THE NEWS BRIEFLY TOLD. TORNADO KILLS NINE ENTIRE PASILLY OF SIX PERSONS

> AMONG THE VICTIMS. BODIES BLOWN FAR AWAY.

Minnesota's Great Storm Far More Severe Than First Reported-Engine-House of Duluth, Mesaba and Northern Wrecked. Engines Overturned and Reduced to Scrap Iron by Force of Wind-Biwabik, Minn. (Special).-The tor-

nado, which raged in this vicinity, was the most violent ever experienced hereabouts. The storm cut a pathway 150 feet in width through the northwestern corner of this town, completely wrecking the buildings struck. The shafthouses and buildings of three mines which stood in the path of the storm were reduced to kindling wood. property loss is estimated at from \$75,000 to \$100,000, and the known fatalities number nine, with a score or

more injured, some severely, others slightly. The storm swept in a northwesterly direction after leaving here and struck a little Finnish settlement near Pike Lake, where a number of buildings tion for indemnity, this government were wrecked, in one of which an entire family, consisting of husband, wife and four children, were instantly kill-So far their names have not been obtained. It is believed when the

more remote districts are heard from further casualties may be reported. The home in which the Marowitz family lived was completely wrecked, and the body of Mrs. Marowitz was found fully 400 feet away, crushed and bruised and her clothing completely stripped off. The body of her husband found in the debris of the house, horribly mutilated.

William Hilstrom was struck on the head by a falling tree and his skull crushed. He afterwards died at the hospital. The enginehouse of the Duluth,

Mesaba

and Northern Railroad was completely wrecked, and a number of ecomotives and cars were shifted from the tracks and pounded into scrap Iron. The engine on which Murray Anderson were when the storm broke was blown from the track, and the men were pinned beneath it and horribly burned by the escaping steam. Several cars blown from the track were found in Duluth mine pit, hun-Many of the of feet away. buildings destroyed were owned the mining companies and tenanted by employes. The duration of the tor-

Buttleship Averages 17,25 Knots-Maximum 18,54. Santa Barbara, Cal. (Special).-The Wisconsin has completed the most successful trial trip ever made by a bat-tleship, and she is pronounced the finest vessel ever turned out by the Union

GREAT SPEED OF WISCONSIN.

Works. At the start many things seemed against a successful trial. An easter- in the head and breast. She died inwind was kicking up a choppy sea and threatening a squally voyage. ter a preliminary spin over a part of the course the big vessel steamed full of the murder, regretting that he had thead, passing the eastern beacon at 10.20 a. m. at a speed exceeding 16 knots. The course was marked by the battleship Iowa, gunboat Ranger, training ship Adams and cruiser Philadelphin

Between the Ranger and Gavleta wharf the Wisconsin gained her maximum speed of 18.54 knots per hour, and maintained throughout the westerly course an average speed of 17.89. average speed of the entire run. 64 knots, was 17.25 knots per hour. The only other battleship approaching this speed is the Alabama, which averaged 17.013 knots and attained a maximum speed of 18.03 knots.

The average number of propeller revolutions during the western run properties of the revolutions during the western run properties of the revolutions during the revolutions of the revo was 119.34 per minute and on the return 119.15, a difference of a revolution. So close a run has never been made before. The average steam pressure was 180 pounds, and the ves-The boiler el was under forced draft. valves lifted frequently. When at her maximum speed the vibration was slight; approximately the horse-power

VAS 11.800. It is expected that the tidal correc tions when computed will indicate greater speed than recorded, as the current was against the vessel for a longer period than with her. The weather continued squally, some rain failing until more than half the course was completed. After turning at the western beacon, off Point Conception, she had a white-cap sea, bows on, for nearly one-fourth of the return course. She shipped no water forward, but the water rose in the bow wave 25 feet.

From start to finish there was not a marring incident, not an irregularity in the movements of the machinery Without stopping the engines the trial board took charge of the ship after the run and put her through the required evolutions.

By the terms of the contract the Wisconsin was required to steam the rate of 16 knots an hour for four consecutive hours, one knot more than was demanded of the Oregon, which, however, made a spurt during her trial, reaching 17.15 knots. The Wisconsin is 1000 tons heavier than the Oregon, and no premium was offered for ex-cess of speed over the requirement of the contract. Nevertheless she has beaten the record of the Oregon at every point.

