**HARDWARE**

WHEN you think of buying hardware you naturally ask yourself this question: "What kind of stove, washer, cutlery, gun,"—or whatever it may be—"shall I buy?" Don't ponder over these things nor spend your time looking at pictures in "cheap goods" mail-order catalogs. Come to our store and let us solve the problem. We have a fine variety of standard goods to choose from. When you think of **HARDWARE** think of **COLE'S**.

**SANITARY PLUMBING.**

We give special attention to Piping, Steam, Hot Water and Hot Air Heating. General job work and repairing in all branches, promptly and skillfully executed

**Samuel Cole, - Dushore, Pa.**

**QUALITY**

When people realize that it is not the quantity for the money, so much as the quality that counts, then they will patronize the store which does business in good pure goods. Cut prices often mean cut qualities. Our prices are as low as good goods will allow. Our goods are not of the cheap mail-order variety. When comparing prices do not forget to compare qualities. If you find the prices lower than ours, then you will find the quality inferior—generally "bargain house" job lots. Ask us to show you why our stock is superior.
