It is the one phonograph that gives you all the sound vibrations of the original. It has not only two horns, but two vibrating diaphragms in its sound box. Not only do you get more volume, but you get a better tone—clearer, sweeter, more like the original. Our FREE CATALOGUE will explain fully the superiority of The Duplex. Don't allow any one to persuade you to buy any other make without first reading our catalogue.

Save all the Dealers' 70% Profits
 The Duplex is not sold by dealers or in stores. We are Actual Manufacturers, not jobbers, and sell our direct from our factory to you, eliminating all middlemen's profits. That is why we are able to manufacture and deliver the best phonograph made for less than one-third what dealers ask for other makes not as good.
