The Ejectment case of W. W. Jackson and other against Rush J. Thomson and Walter B. Gunton, No. 49 September Term, 1902, is being heard before Judge Terry at a special Court this week. The attorneys for plaintiff are Seth T. McCormick of Williamsport, E. J. Mullen of Laporte, and A. Walsh of Dushore, while the defendants are represented by James W. Platt of Tunkhannock, Rodney A. Mercer and I. McPherson of Towanda, A. J. Bradley of Laporte and Thomson & Heess of Dushore. The case will probably take the entire week for trial.

October 31, 1906 will long be remembered by people of this section, as a typical midwinter day. Snow fell nearly all day and at times the wind assumed blizzard-like proportions. Thursday morning the ground was well covered with snow which bids fair to remain with us for some time as the mercury has fallen to 25° with no signs of the weather moderating at the time of going to press, Thursday p. m.

Preaching Good or Evil.

"The fusion candidates are traveling about depicting the evils of life and the cussedness of men, preaching the doctrines of hatred and revenge, and leaving behind them an odor of miasma and brimstone. We turn with relief to Stuart and his party, who are opening the floodgates of sunshine and hope, and pointing with radiant fingers to the beautiful things, the good men and the great deeds which glorify the world. The Emoxy party seeks to make us hate others and despise ourselves, while the Stuart party thrills us with love and pride, and tunes our hearts to joyful measures."—Punxutawney Daily Spirit.

Mr. DeWitt Bodine, President of the First National Bank of Hughesville, who has business and real estate interests in Sullivan and Lycoming counties, was in town Tuesday, and while discussing the importance of a full Republican Congressional delegation in support of the Roosevelt policies, spoke emphatically of his hope that both Dr. Samuels of the 16th and Elias Deemer of the 15th district would be elected. He said that Dr. Samuels, although a new member, had made a splendid record, never failing to look carefully after the interests of his constituents whether Republican or Democratic. Mr. Bodine considered him one of the most courteous and energetic congressmen the district has ever had. Mr. Bodine in referring to Mr. Deemer said that he also was ever prompt to respond to the claims of his constituents, and as a thorough business man approached all questions in such a methodical and intelligent manner, that he made his presence felt among his colleagues, especially on the committees where really most of the work of Congress is done. Mr. Deemer's experience of three terms has made him a very efficient and successful member. Mr. Bodine further stated that both of these gentlemen owing to their success in business to hard work and persevering efforts, are in close sympathy with the labor class and have always sustained every reasonable measure looking to the up-lift and advantage of the labor element. Both richly deserve a re-election by a good round majority.

The voters of Sullivan county are a unit in the matter of demanding the election of legislators and executive officers who will pass just laws and enforce them impartially. They are also of one united opinion that the ones most capable and reliable to perform these functions at this time is John C. Schaad, candidate for Member, and Edwin R. Warburton candidate for Associate Judge. A vote for these gentlemen will never be regretted by those who cast them.

As election approaches the success of J. Henry Cochran at the polls appears certain as he is receiving warm support from all parties. Mr. Cochran has filled his high office of State Senator with marked ability in the interest of all his constituents and in consequence he finds himself an acceptable candidate to many outside of his own party. There is paramount need of such honest and broad-minded officials, it matters not in which party they are found.

A pretty October wedding took place at South Williamsport last Thursday, when Miss Irene Kehrer, daughter of Daniel Kehrer, the Eagles Mere merchant, was wedded to Sidney Rogers of Forksville, Pa. The ceremony was performed by Rev. Father Costello, at 8 o'clock p. m. The bride and groom were attended by Mr. and Mrs. Raymond Kehrer. Mr. and Mrs. Rogers will reside at Niagara Falls.

The best wishes of a host of friends are extended to the young couple.

A Burgess administering corpora punishment as a sentence on a prisoner brought before him for trial was an odd spectacle witnessed at Freedom on Monday. The man was an old offender and Burgess Harman knew a fine would have no deterring effect, but would be paid by the man's friends. He then gave him a choice of a good paddling or thirty days in jail. When he selected the latter the squire thought of the man's wife and family, and advised him to take the paddling, to which he consented. Thereupon to the horror of the prisoner the squire drew from under his desk a large, well seasoned stick whittled from an oak barrel stave, and directed the culprit to come out to the side walk with him. There he started personally to administer the paddling, to the seat of the man's trousers. The man first began to jump, and holding his hand over the bombarded part of his anatomy, pleaded for leniency, and then started to run. The squire could run just as fast, however, and the trouncing continued until the culprit's home was reached a quarter mile away. A crowd of several hundred witnessed the occurrence and loudly applauded the Burgess.
