## Breakfast Ready in Ten Minutes

You can save a surprising amount of bother and trouble tomorrow by serving Beardsley's Shredded Codfish for breakfast.

You can have this delicious fish food ready for the table in less time than it takes to make coffee.

It is ready to cook—the instant you open the package. No bones to pick out—no washing—no soaking—no boiling. We have done all that for you.

And please don't think that there's any "fish-odor" in cooking. Instead, there's a tempting, savory smell—a smell that will make you hungry.

### Sweet-Flavored Fish

Beardsley's Shredded Codfish doesn't taste at all like the old-fashioned dried codfish.

And it's wrong to judge it by any other kind that comes in packages.

There's no other fish food in existence half so delightful in flavor.

For we use only the choicest fish—the fattest and plumpest—the finest that come out of the deep.

We get them from Northern waters.

Fish caught elsewhere can't compare with the cod we use.

Then we take only the choicest part of each fish—the sweetest, most delicately flavored meat. So there's no strong taste whatever.

### Tempting Ways To Serve It

Beardsley's Shredded Codfish means pleasing variety in meals.

There are so many appetizing ways to prepare it your family will never tire of it. Most people want it at least once a week, either for luncheon or breakfast.

Each package makes a full meal. And the cost is only 10 cents.

So order a package today. And please see that you get Beardsley's—the package with the red band. For Beardsley's is the only Shredded Codfish. Our wonderful Shredding Process is patented.

Beardsley's is the kind all people like.

### Free Book of Recipes

Your grocer will give you a free book of new recipes you'll want to try. Or write us—we'll send you the book, and with it a generous sample of Beardsley's Shredded Codfish.
