DANGER SIGNALS UP
 Manufacturers Send Warning to
 Pennsylvania Republicans.

FEAR OF TARIFF TINKERING
 Capital and Labor Seriously Concerned
 Over Agitation of "Iowa Idea" of
 Revision in the Stronghold of Pro-
 tection.

[Special Correspondence.]
 Philadelphia, Oct. 8.
 A committee of manufacturers of this
 city has started a movement to impress
 upon the citizens of Pennsylvania their
 direct and vital interest in the main-
 tenance of the protective tariff policy
 of the national government.

Following up the formal action taken
 at a recent meeting of the Manufac-
 turers' club, when vigorous resolutions
 were adopted in opposition to any
 tinkering with the tariff, industrial
 men, prominently identified
 with the industrial interests of this
 state, have inaugurated an educational
 agitation to awaken the voters of
 Pennsylvania to the danger confront-
 ing them from the development of
 sentiment, in the west and elsewhere,
 in favor of a revision of the tariff.

The assistance of Chairman Wesley
 B. Andrews and his colleagues of the
 Republican state committee, has been
 sought to further the campaign for a
 "stand pat" policy on the tariff issue.
Manufacturers Are Alarmed.
 The manufacturers admit that they
 are concerned over the persistence of
 the tariff revisionists, and they look
 to Pennsylvania Republicans to come
 to the front, as they have done in the
 past, and emphasize their continued
 loyalty to the principles of a protective
 tariff.

The tariff revisionists have been
 sending tons of literature into Penn-
 sylvania for the purpose of breaking
 the line of the protective tariff Rep-
 ublicans, and they have been bank-
 ing upon cutting down the vote of the
 Republican state ticket at the coming
 election and thus weaken the voice of
 the state in the councils of the Repub-
 lican party of the nation.

The enemies of protection are mak-
 ing a great play to have delegates
 elected to the coming Republican National
 convention who will favor the
 insertion of a plank in the platform
 calling for a revision of the tariff.
 The manufacturers who have started
 in to combat this proposition realize
 the gravity of the situation and look
 to Pennsylvania to block the game of
 the revisionists.

Chairman Andrews' Call to Action.
 After a conference with some of the
 leading manufacturers interested in
 the movement, which means so much
 to the industrial and business inter-
 ests of this state, Colonel Andrews to-
 day said:

"Pennsylvania's industries are en-
 dangered by the agitation for a re-
 vision of the tariff, and none can ap-
 preciate what I say better than those who
 have their capital invested and who
 depend upon the protective tariff to
 shield them from ruinous competition
 from the products of the poorly paid
 labor of foreign countries.

"There must be no tinkering with
 the tariff, either before or after the
 presidential election, and Republicans
 of Pennsylvania must be alive to the
 situation. If any move shall be made
 to change existing tariff schedules,
 even in the slightest degree, it will in-
 augurate a period of doubt and uncer-
 tainty which would be reflected in the
 utter demoralization of Pennsylvania's
 manufacturing interests, and there
 could be but one result, a condition
 that would bear heavily upon the
 farmers and wage workers of our com-
 monwealth, and seriously embarrass
 the capital employed in vast fields of
 commercial activity.

"Pennsylvania will not lose an op-
 portunity at the coming election to
 proclaim to the other states in the
 Union that she has no sympathy with
 the 'Iowa Idea' for a scaling down of
 the tariff.

"In no more effective and solemn
 manner can the Republicans of Penn-
 sylvania meet this issue than by regis-
 tering at the November election their
 emphatic decree that by no act of
 theirs shall the bars be let down which
 now exclude foreign competition with
 American labor.

"The contest this fall is but the skim-
 mish of the great presidential battle of
 next year.
 "If Pennsylvania shall roll up a pro-
 nounced majority for the cause of Re-
 publicanism in November, the state
 will continue to wield a potent influ-
 ence in the national councils of the
 party.

