Services at the Methodist church next Sunday will be as follows: Sunday School 10 A. M.; Preaching 11 A. M.; Epworth League 7:30 P. M. Subject of Service "My Relation to My Brother."

Dr. C. S. Means, C. T. Kirby and Chris Obenauer of Towanda; Dr. Bowne Jarvis of Mt. Vernon, N. Y.; Percy L. Lang and Dr. Tucker, of Waverly, are camping in Sullivan county and fishing for trout. A party who started from Towanda Tuesday afternoon to spend three or four days at Lincoln Falls, on the same errand are Herbert S. Putman, D. T. Evans, W. M. Cheney and Ray Cheney.—Reporter Journal.

An aged man by the name of Birdsall has disappeared from his home at Laquin and his relatives are greatly alarmed over his absence. Mr. Birdsall is 85 years of age. On May 12, he walked out into the woods and since that time nothing has been heard of him. Later, Mr. Birdsall was found dead in the woods near Laquin, Wednesday morning.

The State Department of Agriculture yesterday made public the dates for fifty one county and local agricultural fairs to be held throughout the State of Pennsylvania during the coming summer season. According to statistics kept by the department there has been a distinct increase in the attendance at these fairs during recent years. For instance in the attendance last year 975,100 or 292,703 less than the preceding year. Secretary Critchfield regards the agricultural fair as a beneficial institution for the farmer and the department promises to lend all the aid possible in counteracting the tendency toward decreased interest. Although the attendance fell off last year the total of premiums is on the increase. Premiums paid in 1905 were \$116,093.32, while those offered for the coming season are \$113,460, an increase of \$14,766.86.

There will be a meeting of the Republican Standing Committee of Sullivan county, on June 9, at 1 o'clock in the Court House at Laporte, Pa., for the purpose of fixing dates for primaries and Republican conventions and such other business as may come before the said committee.

Wm. P. Shoemaker, Chairman,
F. H. Ingham, Sec'y.

The Veterans of Laporte and vicinity give their heartfelt thanks to the speakers, choir, Sunday schools and the public in general, who so kindly assisted in our Memorial Services and in decorating our departed comrades' graves.

Wm. W. Loeb, Secretary.

Memorial Day was fittingly observed at Laporte, as usual. There being no G. A. R. Post here, the old soldiers have organized themselves into "Veterans Association" and this organization takes charge of the memorial service each year.

On Sunday, the annual memorial sermon was given by Dr. D. E. S. Perry, rector of the Episcopal church. The church was beautifully decorated with the national colors and with floral emblems and appropriate music was rendered by the choir.

Dr. Perry's theme was The Christian Warfare, and his sermon was highly interesting and profitable. His illustrations were taken from scenes and incidents peculiar to the lives and duties of soldiers and he showed that the qualities that go to make a good soldier are also characteristics of the Christian's life.

The Memorial Day services Wednesday were held in the Court House, court having adjourned for the day at noon, in order that the court room might be used for the occasion. A well arranged program of music and other exercises had been arranged and by two o'clock the court room was well filled with people. The address of the day was delivered by Dr. Perry, and was both scholarly and eloquent. He showed how great have been the achievements of the American soldiery in the history of the nation and for what great principles they have contended. He dwelt upon their valor and heroism and the great sacrifices and hardships they have endured. He urged that upon this day we think of the beneficent results of their loyalty and service and of the blessings we enjoy, as a nation and as individuals, by reason of their achievements upon the fields of battle.

At the conclusion of the address, headed by the drum corps and veterans, the line of march was taken up to Mountain Ash cemetery, where the graves of the soldiers were decorated. The floral offerings were profuse.

Why not so drastic as some of the radicals desired, the railway rate bill as it passed the Senate undoubtedly marks a decided step in the direction of governmental suppression of discrimination in freight prices.

Senator Tillman's frank acknowledgement that there would be no rate bill at all but for President Roosevelt, is the most effective answer to the complaints of his fellow-radicals that the provisions of the amended measure do not entirely meet their views. The President has acted on the well tried theory that half a loaf of bread is better than none, and the rate bill, as it now goes to a conference committee for approval by the House, represents probably the best that could be gotten from existing conditions.

