Lumbago, Sciatica, Neuralgia, Kidney, and Kindred Diseases.

**GIVES QUICK RELIEF**  
Applied externally it affords almost instant relief from pain, while permanent results are being effected by taking it internally, purifying the blood, dissolving the poisonous substance and removing it from the system.

**DR. S. D. BLAND**  
Of Brewton, Ga., writes:  
"I had been a sufferer for a number of years with Lumbago and Sciatica, and had tried every remedy that I could get from medical men, but found nothing that gave the relief obtained from 'S-DROPS.' I shall prescribe it in my practice for rheumatism and kindred diseases."

**DR. C. L. GATES**  
Hancock, Minn., writes:  
"A little girl here had such a weak back caused by Rheumatism and Sciatica, that she could not stand on her feet. The moment they put her down on the floor she would cry with pain. I treated her with 'S-DROPS' and today she runs around as well and happy as can be. I prescribe 'S-DROPS' for my patients and use it in my practice."

**A Hint to Grange Speakers.**  
Robert J. Burdette, now pastor of a Baptist church in Los Angeles, Cal., and always a humorist, is opposed to the length of the form of service for the presentation of children and says that, as a rule, he thinks that the service should not be longer than the baby. Likewise grange speeches should not be longer than the speaker can make them interesting.

**The Question Box.**  
What is the specific advantage to a grange in becoming an incorporated organization?  
The advantage of grange incorporation is that it gives the grange a business standing, allowing it to buy, sell, contract—in fact, do business as an individual. The acts of its purchasing agent are binding on the grange treasury and not on the members. If a purchasing agent of a grange makes a bargain, it may be repudiated by an incorporated grange and he held responsible, but if given authority by an incorporated grange the grange is responsible as far as its treasury goes and no further—that is, there is no individual liability.

The granges of Orange county have organized the Dairyman's league. The object is to dispose of the products of the dairy of its members to the best advantage, to make collections for the same and to promote or defeat legislation affecting the dairy interests. A membership fee of 25 cents per cow is charged, but no subscriptions are binding until the signatures representing 50,000 cows have been secured. The secretaries of subordinate granges are to report to the chairman of the milk committee of the Orange County Pomona grange as to the number of signatures received. The board of managers are to endeavor to contract for the sale of the milk of the local branches at the same time. The grange farmers of Orange county seem to believe that farmers have the same right to unite for mutual protection as has any trade or profession.

**The Question Box.**  
Can a demitted member be received into a new grange as a charter member?  
A demitted member can be received as a charter member by paying full fees. A demitted member may visit any grange while in possession of the annual word, but cannot receive the annual word.  
Can delegates to the New York state grange be elected at the October meeting of a Pomona grange?  
Delegates to state grange must be elected in December except by special dispensation of the state master.
