EXCURSIONS TO THE WEST

To the Pacific Coast—to California, Oregon, Washington—round-trip, long transit and return limits, liberal stop-over privileges.

The rate is practically on the basis of one fare for the round trip. Of course, if you wish to visit both California and Oregon or Washington, the cost is slightly more.

These reduced rates are in effect on certain dates in months of May to October, inclusive. They apply from all Eastern points via Chicago, St. Louis or Memphis gateways. The Rock Island System will take you up in either Chicago or St. Louis, or at hundreds of other Middle West points and carry you to the Coast in through Standard or Tourist Sleepers with unexcelled Dining Car service. The Rock Island also affords a choice of routes: on the "Scenic" route you can stop off in Colorado—see Salt Lake City—visit Yellowstone National Park; on the "Southern" route you can go via El Paso, thru New Mexico, then "up coast" to San Francisco and on to Portland or Seattle if desired.

In short, these Pacific Coast excursions offer an unusually good chance to see our western country in a comprehensive manner.

If you desire to go only as far as Colorado, there are excursion rates in effect to that section and return, all summer long, specially reduced June 30 to July 4, August 12 and 13, and August 30 to September 4. Extension trips to Ogden or Salt Lake and return at low cost also.

From September 15 to October 31, 1905, one-way tourist or "colonist" tickets will be on sale to California and the Pacific Northwest—about half regular fare.

If interested, send name and address on this coupon, designating which booklet wanted and to what point you plan to go. Name probable date of start also, so we can advise definitely with respect to rates, etc.

NO LIFE, NO AMBITION,
NO ENERGY.

These are common expressions nowadays and the finger post that point with unflinching accuracy to a nervous system robbed of its vitality by over-excitement, overstrain or excess of some kind. That anyone should allow this condition to go on to complete mental, physical or sexual ruin as it surely must if neglected, is a positive crime when the cure is at hand in Dr. A. W. Chase's Nerve Pills—a medicine designed expressly for this condition—a medicine that cures to stay cured by resupplying the very essential of life—Nerve Force.

Mrs. W. C. Masteller of 220 E. 5th St., Bloomsburg, Pa., says:—

"I was feeling very nervous and very much run down last winter when I saw Dr. A. W. Chase's Nerve Pills recommended for such a condition. I got a box and tried them. They have done me a world of good, toned up and strengthened my system generally, made my nerves strong, and steady and give me a feeling of life and vigor. The medicine is a good restorative and re-builder and I can recommend it highly to anyone needing a nerve and general tonic." See a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y.
