TRENTON CAR MEN WIN ALL DEMANDS Business Men Force Settlement After Day of Riot Ending in Probable Double Murder.

Trenton, N. J., Mar. 15.—A double shooting, as a result of which one man will die, marked the ending of the strike of employees of the Trenton Street Railway Company, the men getting practically all their demands.

At least fifteen men were injured during the rioting. Three strike-breakers are in hospitals, one is supposed to be drowned, having been thrown into the Assanpink Creek by a mob, and five are in jail.

Trenton business men brought about a termination of the strike. The men get increased pay—twenty-three cents an hour—the abolition of an objectionable "swing" system and the substitution of a ten hour day; the reinstatement of all employees discharged for union activity and an agreement to arbitrate all future disputes.

This ends a two days' strike that has been the most serious in the city's history. The victory for the men is due largely to the fact that public sentiment was universally behind them. Hardly any one rode in the few cars that were operated during the strike.

STRIKE HARD ON MERCHANTS. Philadelphia Business Men Pleaded Peace. Philadelphia, Mar. 14.—The United Business Men's Association, which is composed of merchants whose trade has been hurt most by the general strike, put several peace movements in motion this afternoon.

They voted enthusiastically for every plan suggested from an appeal to President Taft to the threat of a receivership for the Philadelphia Rapid Transit Company.

The big labor movement has resulted in the granting of certain concessions to workmen in at least two of the big industrial plants of the city. At Baldwin's Locomotive Works, where the sympathy strikers succeeded in bringing out 2,211 men, according to the company's statements, the men have been granted a half holiday on Saturday.

Cars are now running in greater number than since the strike began. Washington, Mar. 14.—President Taft was appealed to to use his good offices to stop the general strike in Philadelphia. The appeal came in a telegram from E. E. Greenwald, President of the State Federation of Labor of Pennsylvania.

2,000 IN PAPER TRUST STRIKE. Third Brigade and a Troop of Cavalry Under Orders. Albany, N. Y., Mar. 14.—Gov. Hughes and Brig. Gen. James H. Lloyd, commanding the Third Brigade, National Guard, conferred regarding the threatened situation caused by the strike of the employees of the International Paper Company throughout the State. It is understood that all organizations in Gen. Lloyd's brigade are practically under waiting orders, including the Second Battalion, Tenth Infantry and Troop B (cavalry) of Albany.

J. T. Carey, President of the International Brotherhood of Pulp and Paper Makers, said at Watertown that there were 2,000 employees of the International Paper Company on strike.

INSURANCE AND BALLOONING. Claims May Be Collected if Flights are Only a Diversion, Says Court. Denver, Col., Mar. 14.—If ballooning is indulged in as a diversion, insurance money may be collected in case of accident or death, according to a Supreme Court decision today in a case to recover \$2,000 insurance upon the life of Frank Van Fleet, who was killed in a balloon accident at Grand Junction.

LIEUT. JANNEY KILLS HIMSELF. Wife of Infantry Officer in Manila Sees Him Do It. Manila, Mar. 15.—Lieut. Clarence M. Janney of the Twelfth Infantry killed himself with a pistol in the home of Lieut.-Col. Ames at Fort McKinley at a dinner party before a dance. There were present at the time Mrs. Janney, Lieut.-Col. Ames and other officers.

Lieut. Janney, it is said, left the dinner table, having become angry at something, and left the house. He returned in a short time and fired his pistol into the air outside. Then he re-entered the house, flourishing his revolver and shot himself, standing near the dinner table.

Second Lieut. Janney enlisted in the regular army from Virginia in 1903, when he was 22 years old.

KILLS TWO AND HIMSELF. Farmer Clubs Father-in-Law, Cuts Wife's Throat, and Shoots Himself. Ithaca, Mich., Mar. 14.—As the result of a family quarrel, in which his wife took sides with her father, William Davidson, a farmer living near this place, struck his father-in-law, Julius Teet, with the butt end of a shotgun this afternoon, killing him instantly. Getting a razor, he cut his wife's throat, and after making sure she was dead blew out his own brains.

A nine-month-old baby sleeping in an adjacent room was not injured.
