THE GREATEST OF ALL MUSICAL INVENTIONS—THE TWO-HORN

DUPLEX PHONOGRAPH

THREE DAYS' FREE TRIAL IN YOUR OWN HOME

¶ The Duplex is the biggest, finest finished, loudest, clearest, sweetest-toned instrument
ever put on the American Market. It is the only phonograph manufactured and sold
DIRECT FROM FACTORY TO YOU on

EASY PAYMENTS

¶ The Duplex is the only phonograph that gives you all the sound vibrations and
gets all the volume of music. This is because of its double vibrating
diaphragms in the sound box, and the two horns to amplify the sound
waves. All other phonographs, with one-sided diaphragm and a single
horn, get only half the music. The Duplex is like a perfectly
formed athlete with both sides developed.
Other phonographs are like the one-eyed,
one-legged, one-armed defectives sometimes
seen—capable of doing something, it is true,
but not the best. Don't allow anyone to
persuade you to buy another make of phono-
graph until you have seen for and received
our splendid

FREE CATALOGUE

which explains fully the superior qualities of
the Duplex. We are the only Company
actually manufacturing phonographs and
selling direct from factory to user. All other
concerns are either jobbers and dealers who do not
manufacture what they sell, or are manufacturers
who do not sell direct to the user, but market
their output through jobbers and dealers. Hence,
we can do

Save All The Dealers' 70% Profit

for our customers. We are content with a fair
manufacturer's profit. When you buy any other
make you pay a profit to the manufacturer, a
profit to the big jobber or distributor, and another
profit to the dealer. We have no agents; but
the Editor of this paper has made investigation
and is satisfied that we give all our customers

THE SQUARE DEAL

and has consented to assist the readers of this
paper in every way in placing their order for
the Duplex during the year. An advertisement
will run in the paper. When you write for
catalogue, send in this paper and direct ac-
cordingly as below; and when you write ask for
full particulars regarding our

Home Concert Collection

which we sell on Easy Payments. It consists of
the Duplex Phonograph with all the latest
improvements—our mechanical feed which re-
lieves the record of all the destructive work of
propelling the reproducer (sound horn) and
needle point across its surface; and our weight
regulating device which is the greatest record
saver ever invented. Both these are exclusive
features of the Duplex and can not be had
on any other phonograph. ¶ The Home

Concert Collection contains 16 of the best ten-
inch records that money can buy, all specially
selected to give a variety of music so that a
dozen or more of the best varied tastes can be
given a two hours entertainment at your home
and each will be sure to hear at least one or more
selections that will give delight. These sixteen
records contain the best band, and orchestra
pieces, instrumental and vocal solos, vocal duets
and quartets, talking pieces, comic songs, sacred
pieces, etc. We make the selections, because we know
how to choose the best pieces. That's part of our busi-
ness. ¶ We put in 600 assorted needles—four different
kinds, capable of producing music soft and sweet and
low enough for the sick room, or loud and joyous enough
for a crowd of picknickers. We put in a bottle of 3-in-1
oil, a first-class cash, a tin of Monarch metal polish,
and a great record box. This collection is intended to give
you, without buying another cent's worth, 180 days and
evenings of entertainment, and we give you six months to pay
for it, a small payment down and six small monthly installments.

FREE TRIAL

¶ You are not asked to buy the Duplex and Home Con-
cert Collection "right away" as we used to trade jack-
knives when we started. We show you a full three days'
trial in your own residence, in which to decide whether you
will keep it or send it back. If it does not fulfill our every
claim for it, after a careful test for three days, box it up and
send back by freight or our carrier, and we pay your ad-
vance money back. But (as we feel sure it will) if it pleases
you, keep it and write us and say so; and thirty days after-
ward send us your first monthly payment, or pay it over to
the Editor of this paper, who is authorized to receive
monthly payments and send them. And each thirty days
make a similar payment until all the installments are paid.
This is the highest plan in phonographs. It is ever offered to the
public. No home investigations at any rate. Talk to
the Editor of this paper; ask him to send you a catalogue
and terms for you, or write direct, mentioning this paper, to

DUPLEX PHONOGRAPH CO., 31 Rose St., Kalamazoo, Mich.

