GIRLS IT IS TRUE.

Girls do you know or did you ever stop to think that more than half of the young fellows who try to make a mash on you would rather help you to go to hell than to assist you to rise in the world and become a good and useful and virtuous woman? It is a fact, brutal and astonishing fact though it is and though it may be hard to say. The honest young man—the man who approaches you with respect and deference—may not be as "flip" as the other fellow, and you may be sure that his attentions are good and that he would rather help you to be a good girl than lead you to be a bad one. The young man whose motives are honest will not make "cracks" at you on the street nor use language in your presence that would cause a really modest woman to blush. The young man who works, who hustles, who acts like a gentleman because he is one, not because he has to, is the man for you. The young man who never works (except when he works somebody for a loan) but always looks "nice," who spends his day in idle "josh" and his nights over a game that he will never learn to play, who make "cracks" at you in public and who gabs about how you are stuck on him to his associates, is a good fellow to keep away from. If you don't think this advice worth anything just wait a few years and maybe you will change your mind.

BIG STRIKE ON.

The great strike in the anthracite coal region of Pennsylvania, ordered by the United Mine Workers of America, began Monday, when between 100,000 and 112,000 miners out of 140,000 refused to work.

Representatives of the operators declare that they have stocks of coal on hand sufficient to last for six months, that the men can not remain out long enough and that their demands will not be granted.

The question of submitting the whole problem to three arbitrators was disposed of by Frank Pardee, who said: "Arbitration can now be introduced only upon a proposition embracing two points, powder at \$1.50 a keg and a 40 per cent. reduction in wages."

Resolutions of Respect.

At a meeting of Asbury Epworth League No. 12565, of Green Hill M. E. church, September 17, 1900, the following resolutions were passed:

Whereas, It has pleased Almighty God to remove by death our esteemed sister and member of the League, Annie Sipes, Resolved, That we bow in humble submission to the Divine will, knowing that to live is Christ, but to die is gain; and while Earth counts a mortal less, Heaven numbers a saint more.

Resolved, That through her death the League has lost an efficient, faithful and earnest member; the family, a kind and loving daughter, and the church a pious and devoted Christian.

Resolved, That we extend to the relatives of the deceased member our sincere sympathy, realizing that she has answered the last roll-call, to which we all shall have to answer in the near future.

Resolved, That these resolutions be spread upon the minutes of our League, and a copy of the same published in the county paper.
