Choose Your Words.

A lady who was very plain looking called on a friend.

This friend's little girl came into the room and her mother introduced her.

"But, mamma, isn't she awfully homely," said the "young hopeful."

"Why, Laura, you mustn't say such things, it isn't polite."

"I meant it only as a joke."

"But, dear, how much more of a joke it would have been if you had said 'how pretty she is.'"

Household Reform.

The reform that applies itself to the household must not be partial. It must correct the whole system of our social living. It must come with plain living and high thinking; it must break up caste, and put domestic service on another foundation. It must come in connection with a true acceptance by each man of his vocation, not chosen by his parents or friends but by his genius, with earnestness and love.—Emerson.

Four.

Arabian proverb: Men are four; he who knows, and knows he knows—he is wise—follow him. He who knows, and knows not he knows—he is asleep—wake him. He who knows not, and knows not he knows not—he is a fool—shun him. He who knows not, and knows he knows not—he is a child—teach him.

Ancients Were Wise.

Barbers, in the early days of the Christian era, were not permitted to talk while shaving a patron. Indeed, silence was so much appreciated by persons while under the barber's hands that mutes were preferred for this service.

Enormous Sum Spent on Roads.

Mr. John Burns stated in the parliamentary papers that the cost of maintaining and cleansing the public roads of London in the year 1907-08 was £1,469,291.—London Mail.

Sport Notes.

"Many a man," said Uncle Eben, "thinks he's havin' a tremendous big time as a sport when he is merely goin' through de imitation of de 'Down-and-Out club.'"

You Don't Know How Easy It Is To Cook

Perhaps your folks are among the few in this town who have never had a taste of Beardsley's Shredded Codfish. Perhaps you are one of the women who have a mistaken prejudice. Perhaps you think that because this is a fish food, it is too much trouble to cook. Perhaps you think that it scents up the kitchen. Please let us point out your mistake. For this is one of the world's choicest foods. And we don't want your family to miss it.

Nothing Else Half As Good

Nothing else half as good for breakfast or lunch is so easy to prepare as this. Beardsley's Shredded Codfish is ready to cook the instant you open the package. No bones to pick out—no washing—no soaking—no boiling. Our patented Shredding Process saves you all that. And it makes the meat fine and fluffy and dainty. This shredded meat cooks almost the minute heat reaches it. Any way that you serve it, you can have it ready for the table in less time than it takes to make coffee.

Not Like Other Fish

Beardsley's Shredded Codfish isn't at all like the old-fashioned dried codfish. There's none of that strong taste. And none of the odor in cooking. For we use only the choicest fish—the plump and fattest—the finest that come out of the deep. We get them from Northern waters. Where they attain a superlative flavor. And we take only the best part of each fish—the sweetest, most delicate meat.

Have It Tomorrow

Now that you know you were wrong in thinking Beardsley's Shredded Codfish a bother to cook, why not try it tomorrow—"fish-day"? Just to see what a delicious breakfast or lunch you will have. A package will cost you only 10 cents. And it makes a full meal for five. There is other codfish in packages. But no other Shredded Codfish. No other kind you will like half as well as ours. So please see that you get Beardsley's—the package with the red band.

Get This Free Recipe Book

Ask your grocer for our book of tempting new recipes. Or write us—we will send you the book, and with it a generous sample of Beardsley's Shredded Codfish.

Old Boreas is a cold hearted ceazer judging from the way he allows mother earth to bask in the radiance of Sol's smiling countenance until the perspiration trickles down her face, then freezes her with a scowl which makes her appear like a glass ball covered with soft soap, causing much disaster to the smooth shod pedestrian.

When you go in the post-office just leave those items of news you happen to know. We like to talk about people and the News Item is our talking machine, but with the duties of editor, manager, devil, and everything down to keeping the office cat out of the ink pot, on our hands, it is impossible for us to get all the news. If you will kindly pass in the items, we will spread the ink on them and serve them to you in a style a la interestable.
