County Seat
Local and Personal Events
Tersely Told.

Mr. and Mrs. A. J. Hackly have returned from a visit in Susquehanna County.

County Superintendent J. E. Reese Kilgore of Dushore, was a county seat visitor Wednesday.

Mrs. Fred Eddy came up from Wilkes-Barre to attend the wedding of her sister-in-law.

Mrs. L. D. Ripple of Costello, attended the wedding of her son, on Wednesday at this place.

Homer Beisinger of Bear Mountain near Estella, will have a public sale of his personal property on Saturday Oct. 19, on his premises.

Rev. and Mrs. S. H. Engler and two children of Medix Run, Pa. attended the Ripple-Eddy wedding, and will spend the remainder of the week with friends in town.

Rev. S. H. Engler will preach in the M. E. church at 7 o'clock Sunday evening.

Mrs. L. R. Bussler and children and Miss Louise Upmann, all of Eagles Mere, are occupying the Upmann cottage for a week.

Miss Anna Ruff who for two years has been nurse to Mrs. T. J. Ingham, left last week and will enter a hospital at Philadelphia to take a course in professional nursing.

The Republican party of this county is justly proud of its standard bearers and if every voter does his duty the office of Prothonotary and Sheriff will shortly be filled by Messrs. A. F. Heess and Judson Brown. They are men good and true, each endowed with the laudible principles of integrity and faithfulness, and also have the ability to serve their trusts with efficiency and credit. Do your duty—Vote for Albert F. Heess and Judson Brown.

As a result of the two-cent fare law going into effect passengers on the late Reading train at night will be greatly inconvenienced, as the night train on the W. & N. B. will not wait for it. Heretofore the W. & N. B. train left Hughesville at 9:45 and waited until the arrival of the Reading train from the south. Now it leaves Hughesville at 8:35 and does not wait at Halls. It is stated that if the Supreme court declares the law constitutional, the W. & N. B. train service will be further curtailed.

At September term of court a charter was granted to Mountain Ash Cemetery Association, of Laporte. Under its provisions the management of the corporation is vested in a board of seven directors to be chosen at the annual meeting of the stockholders to be held upon the first Monday in August. Until the first election, seven of the stockholders were named in the charter to act until the first election. At a meeting of the directors held last week the following organization effected: President, John L. Smyth; Secretary, F. W. Meylert; Treasurer, W. C. Mason; members E. P. Ingham, A. J. Hackley, J. V. Finkle, and T. J. Keeler. The charter provides for two hundred and fifty shares of stock at two dollars per share. Nearly one-half of the stock has been subscribed. It is provided that the capitalization may be increased to \$2,000 by a majority vote of the stockholders.

A deed conveying the old cemetery to the new corporation has been made. The Association is also greatly indebted to T. J. and E. P. Ingham for the conveyance, at a merely nominal consideration, of over half an acre of land lying south and east of the present cemetery enclosure. With this donation, the Association now has ample grounds for years to come. Many improvements are being planned by the directors and all who are interested in the cemetery are to be congratulated that the proper steps have been taken for its care and preservation.

The Home Department of the E. V. Sunday School at Nordmont has just been reorganized. This promises to be very successful in the near future.

Georgia and Her Hypocrisy.
Undoubtedly one of the most miserable shams in the history of State legislation has recently been accomplished by Georgia.

Great stress has been laid upon the fact and it is clothed with importance, since it tends to show the emotional signs of the times, that Georgia has jumped from local option to Prohibition. Now by law liquor cannot be made, or sold, or given away, and even the drug stores are prohibited from supplying to the sick or the dying any stimulant with the exception of pure alcohol. If a physician finds that champagne, now so frequently used in the sick room and in hospitals, or brandy is necessary the law demands that the patient shall die rather than the liquor prescription shall be filled at the drug store.

The crafty politicians who are riding into power and graft on the top wave of this prohibition sentiment in the South in their zeal even struck at the religion of our Lord and Saviour, since the law forbids the administration of wine in the churches in connection with the holy sacrament.

But how came Georgia to enact such a sweeping interdict? There is always one side to a story and this one has two. To pass prohibition it had to be based upon race prejudice. Liquor was too good for the "nigger" and his foster brother, the "poor white trash." Stop it, and "nigger" crime against womanhood will cease was the argument, and it caught the minds of emotional and thoughtless men and women.

But prohibition could not be passed in Georgia either on moral or temperance grounds which has been claimed. It was only passed upon the promise to rob the "nigger" of his right to vote. It passed one day by a vote of ten to one, and mark you the very next day the legislature passed an act disfranchising the negro. Here was a questionable political deal and a bargain that was manipulated and accomplished by the politicians both within and without the church.

Now mark again the subsequent action of this same Georgia Legislature. Within a week following its hysterical adoption of prohibition by a vote entirely unanimous it passed a club act taxing every social club which dispenses liquors to its members three hundred dollars.

And the politicians now smile while the deceived clergyman and his church member who were used in the drama to rob the negro of his vote are measuring the breadth and depth of their bunco. But the hotels do not smile, nor does the farmer who all his life has been making his own peach brandy which he drinks with the addition of a drop of honey.

Upon the first of January, 1908, the bar of every hotel must be closed—even the rooms as to liquors, the drugstore save as to alcohol.

But around the corner, or at the next cross road will be the club. Home life next year will not be known to Georgia, in so far as the men are concerned, and it will soon reach the club life of the women.

How easy to form a club. Rent a room, charge each member fifty cents for his key. He takes in his friends, pays for the drinks, and afterwards divides the expense. This is not gentlemanly, but it is the pace set by hypocrisy.

Every "wet" member of the Legislature voted for the \$300 club tax bill; every "dry" member did likewise. Why? Because they thought the negroes could not form clubs and pay a tax of \$300.00. But we shall see.

In Georgia since 1865 they have advanced more than the white race, hence the jealousy, the persecution, a State's hypocrisy.

"Puck" recently published a fine cartoon on its front page. It was the fat man of Georgia, raised on his liquor drinking, to the lean man from Maine. Georgia was inhaling from a bottle marked "Lemon Phosphate,"—the man from Maine, tall, lean and lank, was imbibing from a bottle marked, "Cold Tea." And thus hypocrisy, through the laws assailing personal liberty, extends from Maine to Georgia.—Adver.