"If, as the result of indifference and
 of paying heed to the shallow and sen-

sational changes of the opposition, the
 Democratic candidate for state treas-
 urer should be elected, of which, in my
 judgment, there is not the remotest
 chance if Republicans perform their
 full measure of duty, the shout would
 go up all over the land that the Repub-
 licans of Pennsylvania were indiffer-
 ent as to the continuance of the tariff,
 and, thereby greatly weaken the influ-
 ence of the Republicans of Pennsylv-
 ania in the next Republican national
 convention.

Necessity For Action.
 "The consequence of such a state of
 affairs would be illustrated by a cessa-
 tion of all industrial enterprises with-
 in our borders, with the inevitable re-
 sult that the workingman and the
 farmer would in the end bear the
 brunt of the disaster.
 "Face to face with these conditions

and with the full knowledge as to the
 embarrassments that would follow, all
 Republicans are appealed to as mem-
 bers of the great party of protection
 and prosperity to recognize the neces-
 sity for prompt, active, and patriotic
 work in order not only to bury the op-
 position beyond the hope of resurrec-
 tion, but to strengthen the position of
 our great state at next year's Republi-
 can national convention in the battle
 that must inevitably be fought there
 for the preservation of the protective
 policies which have made Pennsylvania
 the keystone of the industrial arch of
 the federal union. None should be de-
 ceived by those who affect not to see
 disaster in Republican indifference, but
 all should go to work at once with a
 will to discharge their full measure
 of duty.

"Every Republican committeeman
 should work to circumvent the de-
 signs of the Democrats to obtain pos-
 session of the state treasury, which,
 by the way, they will attempt to accom-
 plish by the circulation of false state-
 ments and by aspersions upon the hon-
 esty of the Republicans of Pennsylvania.
 Their unsavory methods should inspire
 every Republican heart with the resolve
 to defeat their machinations by vigor-
 ously supporting the Republican candi-
 date for state treasurer, Hon. John O.
 Sheatz, whose name is a synonym for integrity,
 and who enjoys to the fullest extent the
 confidence of the party from one end
 of the state to the other.

"In consideration of the approach of
 an important presidential campaign,"
 said Chairman Andrews, "Republicans
 of Pennsylvania should set the pace
 by rolling up a large majority at next
 November's election to accentuate their
 loyalty to the principles of the
 Republican party and their adherence
 to the policy of 'leaving well enough
 alone,' a matter of vital importance
 to the manufacturers, farmers and
 wage earners of Pennsylvania, and also
 to emphasize their approval of the
 progressive policies of the national ad-
 ministration."

"SCAN MY RECORD"

So Says Nominee Sheatz to
 Voters of Pennsylvania.

HE IS A CANDID

Republican Choice For State Treasurer
 Takes People of the State into His
 Confidence and Rests His Case With
 Them.

[Special Correspondence.]

Harrisburg, Pa., Oct. 8.
 John O. Sheatz, Republican nominee
 for state treasurer, is making a per-
 sonal canvass of the state, and where-
 ever he goes he is received with en-
 thusiasm and there is reason to be-
 lieve he will be elected by a splen-
 did majority.

"I am meeting the people face to
 face," said Mr. Sheatz, as he chatted
 about his campaign, as he stopped off
 here between trains, "and I am more
 than pleased with my receptions.
 "I want the people to scan my re-
 cord in the legislature and vote accord-
 ingly.

"While acting as chairman of the
 appropriations committee at Harris-
 burg during the last session of the
 legislature, I was particularly inter-
 ested in the matter of increasing the
 public school appropriation for the
 counties.

"With the help of the rest of the
 committee and the consent of our good
 governor, we succeeded in increasing
 the former amount \$4,000,000, thereby
 making the total \$15,000,000 for the
 next two years.

"Besides providing this great amount
 for the public school system, there
 were also large sums appropriated for
 the state normal schools, for the State
 College and the Universities of Penn-
 sylvania and Pittsburg—all of which
 was for the benefit of the young men
 and women of our state, and I am look-
 ing forward to the time when the
 state government of Pennsylvania
 shall appropriate all the money neces-
 sary to educate her children.

