W. C. MAON, President.  
THOS. J. INGHAM, Sec'y & Treas.

Entered at the Post Office at Laporte, as  
second-class mail matter.  
One week from next Saturday will  
be Memorial Day. Let nothing be  
lacking for its proper observance.

The size of the fish stories do not  
vary much from past seasons, not  
with standing the weather has been  
unpropitious.

The alienists disagree as to the  
manly of Harry K. Thaw. The public,  
however, is of one mind.

Harrisburg knowingly remarks  
that Colonel James M. Guiley ap-  
pears to have the Democratic party  
of Pennsylvania safely in his grasp.  
Of course the Bryan men will  
squirm and make a noise like real  
leaders, but they will discover short-  
ly that the real thing in Democracy  
in Pennsylvania is in Colonel. But  
this does not change the fact that  
William Jennings Bryan will be the  
nominee of the Denver convention.  
The question isn't so much who shall  
be the nominee of that convention,  
however, as who shall boss the  
Democracy of this grand old Com-  
monwealth.

"There! my husband has been  
placed in jail, you can take care of  
his children!" declared Mrs. Michael  
Mart, of New Philadelphia, as she  
walked into the Co. commissioners  
office and presented Commissioners  
Brown, Doyle and Gardner of Potts-  
ville, each with a baby. Then she  
flod and the commissioners had to  
take care of the babies all day until  
the mother was found. The unique  
method employed by the woman  
caused the commissioners to make an  
effort to get her husband's sentence  
reduced as the family is starving.

Women vagrants or those arrested in  
Wilkes-Barre for drunkenness and dis-  
orderly conduct, who cannot pay  
their fines, will in the future be sen-  
tenced to wash windows for six hours  
in the city or charity buildings. Mayor  
Kniffen devised the punish-  
ment yesterday morning when Mary  
May, charged with disorderly con-  
duct, was before him. Men arrested  
on similar charges will be compelled  
to saw ten railroad ties into kindling  
wood lengths.

Wonderful things are performed  
in the world of surgery and the  
learned and famous surgeons are so  
skillful at the present day, in com-  
parison with what is, and has been  
done it would not occasion any  
overly great surprise or amaze-  
ment if cases would be reported  
where a patient had been taken a-  
part and put together again without  
suffering any serious inconvenience

It is reported that the railroads  
are now busy firing the idle engines  
and placing them again in service,  
which means that there is a big in-  
crease in business. Tuesday is re-  
ported to have been one of the busi-  
est days for many months for the  
New York Central at Jersey Shore,  
in firing up the "dead engines" as  
they are termed. A pickup in busi-  
ness is noticed on all railroad lines.

Recent advice from the new naval  
hospital at Fort Lyon, Col., confirms  
the promising report made by Sur-  
geon B. L. Right on duty at that  
sanitarium, regarding the results of  
treating tuberculosis by the use of  
mercury.

All members of the Village Im-  
provement Society are specially re-  
quested to attend the regular meet-  
ing on Tuesday afternoon May 26 at  
the home of Mrs. F. H. Ingham to  
discuss the subject and decide upon  
the advisability of having the meet-  
ing in the afternoon or evening.

ARE YOU A PATRIOT?  
Every patriotic American needs an  
American flag for his home. Partic-  
ularly now that Decoration Day and  
Fourth of July are near at hand.  
We advise our readers to take ad-  
vantage of an exceptional offer made  
by the PHILADELPHIA PRESS; a beautiful  
hand-sewed American flag, size 3 by 5 feet, guaranteed fast  
to sun and rain, worth \$2.00 and the  
daily addition of THE PHILA-  
DELPHIA PRESS, worth \$3.00,  
both worth \$5.00, and to any person  
taking advantage of this offer for \$3.  
50. A good new forty-six star flag  
almost free. Do it to day-to-morrow  
may be too late. Postmasters and  
news dealers everywhere will receive  
your order. Your money will be re-  
turned for the asking, if you are not  
satisfied with the flag. Be patriotic,

We'll pay all freight charges both ways.  
**All the Latest Improvements**  
The Duplex is equipped with a mechanical feed that re-  
lieves the record of all the destructive work of propelling  
the reproducer across its surface. The needle-point is held  
in continuous contact with the inner (which is the more  
accurate) wall of the sound wave groove. These are exclusive  
more perfectly whatever music was put into the record  
when it was made. The Duplex has a device by which the  
weight of the reproducer upon the record may be regulated  
to suit the needs of the occasion, thus greatly preserving  
the life and durability of the records. These are exclusive  
features of the Duplex and can not be had upon any other  
make of phonograph. Plays all sizes and makes of disc
