Make Money In California If you are industrious and capable you can make money there. The big ranches are breaking up into small farms that need more workers to care for the increased product. The towns and cities are prosperous because the country is prosperous. There are great valleys of the richest soil in America waiting for you. If you have a little capital you can own one of these small farms yourself, or you can rent one on shares and pay for it out of the product in a few years. We will send you descriptive booklets and folders giving full information about the money-making opportunities for overy member of the family.	Do you want to live where the climate is mild the year round— where labor is never oppressed by stress of weather, and where animal vitality is never lost by mere conflict with cold? Do you want to live in a region where the resources are more varied than in any other equal area in the world, where the division of great ranches affords a fine opportunity to get a small farm that will assure you a competence? Do you want to live where, with a minimum of labor, you can grow profitable crops of grapes and small fruit, oranges, lemons,
You want to see what the country is really like; you can go there, work a few months, enjoy the delightful climate, the flowers, fruit and scenery, and earn enough to pay your expenses both ways by taking advantage of the Bargain Rates	olives, prunes and almonds, alfalfa and grain, where crops are sure, business is good and capital easily finds profitable investment? Then go to California, where both health and opportunity await your coming.
