### Republicans Stand By Your Flag!

The political party that controls the government of the state, or the nation, is justly held responsible for the unpopular laws that are passed. Many Republicans are dissatisfied with the tariff law recently enacted by congress because it is not exactly as they wanted it, and are about to make the mistake of going over to the Democratic party or its adjunct and annex, the Keystone party.

The new tariff is an improvement on the old, and the best the president could get enacted. In a republican government the majority must rule. The inequalities in the tariff can be rectified without deserting the party. Very unreasonably these dissatisfied Republicans blame their party for the dishonesty of some of its officials. There was a traitor among the twelve disciples but no one would think of blaming Jesus Christ or his church for the crime of Judas Iscariot. There is a story of a man who became frantic at the destruction of his barn grain by the rats, and burned the barn to get rid of the rodents. That man was foolish. The rats could have been gotten rid of without this radical remedy.

There had been some "whiskey ring frauds" and "star route scandals" under Republican administrations, and for this reason Carl Shurz, Henry Ward Beecher and other influential Republicans made the mistake of joining the Democrats and electing Grover Cleveland instead of James G. Blaine, one of the foremost, talented and experienced statesmen in the nation.

Mr. Cleveland was better than his party, but could not control it and when the Wilson free trade tariff bill was passed by a Democratic congress he had not the courage to veto it, but allowed it to become a law without his signature. This Wilson Democratic tariff did not produce revenue enough to defray the regular expenses of the

government and Mr. Cleveland was obliged to borrow gold at an exorbitant rate of interest in order to pay the interest on the public debt.

Borrowing money to pay the interest one borrowed money, was the result of Democratic ascendancy in 1884. Those dissatisfied Republicans whose votes elected Cleveland lived to see their mistake. The Democratic measures produced a money panic with hundreds of mercantile failures in every part of the country, closed factories and work shops and threw tens of thousands of laborers out of employment and the only means of earning their daily bread and supporting their families. The hard times continued until the Republican party was restored to power and the McKinley tariff enacted.

### Stanley Ketchel Slain.

W. A. Hertz, the slayer of Stanley Ketchel, the middleweight champion pugilist, has been captured near Nangan, Mo., seventeen miles from the scene of the shooting.

Ketchel was shot while eating breakfast and died after being removed to a hospital in Springfield.

With the arrest of Mrs. Goldie Smith, who posed as the wife of the pugilist's slayer, the police have discovered another motive for the crime.

Mrs. Smith has signed a statement to the effect that Ketchel insulted her on the morning of the day the shooting took place, and that news of the conversation that offended her so inflamed Hertz that he was greatly wrought up.

The police are inclined to believe Mrs. Smith's story.

Following is the statement signed by Mrs. Smith:

"While I was working in the house Ketchel insulted me. I became angry. He was greatly wrought up over the incident and pleaded with me not to say anything to Hertz. He said he would give me the best team of horses on the farm if I would keep quiet. I made him no promise.

"When Hertz came home I told him what Ketchel had said to me. He was very angry. I think that is what caused him to kill Ketchel."

# FURNITURE

## From Factory to Home at Factory Prices

We can save you more money on furniture this year than ever before and that means we can save you more money than anyone else can save you at home or elsewhere.

The largest, the best factories in this country supply us with furniture and we ship the goods to you at factory cost with just one small margin of profit added. This makes our prices just about the prices the average retailer pays when he buys from the wholesaler or manufacturer, because our quantity purchases are so large that in many cases we take the entire output of the factory, which gives us a price reduction which we pass along to you in the form of lower prices. Our stocks are very large, our varieties are greater than ever and our qualities and prices unequalled. The manager of our furniture department, who has spent a lifetime in this business, is in close touch with the best markets, and as a result we offer you the newest patterns, the finest materials, the best possible cabinet work. Retail furniture dealers with their small sales and large expenses cannot begin to give you such values as we give you. Their methods of handling furniture make it necessary for them to ask more than our low prices on goods of equal quality. Then, too, they do not carry the complete stocks we show.

You can get anything for any room in the house from us, and at a price which you will be willing to pay. All furniture carefully packed with safe delivery guaranteed to your nearest railway station.

### Furniture Catalogue Free

We have just printed a new furniture, carpet and rug catalogue showing our complete lines for 1910-11. All the newest things from all the best factories and wonderfully low priced. We have a copy of this book ready to mail to you and you can't afford to buy anything in the way of furniture, carpets, rugs, lace curtains or furnishing goods of any sort until you have first written us a letter or a postal card and asked for a free copy of this book. From its pages you can buy as satisfactorily and much more economically than if you were to visit the largest furniture stores in the great cities. Every article is fully illustrated and accurately described, and with this book before you you can make a comparison of qualities, sizes, prices, etc., which will enable you to buy just what you want. Remember we guarantee our quality, we guarantee prompt service and that we will save you money over the usual retail price. Send for this free catalogue today addressing us at the store nearest you, 19th and Campbell Sts., Kansas City; Chicago Avenue Bridge, Chicago.
