Mr. and Mrs. Fred Lauer visited the former's mother and relatives in town on Monday. Mr. and Mrs. Lauer have just returned from California. They left the vicinity of San Francisco the day before the great earthquake calamity. Their son, Roy was at that place however, and witnessed the destruction of the city and escaped without injury. An Austrian, giving his name as Michael Hapsin, having been but six months in the United States, was brought to the county jail Sunday night, on a charge of larceny. Hapsin entered the residence of Polis Seureman, of Dushore on last Friday night, through a window on the second floor, and stole twelve dollars in money and a watch. Mr. Seureman was aroused and when Hapsin earned that he was likely to be caught he hastily made his escape. Accidentally he lost his Miner's Union Card, in his haste to leave the house, which was found by Mr. Seureman; this furnished the proper clue to his capture. Constable Frank McMahon gave him a lively chase from one of the hotels to the woods but succeeded in running him down. In his room was found twelve watches and a number of gold rings. He later confessed that it was himself who recently broke into the postoffice at Bernice, and also the railroad station at the same place last Thursday night. Since being confined to jail he has bought a box of cigars and is evidently enjoying life in America.

A Lehigh Valley freight train was blown up with dynamite on the cut-off, near Pitston, Wednesday night. The engine and several cars derailed and the engineer and fireman were injured in the wreckage. It is believed that some persons placed the box of dynamite, on the track, which exploded when the engine struck it. It was reported that the outrage was perpetrated to kill a number of miners imported to take the place of strikers and supposed to be on that train.
