Alum
in food causes
stomach disorders—Its con-
tinued use means permanent
injury to health.

Following the advice of medical
scientists, England and France have
passed laws prohibiting its use
in bread making.

American housewives
should protect their house-
holds against Alum's wrongs
by always buying pure Grape
Cream of Tartar Baking
Powder.

It's Different
because it is the only
preparation of its kind that

IT'S DIFFERENT because it prints
all the news, and all the news it prints
is true.

IT'S DIFFERENT because it's bright
and brisk, up-to-date and vigorous, but
not yellow.

IT'S DIFFERENT because its only
policy is to tell the truth. It has no
covert or personal interests to promote.
It serves no political ambition, no creed,
no class prejudice, no mere partisan
purpose.

IT'S DIFFERENT because it advocates
equal taxation and battles against the
existing system, which favors the rich
corporation at the expense of the
farmer, the merchant, the manufacturer
and the wage-earner.

IT'S DIFFERENT because it stands
for Republican principles, and makes
war upon all who, under the stolen
name of Republicanism, are disloyal
to those principles.

IT'S DIFFERENT because it believes
manhood and not money should rule.
Therefore it upholds the rights of all,
as against the aggressive power of the
privileged few.

IT'S DIFFERENT because no boss, no
corporation, can control one line of its
space.

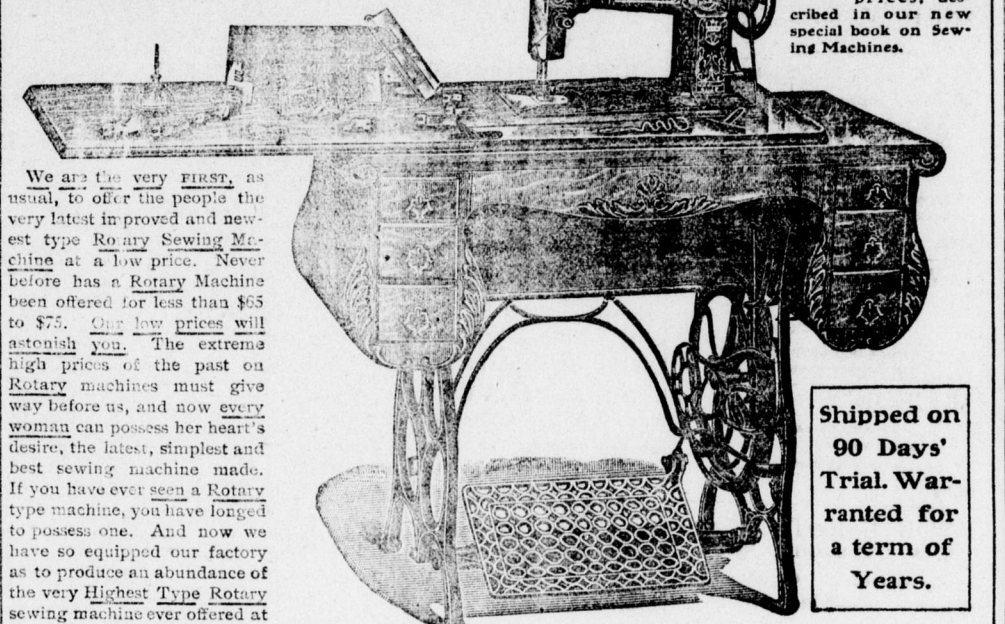

IT'S DIFFERENT because it is non-
sectarian and broad; every party, every
faith, every class, and the workingman
equally with the millionaire, gets a fair
hearing in its columns.

IT'S DIFFERENT because it upholds faith
in humanity, and the progress
of mankind toward
higher ideals, larger
hopes and better living.

THE GREATEST OF ALL MUSICAL INVENTIONS—THE TWO-HORN

DUPLEX PHONOGRAPH

THREE DAYS' FREE TRIAL IN YOUR OWN HOME

The Duplex is the biggest, finest finished, loudest, clearest, sweetest-toned instrument
ever put on the American Market. It is the only phonograph manufactured and sold
DIRECT FROM FACTORY TO YOU on

EASY PAYMENTS

The Duplex is the only phonograph that gives you all the sound vibrations and
sets all the volume of music. This is because of its double vibrating
diaphragms in the sound box, and the two horns to amplify the sound
waves. All other phonographs, with one-sided diaphragm and a single
horn, get only half the music. The Duplex is like a perfectly
formed athlete with both sides developed. Other phonographs are like the one-eyed,
one-legged, one-lunged defectives sometimes seen—capable of doing something, it is true,
but not the best. Don't allow anyone to
persuade you to buy another make of phonograph until you have sent for and received
our splendid

FREE CATALOGUE

which explains fully the superior qualities of
the Duplex. We are the only Company
actually manufacturing phonographs and
selling direct from factory to user. All other con-
cerns are either jobbers and dealers who do not
manufacture what they sell, or are manufacturers
who do not sell direct to the user, but market
their output through jobbers and dealers. Hence,
we can and do

Save All The Dealers' 70% Profit
for our customers. We are content with a fair
manufacturer's profit. When you buy any other
make you pay a profit to the manufacturer, a
profit to the big jobber or distributor, and another
profit to the dealer. We have no agents; but
the Editor of this paper has made investigation
and is satisfied that we give all our customers

THE SQUARE DEAL

and has consented to assist the readers. If this
paper is every way in placing their orders for
the Duplex during the year this advertisement
will run in the paper. When you write for
catalogue, mention this paper and address ex-
actly as below; and when you write ask for
full particulars regarding our

Home Concert Collection
which we sell on Easy Payments. It consists of
the Duplex Phonograph with all the latest
improvements—our mechanical feed which re-
moves the record of all the destructive work of
propelling the reproducer (sound box) and
needle point across its surface; and our weight
regulating device which is the greatest record
ever ever invented. Both these are exclusive
features of the Duplex and can not be had
on any other phonograph. The Home

THREE DAYS' FREE TRIAL

You are not asked to buy the Duplex and Home
Concert Collection "sight unseen" as we used to trade
jackknives when boys at school. We allow you a full three days'
trial at your own residence, in which to decide whether you
will keep it or send it back. If it does not fulfill our every
claim for it, after a careful test for three days, box it up and
send back by freight at our expense—and we'll pay you ad-
vance money back. But (as we feel sure it will) if it pleases
you, keep it and write us and say so; and thirty days after-
ward send us your first monthly payment, or pay it over to
the Editor of this paper, who is authorized to receive
monthly payments and send them. And each thirty days
make a similar payment until all the installments are paid.
This is the largest map in phonographs ever offered to the
public. No harm in investigating it, at any rate. Talk to
the Editor of this paper; ask him to send in for a catalogue
and terms for you, or write direct, mentioning this paper, to

DUPLEX PHONOGRAPH CO., 31 Rose St., Kalamazoo, Mich.

NOTE:—The undersigned has made careful investigation and finds that the Duplex Phonograph Company
give their customers fair and honorable treatment, and advises readers of this paper to send for catalogue and
further particulars. It costs nothing but a postage stamp or a postal card to try. If you do not wish to take the
trouble to write, give me your name and address and I'll do the asking. And I'll see that you get a square
deal. Always mention this paper when you write.
