Mr. Charles Lauer from Lock Haven with his family spent Sunday, with his mother, and sister Mrs. J. L. Smith and on Monday morning left for their home at the former place.

Two sleigh loads of the happiest children that ever went out of Laporte, left town Friday afternoon for a sleigh ride to Sonestown and Muncy Valley. They were the children of the borough schools who with their teachers made the air ring with their vocal music as they left, and again as they returned home.

E. church at Laporte, Friday evening February 15. Following the conference Dr. Wilcox will preach and administer the sacraments of Baptism and the Lord's Supper.

Mrs. Elizabeth Chapman Thomson died Sunday morning, January 27, at the residence of her son, Rush J. Thomson, at Dushore. She had been ill with the infirmities of old age, for a number of weeks, and her death had been daily expected for some time. Funeral services were held at the house on Wednesday at 2 o'clock, and the interment was at Bahr's Hill, by the side of her husband.

While tunneling for water near Fisher's Ferry, Columbia County, a farmer, formerly a miner, found a vein of copper. John Moody, a neighbor, also discovered copper traces in a field. Farmers in the surrounding country are greatly excited over the find.

Saturday was groundhog day and a day of much significance to those who place their faith in the "Farmers Almanac" in preference to the government weather reports. The sun shone beautifully part of the day, and according to tradition the groundhog must have scampered back into his hole after seeing his shadow, and we can prepare for six weeks more of winter. The weather bureau, which relies more on scientific observations than on omens is of the opinion that the country will have an early spring this year.

Beginning with Monday February 11, there will be special revival services in the M. E. Church each evening during the week excepting Saturday evening. All are cordially invited to attend any or all of these services.

One of our young country doctors was called to a rural home recently to attend a sick child he was asked what the sickness was and replied; "Why, it's only a crustified exegesis, antispasmodically emanating from the germ of the animal refrigerator, producing a prolific source irritability in the pericranial epidemics of the mental profundity."

"Ah, that's what I told Betsy, but she 'lowed it was wurrums."

Hotel proprietors will be compelled to keep the bar closed on primary election days when the new law goes into effect. That part of the new primary law covering the matter reads as follows;
