POINTED PARAGRAPHS.

Trouble comes natural to some people, just like freckles or curly hair. Edw. differently our side of a fits sounds when presented by our enemies! The chances are if people distrust you the fault lies largely with yourself.
 A man never cares a great deal for the pictures taken of him when he was a baby.
 The idea that there are two sides to every question didn't originate with any of the parties directly interested.
 It is right to start out in life with an ambition, but don't overlook the importance of enjoying the scenery on the way.
 When a man picks up a pair of pants which he has not worn in a long time, he always feels in the pockets to see if he has left any money in them. —Atkinson Globe.

Changed His Motto.
 A southern representative in congress is reputed to be of such a persuasive manner that, no matter what party may be in power, he outdoes his colleagues in procuring favors for his constituents.
 One afternoon the statesman was met by a newspaper man. "Well, major," asked the latter, "how many appointments and appropriations have you arranged for today? We all know your way of getting everything that you go after."
 "Nothing today," responded the representative rather wearily. "My experience this time reminds me of the old Confederate soldier that I knew in Tennessee. I went into this war," said he, "with the motto 'Veni, vidi, vici,' and I came out vice versa." —St. Louis Republic.

How They Fooled the Preacher.
 When our grandmothers arranged to have chicken for Sunday dinner—for the preacher—they picked out the biggest and fattest and toughest old hen on the place Saturday afternoon and had the boys and dogs "run her down." A tough old hen that is chased all over the place and frightened out of her life is as tender as a spring lamb when cooked. Fright makes any animal big or fowl tender, so the boys say, and it appears from this that our grandmothers knew what they were about when they had the tough old hens chased before killing. —El Dorado (Kan.) Republican.

It Killed Him.
 "I should fancy the laundry business was about as easy as any to start."
 "What makes you think so?"
 "All you have to do is to lay in a supply of starch."
 "Yes."
 "Well, that'll starch you all right."
 Three days after there was a burial. —London Tri-Bits.

A Brilliant Thought.
 Mistress to maid after the party)—
 "Mrs. X, called this afternoon. What reason did you give for my not seeing her? Miss—I told her we had a big wash on.—Neggendorfer Blatter.

Assume in adversity a countenance of prosperity and in prosperity moderate thy temper.—Livy.

The Greatest of all Musical Inventions—the Two-Horn
DUPLEX PHONOGRAPH
FREE TRIAL
NO MONEY IN ADVANCE
 It is the one phonograph that gives you all the sound vibrations. It has not only two horns, but two vibrating diaphragms in its sound box. Other phonographs have one diaphragm and one horn. The Duplex gets all the volume of music; other phonographs get the half. Not only do you get more volume, but you get a better tone—clearer, sweeter, more like the original.
FREE CATALOGUE
 will explain fully the superiority of the Duplex. Don't allow any one to persuade you to buy any other make without first sending for our catalogue.
Save all the Dealers' 70% Profits
 The Duplex is not sold by dealers or in stores. We are Actual Manufacturers, not jobbers, and sell only direct from our factory to the user, eliminating all middlemen's profits. That is why we are able to manufacture and deliver the best phonograph made for less than one-third what dealers ask for other makes not as good.
DUPLEX PHONOGRAPH Co., 31 Rose St. Kalamazoo, Mich.

Each horn is 30 in. long with 17 in. bell. Cabinet 18 in. x 14 in. x 10 in.
PREPAID
Seven Days' Free Trial
 We allow seven days' free trial to your own home in which to decide whether you wish to keep it. If the machine does not make good on every claim—volume, quality, saving, satisfaction—just send it back. We'll pay all freight charges both ways.
All the Latest Improvements
 The Duplex is equipped with a mechanical feed that relieves the record of all the destructive work of propelling the reproducer across its surface. The needle point is held in continuous contact with the inner (which is the more accurate) wall of the sound wave groove, thus reproducing more perfectly whatever music was put into the record when it was made. The Duplex has a device by which the weight of the reproducer upon the record may be regulated to suit the needs of the occasion, thus greatly preserving the life and durability of the records. These are exclusive features of the Duplex and can not be had upon any other make of phonograph. Plays all sizes and makes of disc records. Our Free Catalogue explains everything.

EXCURSIONS TO THE WEST
 To the Pacific Coast—to California, Oregon, Washington—round-trip, long transit and return limits, liberal stop-over privileges.
 The rate is practically on the basis of one fare for the round trip. Of course, if you wish to visit both California and Oregon or Washington, the cost is slightly more.
 These reduced rates are in effect on certain dates in months of May to October, inclusive. They apply from all Eastern points via Chicago, St. Louis or Memphis gateways. The Rock Island System will take you up in either Chicago or St. Louis, or at hundreds of other Middle West points and carry you to the Coast in through Standard or Tourist Sleepers with unexcelled Dining Car service. The Rock Island also affords a choice of routes: on the "Scenic" route you can stop off in Colorado—see Salt Lake City—visit Yellowstone National Park; on the "Southern" route you can go via El Paso, thru New Mexico, then "un coast" to San Francisco and on to Portland or Seattle if desired.
 In short, these Pacific Coast excursions offer an unusually good chance to see our western country in a comprehensive manner.
 If you desire to go only as far as Colorado, there are excursion rates in effect to that section and return, all summer long, specially reduced June 30 to July 4, August 12 and 13, and August 30 to September 4. Extension trips to Ogden or Salt Lake and return at low cost also.
 From September 15 to October 31, 1907 one-way tourist or "colonist" tickets will be on sale to California and the Pacific Northwest—about half regular fare.
 If interested, send name and address on this coupon, designating which booklet wanted and to what point you plan to go. Name preferred date of start also, so we can advise definitely with respect to rates, etc.
