Drive Away Your Sorrow.

Did you ever feel as though you had lost your best friend Joe, and the world appeared so dark and dreary and you felt so kinda weary, didn't give a continental if it rained or snowed. Well here is a recipe that none other can beat; just put on a smile one that will beguile, and everybody that you meet will smile so sweet, that you will forget its all a sham and your troubles will close the door behind them with a slam.

Likes the West.

Dr. C. D. Voorhees, recently of Sonestown, decided to remove to Oklahoma to practice, and scorning the puny aid of the railroads, he loaded his family into an automobile and made the trip over land, jogging along at a comfortable gait, stopping for a day when he was tired, and covering the 1697 miles in three days less than a month. Incidentally, he thought that if he discovered a place that he liked, he would locate before he got to the new state. Letters received by friends convey the intelligence that he is well pleased with his new location, and will not return east. Canton Sentinel.

QUALITY

When people realize that it is not the quantity for the money, so much as the quality that counts, then they will patronize the store which does business in good pure goods. Cut prices often mean cut qualities. Our prices are as low as good goods will allow. Our goods are not of the cheap mail-order variety. When comparing prices do not forget to compare qualities. If you find the prices lower than ours, then you will find the qualities inferior—generally "bargain house" job lots.

Ask us to show you why our stock is superior.
