**COURT PROCLAMATION.**

CLERK: ROY CHAS. E. TERRY, President Judge, Honorable John D. Reeser and R. C. R. Kelliker, Assoc. Judges of the Courts of Overton and Tioga counties, and J. J. Delivery, Quarter Sessions of the Peace, Orphans' Court and Common Pleas for the County of Sullivan, have issued their precept, bearing date the 11 day of May, 1906, to me directed, for holding the several courts in the Borough of Laporte, on Monday the 17 day of Sept. 1906, at 2 o'clock p.m.

Therefore, notice is hereby given to the Coroner, Justices of the Peace and Constables within the county, that they be then and there in their proper person at 2 o'clock p.m. of said day, with their rolls, records, inquisitions, examinations and other remembrances to those things to which their offices appertain to be done. And to those who are bound by their recognizance to prosecute against prisoners who are or shall be in the jail of the said county of Sullivan, are hereby notified to be then and there to prosecute against them as will be just.

PANK W. BUCK, Sheriff, Sheriff's Office, Laporte Pa., Nov. 13, 1905.

will in that respect be found to be ardent and enthusiastic supporters of President Roosevelt as the logical and acknowledged leader in the enforcement of this popular policy.

One of the most gratifying features of the Republican canvass this year is the interest which is being manifested in the details of the preliminary work of the campaign by Republicans all over the state.

Colonel Wesley R. Andrews, chairman of the Republican state committee, has noted a large increase in the correspondence, and finds that the county committees are enthusiastic over the prospects of splendid majorities for the entire republican ticket. There have already been many requests for mass meetings, and it is feared that the state committee will be unable to supply enough speakers to meet the demands of the county chairmen when the canvass gets fairly under way.

There have been inquiries for orators of national reputations from close congressional districts, and Chairman Sherman, of the national Republican congressional committee, has promised to co-operate with Chairman Andrews and give every assistance in his power to contribute to the success of republican nominees throughout Pennsylvania.

**The Thimble Game.**

The Democratic hunt for an issue reminds us of the old game of thimble. Their heegee are going around crying: "Issue, issue! Who's got the issue?" But the genuine "thimble" hasn't stood up yet.—Moravian Falls (N. C.) Yellow Jacket.

**Good Material Scarc.**

The Democratic party's lack of material is never more woefully demonstrated than by the fact that Willie Hearst is considered a presidential possibility.—Augusta (Ga.) Chronicle.

**Illness of National Master.**

National Master Aaron Jones has been at the mineral springs at Cranmer, Pa., for treatment for inflammatory rheumatism. He has been an intense sufferer from this disease.

**SH in the Harness.**

Mortimer Whitehead of New Jersey, who was lecturer of the national grange twenty-eight years ago, is doing valiant service now in behalf of the grange in various states.

A campaign for free trade this year will complete the mischief which the free silver folly began and drive the last merchants, manufacturers and bankers out of the Democratic organization. There are few, very few, of these men now in the northern states who call themselves Democrats or even infrequently vote the Democratic ticket. In the south, where the habit of years is stronger, many men of business still cling to the Democracy, but in personal conviction they are not free silver men; they are gold men. They are not free traders; they are protectionists.

In other words they are all, save in name, Labor Republicans. They want no tariff smashing. They are prosperous; they desire to remain so. An anti-tariff campaign by the Democracy will drive these men over to the Republican party by the hundreds and thousands, and it will do this all the more readily and more surely because, thanks to the "grandfather clause" and other ingenious devices of southern Democratic politicians, all fear of "nigger domination" in the southern states has now become a harmless bugaboo.—Boston Journal.
