Problems For Which the Serious Mind-

ed Are Needed to Solve.

There is nothing that women cannot

o, but the work must be planned with

thoroughness that precludes failure

and done with a modesty which is the

nherent charm of the superior sex.

says the Woman's Home Companion.

As I said, every community has its

own problem. Most of these originate

outside of the home. Pure water, pure

ood, pure air, clean streets, sanitary

chools and tenements, district nurs ng, the education of the ignorant in the care of babies, the question of pau-

pers, the public baths and traveling li-braries, the treatment of our women prisoners in prison and after, the lodg-

ing house problem—these are only a few of the civic puzzles crying for

trained women to solve.

rained women to solve.

A woman does probably her greatest share of her duty as a citizen when she makes a home a safe and happy harbor of refage from a stormy world, when she brings up her children into noble manhood and womanhood and when the does not be solved.

part of some problem of government. A woman successful in home life is

mona grange.

"In a conversation with President Boak of the Grange bank of this place," says the Hughesville Mail, "We learn that the Grange bankers have been called together to formulate a plan whereby they can assist the farmers in handling their crops in the event of their be ing obliged to sell when prices are low to obtain money to meet some of their obligations. The plan sug-Monroeton were guests of W.B. Rit. gested will be that the farmer will take his grain to one responsible mill for storage, bring his receipt from the miller to the bank as collateral on which the farmer can bor row money, and thus enable hlm to hold his grain until such time as the market advances.

"Now, if the farmer had held his ast crops until the present time they would have made in this county alone nearly one million of dollars, as some wheat was sold at 80 cents, and it is \$1.15 per bushel, Williamsport quotation, a loss of 35 cents per bushel.

"Further, all products of the farm ould be handled in this way."

Running after a Reading passeng er train at Shamokin Monday night John Russel, of Philadelphia, jumpd on the car next to the pulman. creatly to his horror the vestibule was closed and fearing to risk his life in jumping from the ar, he hung on. An operator aught a glimpse of the man as the rain passed through the yards. He alfed up a station four miles disant. When the train reached there the operator stopped it, and Russel was found almost exhausted after as thrilling adventure. His overcoat had been torn off by a signal arget as the train dashed along.

### Dyspepsia Cure Digests what you eat.

This preparation contains all of the digestants and digests all kinds of food. It gives instant relief and never tails to cure. It allows you to eat all the food you want. The most sensitive stomachs can take it. By its use many thousands of dyspepties have been cared after everything electrical is mequalled for the stomach. Children with weak stomachs thrive on it.
