**County Seat**  
Local and Personal Events  
 tersely Told.

Mrs. Joel Saxon of Bernice, was  
the guest of Mrs. F. W. Meylert,  
Saturday.

Mr. T. J. Keeler came home Sat-  
urday from Roselle Park, N. J., to  
spend Thanksgiving with his family.

Miss Marcella Farrell will spend  
Thanksgiving at her home in Dushore.

Services at the M. E. church next  
Sunday as follows:  
Sunday School—11:00 A. M.  
Preaching 7:00 P. M. Subject,  
"Thanksgiving."

Mr. Clayton Mason was a Will-  
iamspor visitor Monday.

Atty. Albert F. Heess of Dushore,  
transacted business here Saturday.

Miss Freda Crossley is spending  
a week with relatives at Benton.

Robert Mason is in a hospital at  
Philadelphia, receiving treatment  
for a serious case of kidney trouble.

Samuel Keltz of Canton has al-  
ready killed several bears this fall.

Mr. Ray Kessler of Towanda, was  
a Laporte visitor Tuesday.

Mrs. Ira Hamilton, aunt of Mrs.  
Ed Potter, is ill of typhoid fever at  
her home at Marsh Hill.

The engagement of Miss Fannie  
Tripp, daughter of Mr. and Mrs. H.  
P. Tripp of Elmira, and Mr. Charles  
Dean of the same place was recently  
announced.

In last week's issue we mentioned  
that Mrs. T. F. Ripple was suffering  
with an attack of grip, but later  
developments showed that she had  
typhoid fever. She is somewhat  
improved at this time.

Mrs. William Laird, wife of the  
proprietor of the Hotel Raymond at  
Eagles Mere, died at her home in  
Hughesville, last Friday. Mrs.  
Laird was a sister of Milton E. and  
Charles W. Reeder, the former lum-  
berman of this county.

A delightful surprise was given on  
Saturday evening, to Miss Hazel  
Newman of Hughesville, the occa-  
sion being her 13th birthday. Miss  
Hazel is the daughter of Mr. and  
Mrs. Joseph Newman, formerly of  
Nordmont.

The directors of Mountain Ash  
Cemetery Association have set out a  
hedge of Arbor Vitae plants on the  
north and west sides of the ceme-  
tery. The hedge is set about two  
feet inside of the fence line which it  
is expected to reach when the plants  
attain their full growth and the fence  
removed. The plants, 600 in num-  
ber, came from Wisconsin and are  
said to be very hardy and well  
adapted to this climate.

This work, together with other im-  
provements, has made considerable  
expense and the directors would ap-  
preciate it if subscribers of stock  
who have not already done so would  
send in their subscriptions as soon  
as possible.

The ladies of St. John's Episcopal  
church will hold a doll sale at J. L.  
Smyth's store on Friday and Satur-  
day of this week. The collection of  
dolls is immense and the prices are  
reasonable. Here are dolls of all  
kinds, ages and races. Little dolls,  
big dolls, blond and brunettes, talk-  
ing dolls and sleeping dolls. They  
are beautifully costumed and you  
can select from any color of the rain-  
bow, with the various shades and  
tints.

A fund is being collected for the  
painting of the church and rectory,  
and the receipts are to be applied to  
the fund. Buy a doll and help the  
cause along.

Our townsman, Mr. William W.  
Loeb, who responded to the first  
call for volunteers at the outset of  
the Civil War, has just received one  
of the medals granted by the State  
of New Jersey to first defenders.  
It is a handsome medal about two  
inches in diameter made of gun  
metal taken from captured cannon.  
On the front side of the medal ap-  
pears the seal of the State of New  
Jersey and the words "A first de-  
fender, 1861." On the reverse side  
is the following: "The State of New  
Jersey to William W. Loeb, a mem-  
ber of the New Jersey Brigade,  
militia. For prompt and loyal ser-  
vice, 1861."

It is a beautiful medal and Mr.  
Loeb is certainly to be congratulated.  
It is needless to say that the  
recipient prizes it very highly.

Clarence M. Hess, formerly of  
Nordmont and this place, has gone  
to Hot Springs, Arkansas, to receive  
treatment hoping of regain his  
voice. While employed in Philadel-  
phia about four years ago he suffered  
an attack of typhoid fever, and since  
that time has not been able to speak  
above a whisper.

Fifteen billions of dollars repre-  
sent the value of the annual produc-  
tion of manufactures in the United  
States. After careful estimates were  
made by experts, Colonel John M.  
Carson chief of the Bureau of manu-  
factures, was able to make this  
statement in the annual report of  
the operations of his bureau made  
public November 24th. The figure do  
not report finished products. In-  
creased, but include products in vari-  
ous stages of progress.

Last year the aggregate value of  
domestic merchandise exported was  
\$1,854,000,000, an increase of nearly  
\$136,000,000 over the preceding  
year. In this classification "manu-  
factures ready for consumption" are  
credited with \$480,000,000 and these  
figures are generally accepted as the  
extent of the exports of manu-  
factures.

The report of the bureau, however  
groups this classification with those  
of "foodstuffs partly or wholly manu-  
factured" and "manufactures for  
further use in manufacturing," the  
aggregate exports of which last year  
were \$606,000,000 and this amount,  
added to "manufactures ready  
for consumption," makes the aggre-  
gate value of manufactures exported  
in the year ended June 30, \$1,086,000,  
000 or more than 58 per cent of the  
entire exports for that year.

Special significance is attached to  
the increase of nearly \$20,000,000 in  
the exports of completed manu-  
factures, in view of the fact that the  
exports of cotton cloths declined  
more than \$21,000,000, this loss be-  
ing entirely in the cotton trade with  
china. The popular feeling aroused  
in the country growing out of al-  
leged outrages against Chinese resi-  
dents in the United States is assigned  
as a cause for this decline.

The cottonseed product exports for  
the year were upwards of \$40,500,  
000, an increase of \$9,500,000 over  
1906.  
Demand made by business men  
for the extension of the parcels post  
to foreign countries is discussed. It  
claimed that this extension would  
open markets now closed to Ameri-  
can business men for lack of trans-  
portation facilities, but which are  
open to their competitors who have  
advantages of the parcels post sys-  
tem.

The First National Bank of Canton  
Pa., is to double its capital, thus in-  
creasing it from \$50,000 to \$100,000,  
and paying to its present stockhold-  
ers a cash dividend of 50 per cent out  
of its earnings. This is one of the  
most prosperous institutions of its  
kind in the state. Daniel Innes has  
been president of the bank for nearly  
a quarter of a century.