"No state in the Union gives nearly
 as much to her counties as Pennsylv-
 ania for the public schools. We want
 to give to each child better opportuni-
 ties to become a well educated citi-
 zen, to be better qualified to do his
 or her part toward keeping our state in
 the front ranks of the Union, for these
 advantages should lead to a higher
 standard of citizenship and better gov-
 ernment.

"When the people of Pennsylvania
 elected that splendid representative
 American, Edwin S. Stuart, governor
 of this commonwealth, they laid the
 foundation of better government and

 "The assertions made by members of
 the opposing party, that there should
 be a minority representative in the

EASY PAYMENTS

¶ The Duplex is the only phonograph that gives you all the sound vibrations and gets all the volume of music. This is because of its double vibrating diaphragms in the sound box, and the two horns to amplify the sound waves. All other phonographs, with one-sided diaphragm and a single horn, get only half the music. The Duplex is like a perfectly formed athlete with both sides developed. Other phonographs are like the one-eyed, one-legged, one-lunged defectives sometimes seen—capable of doing something, it is true, but not the best. Don't allow anyone to persuade you to buy another make of phonograph until you have seen and received our splendid

which explains fully the superior qualities of the Duplex. We are the only Company actually manufacturing phonographs and selling direct from factory to user. All other concerns are either jobbers and dealers who do not manufacture what they sell, or are manufacturers who do not sell direct to the user, but market their output through jobbers and dealers. Hence, we can and do

for our customers. We are content with a fair manufacturer's profit. When you buy any other make you pay a profit to the manufacturer, a profit to the big jobber or distributor, and another profit to the dealer. We have no agents; but the Editor of this paper has made investigation and is satisfied that we give all our customers

Home Concert Collection

which we sell on Easy Payments. It consists of the Duplex Phonograph with all the latest improvements—our mechanical feed which relieves the record of all the destructive work of peopling the reproducer (sound box) and needle point across its surface; and our weight regulating device which is the greatest record saver ever invented. Both these are exclusive features of the Duplex and can not be had on any other phonograph. ¶ The Home

Concert Collection contains 16 of the best ten-inch records that money can buy, all specially selected to give a variety of music so that a dozen people of the most varied tastes can be given a two hour's entertainment at your home and each will be sure to hear at least one or more selections that will give delight. These sixteen records contain the best band and orchestra pieces, instrumental and vocal solos, vocal duets and quartets, talking pieces, comic songs, sacred pieces, etc. We make the selections, because we know how to choose the best pieces. That's part of our business. ¶ We put in 800 assorted needles—four different kinds, capable of producing more soft and sweet and low enough for the rock room, or loud and joyous enough for a crowded ballroom. We put in a bottle of 3-in-1 oil, a first-class can, a can of Monarch metal polish, and a neat 2-in-1 jar. This collection intended to give you, without buying another cent's worth, 160 days and evenings of entertainment, and we give you six months to pay for it, a small payment down and six small monthly installments.

THREE DAYS' FREE TRIAL

¶ You are not asked to buy the Duplex and Home Concert Collection "right away" as we used to trade jack-knives when boys at school. We allow you a full three days' trial of your own records, in which to decide whether you will keep it or send it back. If it does not fulfill our every claim for it, after a careful trial for three days, box it up and send back by freight at our expense—and we'll pay your advance money back. But (as we feel sure it will) if it pleases you, keep it and write us and say so; and thirty days afterward send us your first monthly payment, or pay it over to the Editor of this paper, who is authorized to receive monthly payments and send them in. And each thirty days make a similar payment until all the installments are paid. This is the biggest and best phonograph ever offered to the public. No harm in investigating it, at any rate. Talk to the Editor of this paper; ask him to send in for a catalogue and terms for you, or write direct, mentioning this paper, to
