THE NATIONAL VACUUM CLEANER

This Vacuum Cleaner and the News Item for 1 Year for Only \$5.00

There are only a few of these wonderful dustless cleaners remaining. If you have not already taken advantage of this liberal offer, do not delay in acting. The first to respond to this last announcement will be the lucky ones. You need the NATIONAL Vacuum Cleaner because it is the only way you can keep your home perfectly dustless and sanitary. Doctors say that the clouds of choking, germ-laden dust raised by sweeping and dusting are the cause of contagious diseases so common during the house-cleaning season. In the NATIONAL you have a reliable Vacuum Cleaner effective protection against dust dangers at a price less than your present cost of broom and sweeper. The NATIONAL weighs less than 5 pounds. It is easily operated by boy or girl. The large capacity of the NATIONAL makes it capable of thorough cleaning, through and through. But to get a NATIONAL Vacuum Cleaner you will have to act promptly. If you want to take advantage of this splendid offer you will have to act quickly. One National Vacuum Cleaner, (retail price \$10.50,) and The News Item for one year for the small sum of \$5.00.

QUALITY

When people realize that it is not the quantity for the money, so much as the quality that counts, then they will patronize the store which does business in good pure goods. Cut prices often mean cut quality. Our prices are as low as good goods will allow. Our goods are not of the cheap mail-order variety. When comparing prices do not forget to compare qualities. If you find the prices lower than ours, the you will find the quality inferior—generally "bargain" job lots. Ask us to show you why our stock is superior.

A Distinction With a Difference

YOU may not always get what you pay for. It takes a good judge of values to do that, but if there is one sure rule in business it is—you pay for all you get. You may not be able to see the difference between engines of similar appearance at different prices, but if you buy from a reputable firm you may be sure the difference in quality is there.

IHC Oil and Gasoline Engines

cost more than some others because they are more carefully made, and more thoroughly tested. Skillful designing, better material, better workmanship, more careful assembling, and more thorough testing, tell in the long run. Given equal care an IHC engine costs less per year of service than any other engine you can buy. If an IHC engine is given all the work it will do, pumping, sawing wood, running the grindstone, feed grinder, hay press, silage cutter, repair shop machines, cream separator, churn, washing machine, etc., etc., it will pay for itself in a very short time in money and labor saved. IHC engines are made in every style—horizontal, vertical, air and water-cooled, stationary, portable and mounted on skids, to operate on gas, gasoline, kerosene, naphtha, distillate or alcohol, in sizes from 1 to 50 H. P. Kerosene-gasoline tractors, 12, 15, 20, 25 and 45-H P. The IHC local dealer will give you catalogues and full information, or write
