Mr. E. J. Flynn and family have moved into part of the double house owned and occupied by Miss Fannie Meylert, on Maple street.

Parents and guardians should bear in mind that a State Board of Health law compels every person who attends a public or private school to be required to show a certificate of successful vaccination. As school begins shortly parents should give this matter attention.

Edward Neville, a seventeen year old boy of Williamsport, fell from a freight train near Halls Saturday, had to submit to amputation of both feet in the evening of the same day at the Williamsport Hospital, one foot at the ankle and the other just below.

The heavy shower on Tuesday afternoon caused considerable damage along the Muncy creek. At Sonestown the house owned and occupied by Wilson Starr was almost completely undermined and the porches badly damaged by the rushing water from the hillside at the foot of which the house stands. The Muncy creek became a raging stream and damaged fields through which it took its course after overflowing its banks.

Many friends of Milton Botsford were disappointment over his failure to secure the nomination for County Commissioner. Without any disparagement to others it was felt that Mr. Botsford by qualification and service was entitled to a place on the ticket. This feeling was entirely natural and proper and the future will show in what esteem Mr. Botsford is held. He is certainly a deserving and capable man and we predict that the manly way in which he took his defeat will make him a winner in the near future.

The ball game between the Eagles Mere and Laporte teams on Tuesday had to stop at the fifth inning on account of the severe thunder shower coming up at that time. Many visitors from Eagles Mere were here to see the game and much disappointment was felt when it became necessary for the boys to stop playing.

The Republican Convention held on the 12th inst was composed of representative men from all over the county distinguished for their intelligence and patriotism. The ticket selected is without blemish, and fairly represents every section and interest of the county. The candidates are men thoroughly qualified for the duties of the office for which they have been nominated. For information we obtained on the day of the convention and since that time we are fairly convinced that every man of them will be elected.

In stating our convictions that all of our candidates will be elected we assume that not only Republicans but a goodly number of independent citizens will join in electing them. This is by no means a hide bound party ticket, but fair and liberal to all, and must commend itself to all considerate taxpayers who wish the burdensome taxation in this county made lighter.

Next week we shall give a more special notice to each of the candidates.

The rural mail delivery system is still growing. There are now 32,058 routes—a gain of 7,392 over last year. Plans are being made to number the boxes on a rural route somewhat like the mail boxes in a postoffice. Free mail delivery has become a settled part of life in many country neighborhoods. While, as with every other public convenience, there are some causes for complaint, the people would never permit the system to be given up. On the other hand they demand an extension of the privilege. The success of free delivery is the best argument for a parcels post, which we shall surely have just as soon as 40,000,000 country people realize that they are more powerful than five express companies.

The Elmira Gazette of a few days ago says: Orlanda Tong, the Horseheads resident who attempted to murder his wife and then commit suicide by shooting himself a couple of weeks ago, was taken worse today and removed from his cell in the Chemung county jail to the Arnot Ogden Hospital for treatment. Tong has been in jail for the past week or more and up until last night seemed to be on the road to recovery. Last night, however, Tong wound pained him and to-day he was much worse, and it was deemed advisable to send him to the hospital. Tong, after the shooting was not expected to live. Doctors who examined the wound said it was a serious one. The bullet was located but could not be removed. He was taken to the Arnot Ogden Hospital and began to improve from the first and his condition was such as to permit of his removal to the jail. It is now feared however, that the wound was much more dangerous than was expected and the would be suicide may yet die. Mrs. Tong is recovering nicely.

On account of the extremely cool weather Wednesday evening, the annual supper given by the ladies of the Methodist church and which was to have been held on Mr. Finkle's lawn, was served in the church. A palatable supper was provided and a large number of persons went to the church for their supper and all expressed themselves as well pleased with the many good things served to them. The ladies deserve much credit for the prompt manner in which the wants of the dinners were attended to.

The Annual Meeting of the Roger's Family Association will be held at the Fair Grounds at Forksville on Wednesday, August 23d., 1905. Arrangements same as at previous meetings.
