Alum
in food causes
stomach disorders—Its con-
tinued use means permanent
injury to health.

Following the advice of medical
scientists, England and France have
passed laws prohibiting its use
in bread making.

American housewives
should protect their house-
holds against Alum's wrongs
by always buying pure Grape
Cream of Tartar Baking

IT'S DIFFERENT

**THE NORTH AMERICAN
(PHILADELPHIA)**

IT'S DIFFERENT, because it prints
all the news, and all the news it prints
is true.

IT'S DIFFERENT, because it's bright
and brisk, up-to-date and vigorous, but
not yellow.

IT'S DIFFERENT, because its only
policy is to tell the truth. It has no
covert or personal interests to promote.
It serves no political ambition, no creed,
no class prejudice, no mere partisan
purpose.

IT'S DIFFERENT, because it advocates
equal taxation and battles against the
existing system, which favors the rich
corporation at the expense of the
farmer, the merchant, the manufacturer
and the wage-earner.

IT'S DIFFERENT, because it stands
for Republican principles, and makes
war upon all who, under the stolen
name of Republicanism, are disloyal
to those principles.

IT'S DIFFERENT, because it believes
manhood and not money should rule.
Therefore it upholds the rights of all,
as against the aggressive power of the
privileged few.

IT'S DIFFERENT, because no boss, no
corporation, can control one line of its
space.

IT'S DIFFERENT, because it is non-
sectarian and broad; every party, every
faith, every class, and the workingman
equally with the millionaire, gets a fair
hearing in its columns.

IT'S DIFFERENT, be-
cause it upholds faith in
humanity, and the pro-
gress of mankind toward
higher ideals, larger
hopes and better living.

**ONE
CENT

where**

IT'S DIFFERENT. It will continue to
be different. Watch The North Ameri-
can and see it grow.

THE GREATEST OF ALL MUSICAL INVENTIONS—THE TWO-HORN

DUPLEX PHONOGRAPH

THREE DAYS' FREE TRIAL IN YOUR OWN HOME

The Duplex is the biggest, finest finished, loudest, clearest, sweetest-toned instrument
ever put on the American Market. It is the only phonograph manufactured and sold
DIRECT FROM FACTORY TO YOU on

EASY PAYMENTS

The Duplex is the only phonograph that gives you all the sound vibrations and
gets all the volume of music. This is because of its double vibrating
diaphragms in the sound box, and the two horns to amplify the sound
waves. All other phonographs, with one-sided diaphragm and a single
horn, get only half the music. The Duplex is like a perfectly
formed athlete with both sides developed.
Other phonographs are like the one-eyed,
one-legged, one-lunged defectives sometimes
seen—capable of doing something, it is true,
but not the best. Don't allow anyone to
persuade you to buy another make of phono-
graph until you have seen for and received
our splendid

FREE CATALOGUE

which explains fully the superior qualities of
the Duplex. We are the only Company
actually manufacturing phonographs and
selling direct from factory to user. All other com-
panies are either jobbers and dealers who do not
manufacture what they sell, or are manufacturers
who do not sell direct to the user, but market
their output through jobbers and dealers. Hence,
we can and do

Save All The Dealers' 70% Profit,
for our customers. We are content with a fair
manufacturer's profit. When you buy any other
make you pay a profit to the manufacturer, a
profit to the big jobber or distributor, and another
profit to the dealer. We have no agents; but
the Editor of this paper has made investigation
and is satisfied that we give all our customers

THE SQUARE DEAL

and has consented to assist the readers of this
paper in every way in placing their orders for
the Duplex during the year this advertisement
will run in the paper. When you write for
catalogue, mention this paper and address ex-
actly as below; and when you write ask for
full particulars regarding our

Home Concert Collection
which we sell on Easy Payments. It consists of
the Duplex Phonograph with all the latest
improvements—our mechanical feed which re-
lieves the record of all the destructive work of
propelling the reproducer (sound box) and
needle point across its surface; and our weight
regulating device which is the greatest record
saver ever invented. Both these are exclusive
features of the Duplex and can not be had
on any other phonograph. The Home

Concert Collection contains 16 of the best ten-
inch records that money can buy, all specially
selected to give a variety of music so that a
dozen people of the most varied tastes can be
given a two-hour entertainment at your home
and each will be sure to hear at least one or more
selections that will give delight. These sixteen
records contain the best band and orchestra
pieces, instrumental and vocal solos, vocal duets
and quartets, talking pieces, comic songs, record
pieces, etc. We make the selections, because we know
how to choose the best pieces. That's part of our busi-
ness. We put in 800' assorted, needle-free different
kinds, capable of producing music soft and sweet and
loud enough for the sick room, or loud and joyous enough
for a crowd of picnickers. We put in a bottle of 3-in-1
oil, a first-class oil can, a can of Monarch metal polish,
and a great needle box. This collection is intended to give
you, without buying another cent's worth, 180 days and
evenings of entertainment, and we give you six months to pay
for it, a small payment down and six small monthly installments.

THREE DAYS' FREE TRIAL

You are not asked to buy the Duplex and Home
Concert Collection "sight unseen" as we used to trade jack-
knives when boys at school. We allow you a full three days'
trial at your own residence, in which to decide whether you
will keep it or send it back. If it does not fulfill our every
claim for it, after a careful test for three days, box it up and
send back by freight at our expense—and we'll pay your ad-
vance money back. But (as we feel sure it will) if it pleases
you, keep it and write us and say so; and thirty days after-
ward send us your first monthly payment, or pay it over to
the Editor of this paper, who is authorized to receive
monthly payments and send them in. And each thirty days
make a similar payment until all the installments are paid.
This is the biggest snap in phonographs ever offered to the
public. No harm in investigating it, at any rate. Talk to
the Editor of this paper; ask him to send in for a catalogue
and terms for you, or write direct, mentioning this paper, to

DUPLEX PHONOGRAPH CO., 31 Rose St., Kalamazoo, Mich.

NOTE:—The undersigned has made careful investigation and finds that the Duplex Phonograph Company
give their customers fair and honorable treatment, and advises readers of this paper to send for catalogue and
further particulars. It costs nothing but a postage stamp or a postal card to try. If you do not wish to take the
trouble to write, give me your name and address and I'll do the asking. And I'll see that you get a square
deal. Always mention this paper when you write.
