Political Announcement.

We are authorized to announce the name of W. M. Botsford of LaPorte Twp. as a candidate for County Commissioner, subject to the action of the Republican county convention.

The first spraying of fruit trees should be done early in the spring before the buds open, and it must be done thoroughly. The second should be done after the trees are through blossoming, while the third may come in twenty days later. A tree is sufficiently sprayed when the drops of the mixture are seen hanging from the branches and leaves.

Many orchard trees, besides spraying, need a thorough scraping, as in the case of elm trees. Then the brush and other waste matter, including all dead leaves and rubbish must be removed from the grounds and burned. Do not leave it near the trees or in the roadway, for the eggs deposited therin will hatch in the spring. If there are dead trees or badly diseased ones here and there in the orchard, cut them down and burn them.

All the money in California is not from irrigated farms. Fortunes are made from the wheat fields and the fruit farms. Why not investigate the chances there. Tickets $33 dollars, Chicago to California via Chicago, Milwaukee and St. Paul Railroad Union Pacific and Southern Pacific line, daily, March 1 to May 15, 1905. Rate for double berth $7 Chicago to San Francisco, Los Angeles, San Diego or Sacramento. Tourist folder, with complete information, sent free on request. F. A. Miller, General Passenger Agent, Chicago, or W. S. Howell, 381 Broadway, New York.

Divorce Notice.

In the matter of the application of Daniel R. Suber for a divorce from Emma Suber his wife.

To Emma Suber, you are hereby notified that an alias subpoena in the above stated case having been returned that you could not be found in this county, you are required to appear on the fourth Monday of May, next, in a Court of Common Pleas to be held at Laporte at 2 o'clock p. m. and make answer to the complaint made by your husband in the above stated case.

Life in California.

The Rock Island's Special Tourist Sleeping Car Excursions to California are several hours quicker than any other line. Until May the demand for accommodations on this popular route has been unusually great, especially for the new and handsomely built, improved pattern of tourist sleepers, leaving Chicago daily and reaching Los Angeles in sixty-eight hours. Why not have the best and quickest, when the cost is no greater than the poorest kind? Full information from John J. Sebastian, Passenger Traffic Manager, Rock Island System, Chicago.

Irrefutable Logic of Facts Has Stumped the Free Traders.

The free trade newspapers try to belittle the marvelous showing of exports of American manufactures by suggesting that they would have been larger but for the tariff, which, they assert, tends to check the interchange of commodities. This is in the true free trade vein of consistency and fairness. For years the free traders opposed the protective tariff on the ground that under such a system it was hopeless to expect any large sales abroad of American products. Now that experience has shown the falsity of their arguments and the United States has a larger export trade than any other country they are compelled by the irrefutable logic of facts to change their tune somewhat. But nothing will make them honest enough to frankly admit that they were mistaken in both premises and conclusions. Meanwhile, however, the American people go right along prospering under protection and capturing markets which free traders declared to be out of their reach. Nobody minds a free trader much nowadays. Most of us are too busy.—Troy Times.

Life Insurance

A FEW OF THE MANY REASONS WHY YOU SHOULD HAVE A POLICY

WITH THE NEW YORK LIFE

BECAUSE—Incontestable from the date of issue. Because—absolutely without restrictions. Because—non forfeitable from date of issue. Because—cash loans are provided after second year on demand at 5 per cent interest without fee or other charge. Because—if death does not occur an accumulative policy is a highly profitable investment for the policy-holder who lives.

Policies now maturing to living policy-holders prove this. In fact NEW YORK LIFE policies do not leak.

Health and Accident Insurance also written. A postal card will bring an agent to you, or a personinterview can be had at the office Saturdays, regular office day.
