

To vote a straight party ticket, mark a cross "X" in the square, in the first column, opposite the name of the party of your choice. A cross mark in the square opposite the name of any candidate indicates a vote for that candidate. A cross mark in square opposite names of Presidential candidates is a vote for all electors of that party, but for NO OTHER CANDIDATE.

This column is for use of voters hearing vote for Presidential Electors other than those names appear printed on this ballot.