NOTE.—The undersigned has made careful investigation and finds that the Duplex Phonograph Company
give their customers fair and honorable treatment, and advises readers of this paper to send for catalogue and
further particulars. It costs nothing but a postage stamp or a postal card to try. If you do not wish to take the
trouble to write, give me your name and address and I'll do the asking. And I'll see that you get a square
deal. Always mention this paper when you write.

nothing that gave the relief obtained from

DR. C. L. GATES

Let an EXPERT BUGGY MAKER Give you some INSIDE FACTS

Mr. F. L. Shaw, manager
of our vehicle interests, bought
two buggies from the same house the other day. One cost \$18.00 more than the other. Then he took the buggies
all apart to see just why one was higher priced than the other. Here is what he found out:

Both buggies had exactly the same seat and back, same size body, same wheels, shafts and everything else, except
that the higher priced one had 14-oz. cloth trimmings instead of Keratol, found in the cheaper; a leather boot, instead
of rubber; a better axle, and the finish on the woodwork was slightly better, but not very much.

Read the difference—and learn how easily price can be raised without changing the grade, in a buggy.

SIDE BY SIDE:
Difference in Cost \$3.80. Difference in Price to You \$18.00.

On their Cheap Buggy	On the Best They Make
Seat and back (see illustrations).	Same.
Body 23 inches wide, 54 inches long.	Same.
Malleable 5th wheel without anti-rattler.	Same.
Malleable head block (considered poor).	Same.
Malleable Bailey Loop (cheapest made).	Same.
Common reaches.	Same.
Steel sockets.	Same.
Hickory and elm wheels (low grade).	Same.
Common axle.	Long distance.
Wheels painted by dipping.	Same.
6-oz. head lining in top.	Same.
Shafts (cheap grade).	Sar-t.
Keratol trimming.	14 oz. cloth.
Rubber boot.	Leather Boot.
Leather quarter top.	Same.
Finish, cheap.	Slightly better.

What do they give for the
\$18.00 difference in price?
The actual difference in
cost, to the buggy maker,
did not exceed \$3.80, yet
one buggy costs you \$18.00
more than the other.

Now, either the factory
making and selling these bug-
gies to the house Mr. Shaw
bought from, was fooling the
house, or the house was fool-
ing you. In either case, you
were paying \$18.00 for
\$3.80 worth.

We tell you these things
because we believe in a square
deal!

There isn't one purchaser of a buggy in a hundred—no, nor in a thousand—who can tell of his own knowledge
the cause for the difference in prices between one buggy and another.

We make our own buggies.
We are the only general merchandising concern in the world that does.

The prices to you on our different buggies are based on the
manufacturing costs.

We make the same small percentage of profit on a \$70.00 rig that
we do on a \$40.00 outfit, and you get full value for every dollar you pay.

The difference in our buggies is not merely in the price. It's
in the quality.

If you are a judge of buggy values we ask you to compare our
vehicles with any make you know of, price for price.

If you are not an expert judge of buggy values, you are safe to order from us, for we give honest value for
every dollar you spend. And we guarantee your satisfaction.

The thousands who have purchased vehicles of us write us of their perfect satisfaction and of \$10.00 to \$50.00
saved on each one.

"I feel I cannot say enough for Ward
buggies, but mine speaks for itself."
A. L. FAYLOR, Albion, Ill.

"The timber in your work stood our moun-
tain roads well. Used it 4 years."
P. H. HAWKINS,
Cashier Bank Columbia, Mont.

"My \$45.00 job is far ahead of the \$20.00
buggies sold here."
Jno. T. Carter
