advertising he could tell them that there were different grades of paregoric, and that he kept the best grade; but he didn't try it, and so he knows positively that advertising doesn't pay.

Maybe he would have had to advertise three or six months, or possibly for a year, before he would have found that he was gaining actual profit on his advertising expenditure. Advertising a new business is, to a certain extent, like advertising in the dull season. It is the after-effect that must be looked at and not the immediate returns. Even if a new man were to meet his prospective customers personally, it would be some time before he would make actual buyers of them.

It is this way with a traveling salesman.

The first few trips in a new territory do not consume very many pages of his order book. In the mean time he is getting acquainted—advertising. He is letting people know who he is and what he is doing, and what he wants. If he is pleasant and courteous and persistent, he will win trade, but it will take time.

Do not expect an ad to do more than a man.

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered Kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable

Had Lumbago and Kidney Trouble

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: “FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such.”
