Prospectus Will Be Sent to All Interested Upon Application.
We are in receipt of the handsome prospectus of the Central State Normal school for the summer session, which begins July 1 and continues for five weeks. We note that the whole cost for this term is but \$30 and that this pays room rent, boarding, washing and tuition. The courses include psychology, history of education, general and special methods, school management and practice teaching in the training school, also mathematics, English, history, sciences, Latin, German and French. Special courses are offered in art, basketry, weaving, vocal and instrumental music, elocution and business. The program will be arranged so that the afternoons and evenings may be devoted to recreation and entertainment. This illustrated prospectus will be sent to all interested in a vacation school upon application to the principal, Dr. George P. Singer; Lock Haven, Pa.

QUALITY

When people realize that it is not the quantity for the money, so much as the quality that counts, then they will patronize the store which does business in good pure goods. Cut prices often mean cut qualities. Our prices are as low as good goods will allow. Our goods are not of the cheap mail-order variety. When comparing prices do not forget to compare qualities. If you find the prices lower than ours, then you will find the quality inferior—generally "big in house" job lots. Ask us to show you why our work is superior.

Six Animals in One Freak Pig

A freak pig born on the farm of William Smith, near Covington, Ga., has hoofs like a calf, ears like dog, and only one eye, which is set in the middle of the head, and which is as large as a human eye. Over the eye is an elephant's trunk. Where the nose ought to be, there is a snout like the horn of a rhinoceros. The freak lived for several hours, and is now preserved as a specimen which will be presented to the national museum at Washington.

THE NATIONAL VACUUM CLEANER

This Vacuum Cleaner and the News Item One Year \$5.00. Our Arrangements are Complete and we are Ready to Furnish it at This Price.

TRY IT YOURSELF

WHEN you receive your NATIONAL Vacuum Cleaner you will be delightfully surprised. Just open the box, take out the cleaner, and you are ready for work. Test it on a rug that has been down for several months. Run the NATIONAL over it lightly, back and forth. The bright path it leaves shows that the dust and dirt is being drawn into the funnel-shaped dust chamber. Of course you can't see it now. You are breathing pure, clean and fresh air. Quite a new way to sweep and dust, you will agree. Now when you have finished the rug, take the NATIONAL into the kitchen, spread a piece of paper on the floor, and empty the dust chamber. The handfuls of dust which drop out may be rolled up in the paper and throw into the fire. You wouldn't be without the NATIONAL for ten times its price after you learn its wonderful labor-saving features.

IT SAVES YOUR CARPETS

HOUSE-CLEANING in the old fashioned way, when its sweeping, beating and brushing is hard on the furnishings as it is on the housewife. It is the tearing up and cleaning of carpets that shortens their life. With the NATIONAL all carpets and rugs are left on the floor. The powerful air suction draws all dust and dirt from the very floor beneath the floor coverings, without injury to the most delicate fabric.

READING FIREMAN CRUSHED TO DEATH

Fatal Sunday Accident at New Columbia—Montgomery Boy Badly Hurt

Walter C. Wooding, of Tamaqua, was killed at 1.30 yesterday afternoon, at New Columbia, when extra freight No- 1081, on which he was firing, stopped so suddenly that the coupling holding the engine and tender together broke, throwing him in front of the tender. Foster Motter, the seventeen-year-old son of Charles Motter, the Philadelphia & Reading agent at Montgomery, fell under a freight train near the scene of the wreck, having his left foot badly injured, one toe being cut off. Both accidents happened about the same time. Motter was taking a freight ride and attempted to get off at New Columbia to see what the excitement was there. His left foot was pulled beneath the wheels.

Wooding was twenty-three years of age and leaves a wife. Death must have been instantaneous, his body falling directly across the rails. The train was brought to Newberry Junction by another engine, where one of the cars, which had its end smashed, and the engine will be repaired.

"The Liver Pills act So Naturally and Easily."

Such a statement, coming from the cashier of a bank, shows what confidence responsible people have in these pills. Mr. A. L. Wilson after trying them wrote:

"I have used Dr. Miles' Nerve and Liver Pills and also your Anti-Pain Pills, on myself, with good results. The Liver Pills act so naturally and so easily that I scarcely knew that I have taken a pill. Frequently being troubled with headache I take an Anti-Pain Pill and get immediate relief in every case."
A. L. Wilson, Sparta, Ill.
Mr. Wilson was for a number of years cashier of the First National Bank of Sparta.

Dr. Miles' Nerve and Liver Pills

are different from others. Many kinds of liver pills are "impossible" after one trial on account of their harshness. Dr. Miles' Nerve and Liver Pills do not act by sheer force but in an easy, natural way, without gripping or undue irritation. They are not habit forming.

If the first bottle fails to benefit, your druggist will return the price. Ask him. **MILES MEDICAL CO., Elkhart, Ind.**
