"I am all right now, thanks to Dr. Miles' Heart Remedy."

The same relief is ready for you. Are you sure you do not need it? If Dr. Miles' Heart Remedy helped Charles Holmes, why won't it help you?

"I was troubled with heart disease, and after reading about Dr. Miles' Heart Remedy, I got a bottle. Before I got the Heart Remedy I had to sit up most of the night, and felt very bad at my stomach. Whatever I would eat made me feel worse, and my heart beat very fast. But thanks to Dr. Miles' Heart Remedy, I am all right now. I eat good, sleep good, and feel like a new man, although I am almost 68 years old. I have been a soldier in the late war of the rebellion, and was badly wounded." CHARLES HOLMES, Private Co. B, 54th N. Y. Infantry Volunteers, Walton, Delaware Co., N. Y.

The lawn fete given by the V. I. S. in Maple Park last Friday evening was a booming success, and the ladies of the V. I. S. feel greatly gratified at the manner in which the people of Laporte and vicinity responded to this call for assistance in improving the village. The minstrel show given on this occasion in the school house auditorium by the young people, also proved a big success and was thoroughly enjoyed by a large audience.

At the last commencement of the Lock Haven State Normal School, a large class graduated and it is interesting to note that the graduates of this high grade Normal School have no difficulty in securing positions as teachers. Several young men were elected to positions as teachers with salaries ranging from eighty to ninety dollars a month. Thirty-two of the graduating class had experience as teachers and they now have lucrative positions for next year. Many improvements are being made during the summer so that when school opens on September 11th, everything will be in first class shape for the large school that is sure to enroll.

The Ideal Summer Resort.

Laporte, 2,200 feet above sea level, is the ideal summer resort of Northern Pennsylvania. Here each summer gather a large number of city dwellers, who seek to escape the intense heat of the city and enjoy the health giving air of the high altitude and enjoy the aquatic pleasures afforded by Lake Mokoma a beautiful mountain lake located in a picturesque valley a few minutes walk from town. The banks of Lake Mokoma are the chosen camping grounds of those who wish to spend a short time near to the breast of Mother Nature, and the mountain sides echo with the merry hail of the campers.

It is located on the scenic W. & N. B. railroad, whose tracks curve through wild woodland, valleys and across mountain streams from Williamsport to Satterfield. The camping facilities of Lake Mokoma are unexcelled at any summer resort in the state. The boating and bathing are of the best, while the large, new power boat, with a capacity of one hundred passengers, recently launched upon its beautiful waters adds greatly to its attraction.

Dry Aviation Meet.

The aviation meet at Elmira on Friday afternoon was rather a dry affair, as far as the aviators were concerned. The aviators had planned for a "wet" meeting. They had placed a case of beer where they could occasionally between trips in the air, take a pull at a cold bottle. A party of highly honored Sayre men, men who are considered highly honorable in Sayre business circles, found that case and what they did to it made the aviation meet a dry affair.—Sayre Times Record.

Come to Laporte.

It is a rare pleasure to find a place for a quiet vacation rest where no telephones tinkles, no automobiles honks and locomotive shrieks. At such a place one is given a chance to renew acquaintances with nature. Then you will have time to think. You will have time to commune with yourself, and that will benefit greatly the wearied mind and body.—Towanda Review.

If you are thinking of taking a vacation Brother Baker, come to Laporte, one of the finest summer resorts in the state.

Nonsense.

I took her to Lake Mokoma
For her name was Naoma.
We rode upon the merry-go-round
And well nigh ran aground;
We took a ride in a row-boat,
But the boat refused to float.
Lets try the Clinton Lloyd she squealed,
We were soon aboard with Maben at the wheel,
But the Clinton Lloyd was out for a lark,
And the sparker wouldn't spark.

I went to breezy Gotham,
And visited the zoo.
I wished to see the nimble bok,
The zebra and the gnu.
And there I found a mighty mob
And cried, "What is it now?"
And butted through the gaping crowd
And saw a Jersey cow!—Ex.

QUALITY

When people realize that it is not the quantity for the money, so much as the quality that counts, then they will patronize the store which does business in good pure goods. Cut prices often mean cut qualities. Our prices are as low as good goods will allow. Our goods are not of the cheap mail-order variety. When comparing prices do not forget to compare qualities. If you find the prices lower than ours, then you will find the qualities inferior—generally "bargain house" job lots.

Ask us to show you why our stock is superior.
