Dr. D. E. S. Perry, formerly Rector of St. John's Episcopal church at this place and who with his family, last August, moved from here to Blossburg, in a recent letter to friends made the startling announcement that he and his household were burned out on New Year's eve. They were occupying dwelling rooms over a store and the fire, the origin being unknown, started in the store rooms and soon communicated with the rooms above. In his letter Dr. Perry stated that he succeeded in saving his library but lost much of his furniture in the fire. It is hoped by the Rector's many friends that the loss which he suffered by the fire was covered by insurance.
