ALUM**

Alum in food causes stomach disorders—Its continued use means permanent injury to health.

Following the advice of medical scientists, England and France have passed laws prohibiting its use in bread making.

American housewives should protect their households against Alum's wrongs by always buying pure Grape Cream of Tartar Baking Powder.

**IT'S DIFFERENT**

**THE NORTH AMERICAN  
(PHILADELPHIA)**

**IT'S DIFFERENT**, because it prints all the news, and all the news it prints is true.

**IT'S DIFFERENT**, because it's bright and brisk, up-to-date and vigorous, but not yellow.

**IT'S DIFFERENT**, because its only policy is to tell the truth. It has no covert or personal interests to promote. It serves no political ambition, no creed, no class prejudice, no mere partisan purpose.

**IT'S DIFFERENT**, because it advocates equal taxation and battles against the existing system, which favors the rich corporation at the expense of the farmer, the merchant, the manufacturer and the wage-earner.

**IT'S DIFFERENT**, because it stands for Republican principles, and makes war upon all who, under the stolen name of Republicanism, are disloyal to those principles.

**IT'S DIFFERENT**, because it believes manhood and not money should rule. Therefore it upholds the rights of all, as against the aggressive power of the privileged few.

**IT'S DIFFERENT**, because no boss, no corporation, can control one line of its space.

**IT'S DIFFERENT**, because it is non-sectarian and broad; every party, every faith, every class, and the workingman equally with the millionaire, gets a fair hearing in its columns.

**IT'S DIFFERENT**, because it upholds faith in humanity, and the progress of mankind toward higher ideals, judges hopes and better living.

**IT'S DIFFERENT**. It will continue to be different. Watch The North American and see it grow.

THE GREATEST OF ALL MUSICAL INVENTIONS—THE TWO-HORN

**DUPLEX PHONOGRAPH**

THREE DAYS' FREE TRIAL IN YOUR OWN HOME

The Duplex is the biggest, finest finished, loudest, clearest, sweetest-toned instrument ever put on the American Market. It is the only phonograph manufactured and sold DIRECT FROM FACTORY TO YOU on

**EASY PAYMENTS**

The Duplex is the only phonograph that gives you all the sound vibrations and gets all the volume of music. This is because of its double vibrating diaphragms in the sound box, and the two horns to amplify the sound waves. All other phonographs, with one-sided diaphragm and a single horn, get only half the music. The Duplex is like a perfectly formed athlete with both sides developed. Other phonographs are like the one-eyed, one-legged, one-lunged defectives sometimes seen—capable of doing something, it is true, but not the best. Don't allow anyone to persuade you to buy another make of phonograph until you have sent for and received our splendid

**FREE CATALOGUE**

which explains fully the superior qualities of the Duplex. We are the only Company actually manufacturing phonographs and selling direct from factory to user. All other concerns are either jobbers and dealers who do not manufacture what they sell, or are manufacturers who do not sell direct to the user, but market their output through jobbers and dealers. Hence, we can and do

Save All The Dealers' 70% Profit for our customers. We are content with a fair manufacturer's profit. When you buy any other make you pay a profit to the manufacturer, a profit to the big jobber or distributor, and another profit to the dealer. We have no agents; but the Editor of this paper has made investigation and is satisfied that we give all our customers

**THE SQUARE DEAL**

and has consented to assist the readers of this paper in every way in placing their orders for the Duplex during the year this advertisement will run in the paper. When you write for catalogue, mention this paper and address exactly as below; and when you write ask for full particulars regarding our

Home Concert Collection which we sell on Easy Payments. It consists of the Duplex Phonograph with all the latest improvements—our mechanical lead which relieves the record of all the destructive work of propelling the reproducer (sound box) and needle point across its surface; and our weight regulating device which is the greatest record saver ever invented. Both these are exclusive features of the Duplex and can not be had on any other phonograph. The Home

Concert Collection contains 16 of the best ten-inch records that money can buy, all specially selected to give a variety of music so that a dozen people of the most varied tastes can be given a two hours' entertainment at your home and each will be sure to hear at least one or more selections that will give delight. These sixteen records contain the best band and orchestra music, instrumental and vocal solos, vocal duets and quartets, talking pieces, comic songs, sacred pieces, etc. We make the selections, because we know how to choose the best pieces. That's part of our business. We put in 600 assorted needles—four different kinds, capable of producing music soft and sweet and low enough for the sick room, or loud and joyous enough to be a source of picknicks. We put in a bottle of 3-in-1 oil, a first-class oil can, a can of Monarch metal polish, and a great needle box. This collection is intended to give you, without buying another cent's worth, 180 days and evenings of entertainment, and we give you six months to pay for it, a small payment down and 25 small monthly installments.

**THREE DAYS' FREE TRIAL**

You are not asked to buy the Duplex and Home Concert Collection "right unseen," as we used to trade jack-knives when boys at school. We allow you a full three days to try it at your own residence, in which to decide whether you will keep it or send it back. If it does not fulfill our every claim for it, after a careful test for three days, box it up and send back by freight at our expense—and we'll pay you advance money back. But (as we feel sure it will) if it pleases you, keep it and write us and say so; and thirty days afterward send us your first monthly payment, or pay it over to the Editor of this paper, who is authorized to receive monthly payments and send them in. And each thirty days make a similar payment, until all the installments are paid. This is the biggest snap in phonographs ever offered to the public. No harm in investigating it, at any rate. Talk to the Editor of this paper: ask him to send in for a catalogue and terms for you, or write direct, mentioning this paper, to

**DUPLEX PHONOGRAPH CO., 31 Rose St., Kalamazoo, Mich.**

NOTE:—The undersigned has made careful investigation and finds that the Duplex Phonograph Company give their customers fair and honorable treatment, and advises readers of this paper to send for catalogue and further particulars. It costs nothing but a postage stamp or a postal card to try. If you do not wish to take the trouble to write, give me your name and address and I'll do the asking. And I'll see that you get a square deal. Always mention this paper when you write. CHAS. L. WING, Editor.
