Bloomsburg Man Taken For One Who Broke Jail

Sunbury American.
J. Guy Slepny, a prominent Bloomsburg mechanical draughtsman, and well-known in political circles of that town, had a trying experience here early this morning. He got in from Philadelphia, and not being able to catch a train, went to the Central Hotel to get a room. There was none empty, and he started for the City Hotel, when he was promptly arrested by a local officer, on suspicion that he was the man who escaped from jail. It was with difficulty that he finally proved his identity and spent the rest of the night in the City Hotel.

Mayor Stabler and Chief Harder of Williamsport Like Ice Cream

Mayor Stabler and Chief of Police Harder have been looking up the law on the Sunday closing ordinance and they are now convinced more than ever before, that the law can be enforced in this city and several arrests may be made very soon.

It is known to the police department that several places have been doing business on Sunday which the ordinance prohibits and it is quite likely that several of the places will either close next Sunday or their owners will suffer arrest. Ice cream has been pronounced by the supreme court to be food. Chief Harder stated that the department will not go ahead and make the arrest of dealers selling it on Sunday until it is sure that a conviction can be had.

Couldn't Get Coffin Into The Hearse

The body of Isaac Bordner, which was interred in Riverview cemetery, Northumberland, Wednesday afternoon of last week, was the largest corpse that has ever been handled by a Northumberland undertaker. Mr. Bordner was more than seven feet tall and was built in proportion. When the pallbearers, Messrs. Frank Geise, Peter and Frank Neidig, William Knouse, John Rhoades and William Strause, went to remove the casket from the home near Lithia Springs, they found the casket too large to pass through the door and it had to be taken out through a window. More trouble was encountered when the hearse was reached, as the casket was 92 inches long and would not permit the closing of the hearse door. The body was finally hauled to the cemetery in the dead wagon. He was 6 feet 8 inches tall, and weighed 315 pounds.

QUALITY
When people realize that it is not the quantity for the money, so much as the quality that counts, then they will patronize the store which does business in good pure goods. Cut prices often mean cut quality. Our prices are as low as good goods will allow. Our goods are not of the cheap mail-order variety. When comparing prices do not forget to compare qualities. If you find prices lower than ours, then you will find the quality is inferior—generally "big in house" job lots. Ask us to show you why our work is superior.

What Have Manure Spreaders Done For Your Neighbors?

THE next time you see the local dealer, get him to give you the history of some of the IHC manure spreaders he has sold. Then get the story of other spreaders and draw your own conclusions as to which spreader does the best work at the lowest cost. Durability pays. The spreader that does the best work for the longest time is the cheapest to buy. The more you find out about spreaders, the more certain you will be to go to the local dealer and buy an

IHC Manure Spreader Kemp 20th Century Corn King or Cloverleaf

The best spreaders made are the IHC manure spreaders your local dealer sells, and if you give him a chance he will soon convince you of that fact and give you good common-sense reasons for buying an IHC spreader from him.

"The Liver Pills act So Naturally and Easily."
Such a statement, coming from the cashier of a bank, shows what confidence responsible people have in these pills. Mr. A. L. Wilson after trying them wrote:
"I have used Dr. Miles' Nerve and Liver Pills and also your Anti-Pain Pills, on myself, with good results. The Liver Pills act so naturally and so easily that I scarcely know that I have taken a pill. Frequently being troubled with headache I take an Anti-Pain Pill and get immediate relief in every case."
A. L. Wilson, Sparta, Ill.
Mr. Wilson was for a number of years cashier of the First National Bank of Sparta.
Dr. Miles' Nerve and Liver Pills
are different from others. Many kinds of liver pills are "impossible" after one trial on account of their harshness. Dr. Miles' Nerve and Liver Pills do not act by sheer force but in an easy, natural way, without gripping or undue irritation. They are not habit forming.
If the first bottle fails to benefit, your druggist will return the price. Ask him.
