We are in receipt of the handsome prospectus of the Central State Normal school for the summer session, which begins July 1 and continues for five weeks. The courses include psychology, history of education, general and special methods, school management and practice teaching in the training school, also mathematics, English, history, sciences, Latin, German and French. Special courses are offered in art, basketry, weaving, vocal and instrumental music, elocution and business. This illustrated prospectus will be sent to all interested in a vacation school upon application to the principal, Dr. George P. Singer, Lock Haven, Pa.

QUALITY
When people realize that it is not the quantity for the money, so much as the quality that counts, then they will patronize the store which does business in good pure goods. Cut prices often mean cut qualities. Our prices are as low as good goods will allow. Our goods are not of the cheap mail-order variety. When comparing prices do not forget to compare qualities. If you find the prices lower than ours, the you will find the quality inferior—generally " bargain house" job lots. Ask us to show you why our work is superior.

"The Liver Pills act So Naturally and Easily."

Such a statement, coming from the cashier of a bank, shows what confidence responsible people have in these pills. Mr. A. L. Wilson after trying them wrote:

"I have used Dr. Miles' Nerve and Liver Pills and also your Anti-Pain Pills, on myself, with good results. The Liver Pills act so naturally and so easily that I scarcely know that I have taken a pill. Frequently being troubled with headache I take an Anti-Pain Pill and get immediate relief in every case."
A. L. Wilson, Sparta, Ill.
Mr. Wilson was for a number of years cashier of the First National Bank of Sparta.

Dr. Miles' Nerve and Liver Pills

are different from others. Many kinds of liver pills are "impossible" after one trial on account of their harshness. Dr. Miles' Nerve and Liver Pills do not act by sheer force but in an easy, natural way, without gripping or undue irritation. They are not habit forming.

If the first bottle fails to benefit, your druggist will return the price. Ask him.

THE NATIONAL VACUUM CLEANER

This Vacuum Cleaner and the News Item One Year \$5.00. Our Arrangements are Complete and we are Ready to Furnish it at This Price.

TRY IT YOURSELF

WHEN you receive your NATIONAL Vacuum Cleaner you will be delightfully surprised. Just open the box, take out the cleaner, and you are ready for work.

Test it on a rug that has been down for several months. Run the NATIONAL over it lightly, back and forth. The bright path it leaves shows that the dust and dirt is being drawn into the funnel-shaped dust chamber. Of course you can't see it now. You are breathing pure, clean and fresh air. Quite a new way to sweep and dust, you will agree. Now when you have finished the rug, take the NATIONAL into the kitchen, spread a piece of paper on the floor, and empty the dust chamber. The handfuls of dust which drop out may be rolled up in the paper and throw into the fire.

You wouldn't be without the NATIONAL for ten times its price after you learn its wonderful labor-saving features.

IT SAVES YOUR CARPETS

HOUSE-CLEANING in the old fashioned way, when its sweeping, beating and brushing is hard on the furnishings as it is on the housewife. It is the tearing up and cleaning of carpets that shortens their life. With the NATIONAL all carpets and rugs are left on the floor. The powerful air suction draws all dust and dirt from the very floor beneath the floor coverings, without injury to the most delicate fabric.

SEND IN YOUR ORDER TO-DAY. DON'T DELAY
