THE GREATEST OF ALL MUSICAL INVENTIONS—THE TWO HORN

# DUPLEX PHONOGRAPH

THREE DAYS' FREE TRIAL IN YOUR OWN HOME

The Duplex is the biggest, finest finished, loudest, clearest, sweetest-toned instrument  
ever put on the American Market. It is the only phonograph manufactured and sold  
DIRECT FROM FACTORY TO YOU on

## EASY PAYMENTS

The Duplex is the only phonograph that gives you all the sound vibrations and  
gets all the volume of music. This is because of its double vibrating  
diaphragms in the sound box, and the two horns to amplify the sound  
waves. All other phonographs, with one-sided diaphragm and a single  
horn, get only half the music. The Duplex is like a perfectly  
formed athlete with both sides developed. Other phonographs are like the one-eyed,  
one-legged, one-armed defective sometimes seen—capable of doing something, it is true,  
but not the best. Don't allow anyone to persuade you to buy another make of phono-  
graph until you have sent for and received our splendid

their output through jobbers and dealers. Hence,  
we can and do

best in the South. All the  
South Carolina Whiskey is sold here—there's no hid-

of North Carolina, in the old copper still, just as it was made by  
the founders. "Casper's Whiskey" is sold at \$15.00 to \$20.00

is the best. We have the capital of \$200,000  
and the People's National Bank and the Farmers' Savings Bank  
of this city will tell you our word is good. To introduce this old  
whiskey, we offer four Full Quarts of "Casper's 11

## Let an EXPERT BUGGY MAKER Give you some INSIDE FACTS

Mr. F. L. Shaw, manager  
of our vehicle interests, bought  
two buggies from the same house the other day. One cost \$18.00 more than the other. Then he took the buggies  
apart to see just why one was higher priced than the other. Here is what he found out:

Both buggies had exactly the same seat and back, same size body, same wheels, shafts and everything else, except  
that the higher priced one had 14-oz. cloth trimmings instead of Keratol, found in the cheaper; a leather boot, instead  
of rubber; a better axle, and the finish on the woodwork was slightly better, but not very much.

Read the difference—and learn how easily price can be raised without changing the grade, in a buggy.

**SIDE BY SIDE:**  
Difference in Cost \$3.80. Difference in Price to You \$18.00.

What do they give for the  
\$18.00 difference in price?  
The actual difference in  
cost, to the buggy maker,  
did not exceed \$3.80, yet  
one buggy costs you \$18.00  
more than the other.

Now, either the factory  
making and selling these bug-  
gies to the house Mr. Shaw  
bought from, was fooling the  
house, or the house was fool-  
ing you. In either case, you  
were paying \$18.00 for  
\$3.80 worth.

We tell you these things  
because we believe in a square  
deal!

There isn't one purchaser of a buggy in a hundred—no, nor in a thousand—who can tell of his own knowledge  
the cause for the difference in prices between one buggy and another.

We make our own buggies.  
We are the only general merchandising concern in the world that does.

The prices to you on our different buggies are based on the  
manufacturing costs.

We make the same small percentage of profit on a \$70.00 rig that  
we do on a \$40.00 outfit, and you get full value for every dollar you pay.

The difference in our buggies is not merely in the price. It's  
in the quality.

If you are a judge of buggy values we ask you to compare our  
vehicles with any make you know of, price for price.

If you are not an expert judge of buggy values, you are safe to order from us, for we give honest value for  
every dollar you spend. And we guarantee your satisfaction.

The thousands who have purchased vehicles of us write us of their perfect satisfaction and of \$10.00 to \$50.00  
saved on each one.

Our New Vehicle Catalogue tells the truth without exaggeration. It  
describes in detail just the rig you want. Safe rig, safe price, safe house  
to deal with. Let us send you this vehicle catalogue, free. Remember,  
Mr. F. L. Shaw, an expert vehicle man, looks after your interest.
