"I Suffered Intense Pains in My Left Side."

Do you realize it is better to be safe than sorry, that it is the best policy to lock the stable door before the horse is stolen?

Dr. Miles' Heart Remedy

cured Mrs. C. C. Gokey, of a stubborn case of heart disease, such as thousands are now suffering with. Read what she says:

"Before I began taking Dr. Miles' Heart Remedy I had been suffering from heart trouble for over five years. I had grown so weak that it was impossible for me to do thirty minutes work in a whole day. I suffered intense pains in my left side and under the left shoulder blade, I could not sleep on the left side, and was so short of breath that I thought I should never be able to take a full breath again. The least excitement would bring on the most distressing palpitation. I had scarcely taken a half-bottle of the Heart Remedy before I could see a marked change in my condition. I began to sleep well, had a good appetite, and improved so rapidly that when I had taken six bottles I was completely cured."
MRS. C. C. GOKEY, Northfield, Vt.

If you have any of the symptoms Mrs. Gokey mentions, it is your duty to protect yourself.

is what you need. If the first bottle fails to benefit, your money is returned. Ask your druggist.

SHOT BY PEEPING NEGROES

Circus Watchman is the Victim of Blacks Looking in Women's Dressing Room.

Louisville, Ky.—Thomas McCormick, aged 36, watchman for the Barnum & Bailey circus, was fatally shot during the performance here one night recently. Will Anty, a negro, is under arrest for the crime.

McCormick found two negroes peeping into the tent used by women performers for a dressing room. He remonstrated with them and they went away. A second time he caught the peepers and calling an assistant made ready to eject them from the enclosure. One of the negroes then drew a revolver and shot McCormick.

WEALTHY FARMER IS ATTACKED BY AN OWL

Suffering From Wounds Inflicted in Broad Daylight by Infuriated Bird.

West Alexander, Pa.—His furious fight with a huge owl may be fatal to Philip Cruzan, a wealthy farmer, who is suffering from terrible wounds inflicted in the battle at his home. Cruzan, who is very feeble, while walking across his front yard was struck in the face by the owl, which in its blind flight apparently collided with him unintentionally.

The big bird fastened its talons in Cruzan's collar and aimed a vicious at-

tack with its beak at the aged man's face. Cruzan was unable to tear the bird, which was a tremendous one of its species, from its hold. The owl appeared unusually ferocious in its attack and soon had Cruzan blind from the blood which coursed over his eyes. Exhausted, he finally sank to the ground, where he was completely at the mercy of the owl. He was found some time later unconscious, with the owl still pecking and clawing him with beak and talons.

Ladies Swipe R. R. Towels.

San Francisco, Cal.—Twenty-one thousand dollars' worth of towels were "lost" by the Southern Pacific railroad last year and from that reason women who ride on its trains and boats will be compelled to furnish their own towels hereafter.

Funeral for Live Corpse.

Pottsville, Pa.—Relatives of Peter Magal, who was an inmate of the Schuylkill county almshouse, several miles south of this place, were notified of his death and made preparations for his funeral. When the undertaker received the remains at Shenandoah the mourners crowded around in tears. When the casket was opened it was found the body was not that of their relative. Indignant, the family of the dead man sent the undertaker to the almshouse to get the right body. When he reached the institution he found Magal hale and hearty. The body shipped in mistake was that of Charles Gardin. It was promptly sent back and consigned to the anatomical board.

Hammond, Wis.—The three-year-old daughter of Albert Franks, a beet sugar picker, fell into an open rain barrel and drowned.

Don't Read This.

Well sir, this week we wish to publicly acknowledge that we are a fit subject for a lunatic asylum, that is a pretty strong statement, but we believe we can prove it. How many of our readers noticed that last week the News Item was dated December 3, instead of November 3, 1911. Now any person that can't distinguish the difference between the month of stuffed turkey, cranberry sauce and the stomach ache and the month of Santa Claus should never be allowed to run at large.

Baby in Fireless Cooker.

Willows, Cal.—A fireless cooker has come to the rescue of Mr. and Mrs. A. E. Pieper of this place in sustaining life in their twin children, born the other day. Curled in separate compartments of this kitchen appliance, the boy, who weighed but two pounds at his birth, and the girl, who weighed three, are sleeping their way to health when not receiving food by aid of a medicine dropper. When the twins were born the doctors declared that an incubator was the only thing that could save their lives. Nothing of the kind was to be found in the vicinity, but the fireless cooker proved equal to the emergency.

QUALITY

When people realize that it is not the quantity for the money, so much as the quality that counts, then they will patronize the store which does business in good pure goods. Cut prices often mean cut qualities. Our prices are as low as good goods will allow. Our goods are not of the cheap mail-order variety. When comparing prices do not forget to compare qualities. If you find the prices lower than ours, then you will find the qualities inferior—generally "bargain house" job lots. Ask us to show you why our stock is superior.

COLE'S Up-To-Date HARDWARE

WHEN you think of buying hardware you naturally ask yourself this question: "What kind of stove, washer, cutlery, gun,"—or whatever it may be—"shall I buy?" Don't ponder over these things, nor spend your time looking at pictures in "cheap goods" mail-order catalogs. Come to our store and let us solve the problem. We have a fine variety of standard goods to choose from. When you think of HARDWARE think of COLE'S.

SANITARY PLUMBING.

We give special attention to Piping, Steam, Hot Water and Hot Air Heating. General job work and repairing in all branches, promptly and skillfully executed
