ONE FULL QUART OF
WHISKEY FREE

Know the meaning of words and will do as we say. We claim to be the lowest priced Whiskey House and the largest and finest Whiskey House in the South. All the North Carolina Whiskey we sell is good—there's no bad. People who wouldn't believe it if they knew how—they are fools. Most whiskey sellers are noted for mixing, blending and watering. We sell more genuine old whiskey and low water than any other concern. Casper's 11 Year Old Whiskey is a liquid joy. It's made by honest people in the mountains of North Carolina. It's clear, bright, and it's made by our own distillers. First-class whiskey is sold at \$5.00 to \$6.00 per gallon, but it's not any better than Casper's 11 Year Old. It's just because we will buy it for \$5.00. We have a credit of \$50.00 and the People's National Bank and the Piedmont Savings Bank will only sell you one week's stock. To introduce this old, honest, whiskey, we order our Full Quarts of Casper's 11 Year Old—two sample bottles, one 16 oz. 12 year old—white, and one 16 oz. 12 year old—black. If \$5.00 is sent we will double the above and put in free One Full Quart Extra. We have some of this whiskey only 1 year old, and will send regular keg for \$10.00 with twenty full quart bottles on receipt of \$1.00 and give free corkerows, drinking glasses and sample bottles making a whole lot more than \$5.00 per gallon delivered. We ship in plain boxes with no marks to indicate contents, and may say all Express. Shipped West of Texas, Kansas, Nebraska and Idaho to all parts of the country per quart extra.

The
INTERNAL
WRONGS
of
ALUM

Alum in food causes stomach disorders—Its continued use means permanent injury to health.

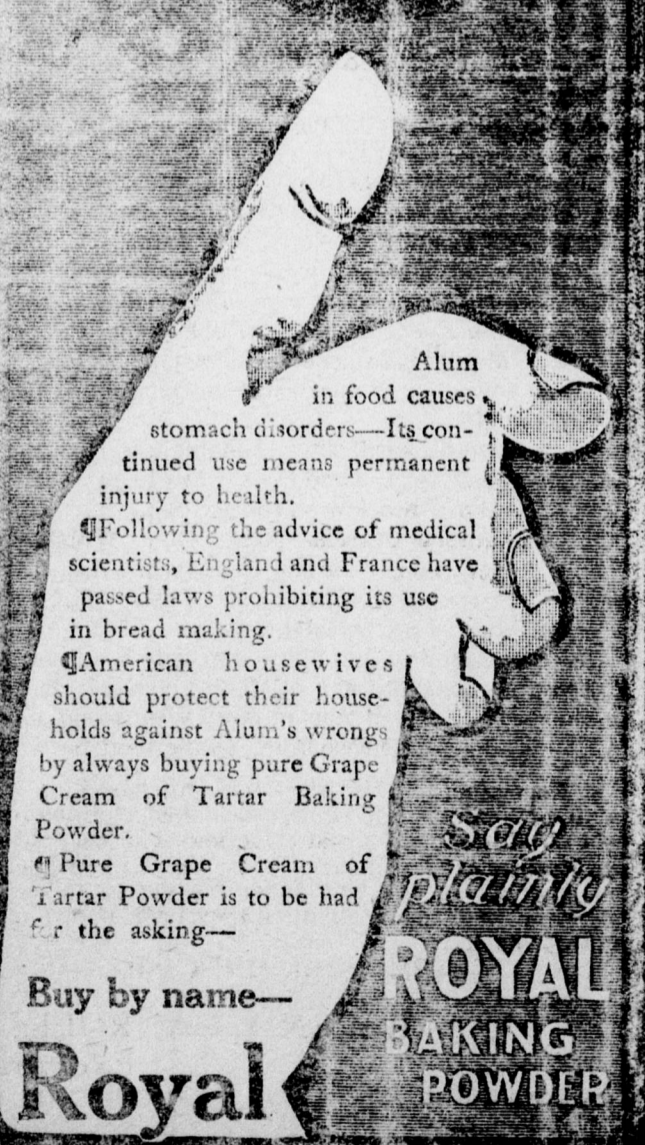

Following the advice of medical scientists, England and France have passed laws prohibiting its use in bread making.

American housewives should protect their households against Alum's wrongs by always buying pure Grape Cream of Tartar Baking Powder.

The newspapers and magazines which come to your table enter largely into your own life and the education of your children. First of all you must have a good paper. A paper that is read each week by you gives you each week a complete feature of the entire news, the most happenings, county correspondence and a general sketch of the state, national and foreign happenings.

But the value of the paper is not the only interest in the features, the value is in the education of the children. The only paper that offers the most complete and interesting features for the children is the
