Summer School at Dushore.

The summer school for the teachers of Sullivan County will be held in Dushore High School building, opening Monday, June 26, 1905, and continuing four weeks.

The following instructors have been engaged:—Prof. D. M. Flick, History, Grammar, and Orthography; Prof. T. V. Kelly, Reading, Geography, and Civil Government; Co. Supt. J. E. Reese Killgore, Methods and Theory and Practice of Teaching.

All teachers should patronize this school. It is not conducted for profit the entire receipts from tuition being expended to secure able instructors.

We are endeavoring to secure the adoption of the Illinois Course of Study in every school district in Sullivan County,—the purpose being to secure more efficient work. The mere adoption of this course of study will not secure the desired results unless the teachers of the county become thoroughly familiar with this course of study, and co-operate with the superintendent by attending the summer school the full term. This course of study will be used as a basis of all the work done in the summer school, and feeling that the time is at hand when the people may reasonably require greater professional side of teaching will be emphasized. Progressive teachers will find it to their advantage to attend this school.

Tuition: Four dollars for full term of four weeks; for less than full term two dollars per week.

Text books will be furnished, but as the supply is limited it is important that all who have books, bring them. Uniformity of text-books is not essential.

Co. Supt. J. E. Reese Killgore,
Supervising Principal.
