**County Seat**  
Local and Personal Events  
Tersely Told.

Mrs. Marie Saxon of Bernice is  
visiting Mrs. F. W. Meylert.

F. M. Crossley attended the fun-  
eral of Mrs. W. Johnston, at Du-  
shore Wednesday.

Miss May Rose is home from Du-  
shore, spending a short vacation  
with her parents.

Mrs. D. F. Deitrick of South Will-  
iamsport, was in town Monday mak-  
ing arrangements to rent her house  
near the Episcopal church.

Wednesday night closed in with  
a genuine blizzard, and Thursday  
morning found our beautifully clean-  
ed walks and paths filled with euor-  
mous snow drifts.

A Rileys entertainment will be  
held in the Christian church at Hills-  
grove, Friday evening, February  
14. Music will be furnished by the  
Galgough orchestra.

W. H. Rogers with several em-  
ployees are engaged in cutting ice on  
Lake Mokoma and shipping it to  
Hughesville and Williamsport.

On account of the chicken supper  
on Tuesday evening, the Village  
Improvement Society post-poned  
their meeting, which will be held  
on Tuesday evening, Feb. 11, at the  
home of Mrs. Frank Ingham.

Messrs. C. B. Heverly and John  
H. Deegan of Dushore, were at the  
county seat Friday, representing  
the Keystone Guard Insurance Co.  
Mr. Deegan being an all-round good  
citizen and a law-abiding man, drop-  
ped into our office to see if the  
editor was doing likewise by comply-  
ing with the new postal ruling re-  
quiring subscribers to pay up  
arrears. He paid an advance sub-  
scription and so helped to place us  
on the law abiding plane with him.

Wednesday was the banner cold  
weather day of this winter. The  
mercury dropped to 14 degrees be-  
low zero at Laporte, 17 below at  
Forksville, 23 below at McCartneys  
mill, which is situated about half  
way between Laporte and Forks-  
ville, and the report was that it was  
25 below zero at Lopez.

There will be services as follows at  
the Methodist Episcopal church  
next Sunday:  
Sunday School 11 A. M.  
Preaching 7 P. M.  
Subject, "Lest We Forget."  
Epworth League 7:45 P. M.

Elsewhere in this issue is a resolu-  
tion passed by the town council at a  
recent meeting, concerning the re-  
moving of snow from the street  
crossings. This is but a forerunner  
to a better condition of affairs for  
the future, in the matter of main-  
taining more suitable and passable  
streets in Laporte during the winter  
season. Street crossings were never  
before opened in winter time in this  
village. Former councilmen, while  
not entirely ignorant of the taxpay-  
ers just rights, let their prejudices  
easily lead them into a tolerant mod-  
esty that at last became the vice of  
indifference. Years spread it as a  
contagion, and the Editor with ev-  
ery one else was caught up with the  
volumen and lapsed into a comatose  
state that was easily discerned to  
be a lack of that proper pride in  
civic things that is essential to make  
a town what it should be.

The tide has now turned and we  
all see better prospects for Laporte.  
Now is the time for you to STAND  
UP FOR LAPORTE. Learn to  
stand up for Laporte both at home  
and abroad. Admit that you are as  
much a part of Laporte, as Laporte  
is a part of you; that such defects as  
it has are only reflections of your  
own personal lack of completeness  
in the social and civic virtues; that  
it is to-day just the sum of you and  
people like you, and then stand up  
for Laporte as you would stand up  
for yourself. We heard one of our  
older citizens do this the other day  
and it sounded as patriotic as the  
great orations voiced in Revolution-  
ary times and gone echoing down  
the years of time.

Laporte is yours, stand by the  
thing you have made. If it is not  
what it should be, be a part to mak-  
ing it better. After once made bet-  
ter, it needs that each of its citizens  
should at all times be its trumpeter  
and blow his brass lustily and  
MARCH WITH THE BAND.

At a meeting of the board of di-  
rectors of The Farmers and Me-  
chanics Home Mutual Fire Insur-  
ance Company, Jan. 8, 1908, it  
was resolved that policy holders,  
using gasoline engines, be allowed  
to have not exceeding three gallons  
of gasoline in the tank on the en-  
gine when not in use. No other or  
greater quantity to be kept or stor-  
ed within 50 feet of any insured  
building. All other regulations  
and restrictions in the use of such  
engines are hereby recinded.