In brief the amended measure provides as follows:

That the Interstate Commerce Commission shall investigate charges of unjust and unreasonable rates of common carriers.

If discriminations are found, the commission is empowered to fix a just and reasonable maximum rate.

Orders of the commission go into effect within thirty days and continue in force for two years, unless set aside by the commission of a court.

The penalty for disobedience of the orders of the commission is a fine of \$5,000 daily.

United States circuit courts shall have jurisdiction over suits to annul acts of the commission, the granting of interlocutory decrees without hearings and making appeals direct to the Supreme Court.

Oil pipe lines and sleeping car companies are declared common carriers.

The commission has access to the accounts of the companies affected.

Don't move into a house that has been previously occupied until you have had every room thoroughly disinfected. That is the timely word of admonition Health Commissioner Samuel Dixon gives out. The Health Commissioner says: This is the time of year when on all sides we see people moving from one home to another. Soap and water are splendid things, but unfortunately they will not kill germs of disease that may be in the new home and bring the germs to the door too soon after the moving van has driven away. The Commissioner suggests that before occupying a house from which another family has moved

away all the rooms be fumigated with formaldehyde gas and he describes in a circular issued by the department an effective and economical method of generating this gas by the addition of a forty per cent solution of formaldehyde to crystals of cheap commercial potassium permanganate.

Salesmen wanted to sell and deliver teas, coffees, baking powder and grocery specials. Horse and wagon furnished. No better way to start in business for yourself. Not necessary to invest any capital. Address The great Atlantic and Pacific Tea Co., 411 Lackawanna Ave. Cranston, Pa.

The Sullivan County Normal School will be held in Dushore this year. The School will open Monday June 25, and will continue four weeks. Prospective students are requested to read the following carefully.

The work will be based entirely upon the Illinois Course of Study. If you own a copy of the Course do not fail to bring it with you.

Text books will be used to supplement the Course, hence uniformity of text books is not important. Bring your own books if you are supplied. A limited number will be supplied with books without charge if carefully used.

The purpose of this School is to increase the efficiency of the teaching force of our County and give students an opportunity of reviewing their studies. Inasmuch as the Illinois Course of Study has been adopted throughout the county it is of pre-eminent importance that the teachers thoroughly familiarize themselves with it. No matter what grade of certificate the teacher may hold, he or she should not fail to make a careful, critical study of this Course, which must be followed in the schools. The best teaching is that done by those who are faithfully and intelligently following this Course of Study, and it is always the best teachers who are in demand.

Only those who are willing to work are desired as students. The work will require lots of hard work and idlers will be out of place.

Despite the additional burden which it places upon him, the County Superintendent, will supervise the work and assist in the effort to increase the teaching power of those who are intrusted with the life interests of the boys and girls of the County.

Remember, this school is not conducted for profit. Every dollar received is expended for the expenses of the school. After paying the instructors a fair compensation for their labor the rest is spent for aid in carrying on the work. Cavin's Orthography and Smith's outlines in History have been purchased with the balance left from last year and will be furnished for use during the school term.

Tuition: Four weeks, \$5; less than four weeks, \$1.50 per week.

Students desiring boarding places and citizens who desire boarders will communicate with any member of the faculty or with the Superintendent.

How to Get the Best Seeds

BUY them of Buckbee! That's the safest way.—Reader, because Buckbee's Seeds are always "full of life,"—the *strong* principle, which makes all the difference between good seeds and bad, the world over.

Now, Buckbee's Big Book explains just why his seeds are best. This book is your safest guide for buying everything in seeds and plants for farm and garden. And, mark this,—it is free for the asking. Let me explain more about it.

Well, Buckbee's Book,—my Book,—contains 128 pages of solid seed sense. It lays before you the cream of what I have learned about flowers, fruits and vegetables during my 34 years of successful experience. I tell you everything you want to know about these subjects, and give you without one penny of cost to you valuable information it has taken me half a life time to discover.

I describe in detail all of the many familiar and hundreds of the rare and curious plants, flowers and vegetables, and I show you not only how to develop them most fully for your enjoyment, but also how to make them pay you big profits.

I explain how you can raise monster vegetables, Mangels that weigh 75 pounds each;
