COURT PROCLAMATION.

WHEREAS, HON. CHAS. E. TERRY President Judge, Honorables Henry Richlin and R. C. R. Kskinka, Assoc. Judges of the Courts of Oyer and Terminer and General Jail Delivery, Quarter Sessions of the Peace, Orphans' Court and Common Pleas for the County of Sullivan, have issued their precept, bearing date the 10th day of April 1911, to me directed, for holding the several courts in the Borough of Laporte, on Monday the 11th day of November 1911, at 2 o'clock p. m.

Therefore, notice is hereby given to the Coroner, Justices of the Peace and Constables within the county, that they be then and there in their proper person at 2 o'clock p. m. of said day, with their rolls, records, inquisitions examinations and other remembrances to those things to which their offices appertain to be done. And to those who are bound by their recognizance to prosecute against prisoners who are or shall be in the jail of the said county of Sullivan, are hereby notified to be then and there to prosecute against them as will be just.

JUDSON BROWN, Sheriff.
Sheriff's Office, LaPorte, Pa., Nov. 7, 1911.

Mildred and Bernice.

NEWSY PARAGRAPHS FROM THE TWIN TOWNS.

John Osler is home from the Sayre hospital greatly improved in health.

Mrs. Elizabeth Brown and daughters visited relatives here.

Mrs. William Collins is visiting her husband at Clearfield county hospital.

Joseph A. Helsman and son Raymond were Wilkes-Barre visitors last week.

The entertainment given by the Bernice High School on Tuesday and Wednesday evenings were the best held here in some time, everyone rendered their parts to perfection. Great credit is due the teachers for the success obtained.

There is considerable trouble at the present time to decide if M. J. Clemens or Edward Holmes is elected school director. Mr. Clemens received his certificate from the Judge of Elections as the candidate receiving the majority votes, but it seems that after a recount had been made it was discovered that Holmes had two more votes than Clemens.

Edward Pindell of Philadelphia, is visiting at S. A. Deffenbach's at Mildred.

Did the candidates that listened at other peoples' windows hear anything good said of themselves. It is a pretty state of affairs when a candidate and his friends can not meet without someone listening at the windows.

Card of Thanks.

The Ladies of the Village Improvement Society of Laporte, as well as the towns-people generally, are greatly indebted to the Hon. C. W. Sones for generously donating a number of fine posts for the lamps recently placed upon the borough streets by the Society. These street lights have proven a very great convenience and all who have contributed in providing them are entitled to the thanks of the community.

Mrs. E. J. Mullen returned Wednesday evening from a visit to relatives in Towanda, Sayre and Elmira.

SIXTEEN DAYS UNTIL XMAS

Better Food for Less Money

It is Costing You Too Much to Live

Groceries are your biggest item of living expense—hence you watch the cost closely. You may have tried to "cut the cost of living" in many ways and failed to find a satisfactory method.

Here is a way by which you can save one-third of your grocery money each month and at the same time have better food than you have ever had before.

Buy your groceries at wholesale prices from our big pure food grocery department. When the first shipment arrives at your home you will be astounded at the saving you have made. You will check over each item, compare our prices and quality with the prices you have been paying and the goods you have been getting. We know you will be pleased. We know what has been the experience of thousands of others who are now our regular customers.

All our foods are absolutely pure and scrupulously clean.

Samples of every article we sell are tested in our laboratories to make sure that they are fully up to our high standards of purity and wholesomeness. What other grocery store exercises so much care? Where else can you be so thoroughly protected? Our groceries are always fresh. The demands upon our grocery department are so heavy that goods never remain in stock long. For example, our sales run as high as thirty tons of rice a day, two car loads of prunes a day, a carload of raisins a day, thousands of pounds of coffee and tea daily; no merchandise remains long on our shelves growing stale and collecting dirt and dust. Everything is covered, all goods are packed and handled by automatic machinery and no human hand ever touches them. If space permitted, we could give hundreds of reasons why you should buy your groceries here even if you did not save a cent.

We Will Reduce All of Your Expenses

Suppose for a moment that everybody you ever buy anything from—the grocer—the dry goods merchant—the hardware dealer—the tailor—all of them should call on you some fine evening and say, "We have come to tell you that from now on we are going to charge you from 20 to 50 per cent less than you have ever paid us before." You would be about the most surprised person and about the most pleased person in the land, wouldn't you? Of course you would be. Now listen.

We are grocer, dry goods merchant, hardware dealer, tailor and in fact just about the "whole thing" in the matter of supplies of every kind to more than 2,000,000 delighted, satisfied customers. We are saving them from 20 per cent to 50 per cent every day in the year on everything they buy. We will do the same for you, if you will let us. We can and will save you from 20 per cent to 50 per cent on everything you buy and every single cent's worth of merchandise you receive from us will be the best value you ever saw for the price you pay. We guaranteed absolute satisfaction with every purchase or no sale. Return the goods and get your money back plus the transportation charges if you have paid them. Could anything be fairer or more reasonable? Now cast your eye over the list of books just to your right and check the ones that interest you, clip the coupon and mail it to us. You will get the books in a day or two free of charge. Keep your money at home by saving all you can. Start to save now. You will never begin younger.

Pomona Grange Meeting.

The fourth regular meeting of Sullivan Co. Pomona Grange No. 62 met with Fox Grange No. 310 at Shunk Friday and Saturday, Nov. 24 and 25.

Pomona Master M. W. Reeser, called the meeting to order at 1:30 p. m. The report of the delegates present would indicate a steady growth in Grange work.

C. H. Warren in a true patron's manner welcomed the Grange to his place, which was responded to in a like spirit by Master Reeser. The work of the afternoon session consisted of practical talks on Grange subjects, and routine work.

Friday evening session was an open meeting, the program consisting of recitations, singing and an address by Past State Lecturer A. M. Cornell. He took for his subject, "The Mission of the Grange." He said for 40 years the Grange has been trying to broaden our views, bring mankind to a more perfect condition, trying to develop character, culture and citizenship. He explained in detail what tends to make the good citizen.

The rapid concentration of wealth in the hands of the few; the oppression of the strong over the weak; and the inequality of taxation, ar

some of the burning questions of the day, and it is the duty of the good citizen to study these issues, and try with the Grange to find a remedy. We should all remember that mental and moral worth, rank far ahead of wealth.

Saturday morning session was opened by W. M., M. W. Reeser. This was a purely business session, the different committees making their reports, and transacting such business as properly came before the meeting. The place for holding the next meeting is to be decided later. Lack of space forces us to leave out a number of resolutions that were adopted at this meeting.

Our Prepared Felt Roofings are Best and Most Economical

FORGET your roofing troubles. Stop patching up leaky shingle and tin roofs. Buy the new—the modern, the non-leakable—roofing material (Prepared Felt) which is so rapidly taking the place of all others. But, in buying felt roofing, be sure to select the best. There is only one best, and this is Montgomery Ward & Co.'s guaranteed roofing. Why is it the best? Because it has stood tests which no other roofing has stood. It is standing tests to-day which no other roofing can stand. In all climates—under all conditions—it is being used, and always with satisfactory results.

If you want real roofing satisfaction—if you want to know more about this economical, durable roofing of ours—just drop us a card and ask for our roofing book (No. 2). This will tell you how our roofings are made, how they are tested, why they are best. Take this book, compare the prices and you will find that the prices are actually from 20 to 50 per cent lower than you pay elsewhere for inferior roofing. And remember that you take no chance, for we absolutely guarantee our roofing for from 6 to 15 years, according to the quality you buy.