Reduction in the Price of Cars. Huntington, W. Va. (Special).—The American Car and Foundry Company announced a reduction of one dollar in the price of erecting flat cars. The for erecting hopper cars was cut

dollar a few weeks ago. Tabalogs Were Paid.

Manila, P. I. (By Cable).—Advices received here from Hotlo, Island of Panay, under date of Friday, October 12, say that Company D, of the Twenty-aixth United States Volunteer Infantry, was attacked on the previous

day by a force of Tagalogs in northern Panay. The enemy, it is added, lost 20 men killed and 40 wounded, while the Americans had two wounded. Twen-ty-to prisoners and 12 rifles and a quantity of ammunition were cap-

essel remain in the Arctic regions while the other returns for supplies.

WILL NOT AGREE. This Government Dissents From the RIOT AT THE MINES.

French Proposals Washington (Special),-The Cabinet STRIKERS USE VIOLENCE TO decided on the reply which this government will make to the French note proposing the razing of the fortifica tions between Pekin and the sea; the permanent military control of the from the coast to the capital by international garrisons at fortified places, to be hereafter selected; the permanent prohibition of the importation into China of firearms and ammunition; the permanent occupation of Pekin by an international guard, and the reparation to nations, societies individuals for the excesses committed by the Boxers.

The attitude taken by the administration was to formally express its dissent from the proposition to raze the forts and to prohibit the trade in fire-

arms As to the permanent occupation of Pekin and the detail of an American contingent for the garrisons of certain fortified places controlling the road to Pekin, the government cannot at this time pledge its assent to propositions which involve the permanent disposition of American troops in foreign territory, that being the sole prerogative of Congress. As to the final proposiable reparation for the injuries done its commerce and to the missionary socleties of this country, as well ample amends for the insult offered

the flag and the American Minister. This was, in effect, the conclusion arrived at after a long and exhaustive discussion of the present situation in China. President McKinley showed himself to be entirely familiar with every detail of the events that have occurred in the East. While at Canton he was in constant communication, both by telegraph and telephone, with Secretary of State Hay and Adjutant General Corbin, and he was, therefore, fully equipped to inform the members of the Cabinet of the exact condition

MURDER IS ALLEGED.

Woman Palmist is Shot and Killed by

Columbia, Pa. (Special).-Wm. Mott, of Norfolk, Va., shot and killed Mile. Alberta, a palmist, with whom he was traveling about the country, and dangerously wounded Mrs. Elizabeth Steinbauer, with whom the couple Mrs. boarded here. Mile. Alberta, whose real name was Anna Furlong, was 37 years old. Mott is 29. Her home is in Chicago.

Mott says she has a husband-a hotel man—and a son named Brennan, living at Bayonne, N. J. Mott met her a year ago at Dover, Del. They had been traveling from place to place, and for the past couple of months have had palmistry offices in Lancaster and Coumbia. Lately Mott had become very jealous of the woman, and this evening, after drinking all day, went to their room and had an altercation with

Mrs. Steinbauer attempted to pacify them, whereupon Mott began to fire from a 32-calibre revolver. Mrs. Steinbauer fell to the floor with a ballet her stomach and another in her head, and Mile. Alberta was shot htree times Mrs. Steinbauer was taken to stantly. a hospital.

shot Mrs. Steinbauer, whom he said he liked, and saying that he had become tired of Mile. Alberta's fickleness and could stand it no longer.

Actor Shot by a Woman.

Huntington, W. Va. (Special) .- Willian J. McCauley, an actor, of Philadelphia, playing with "A Woman in the Case" company, was shot here by Pearl Newman, who, after the shooting escaped to Ohio. McCauley and three friends had entered a restaurant, and were talking to Miss Dorsey Brown, when Pearl Newman entered and opened fire, killing McCauley Instantly. Newman is said to have been jealous McCauley's attentions to

six months. Republicans Mobbed.

Ch'eago, Ill. (Special).—Hloodshed tol-lowed in the trail of Chauncey Depew and his three-mile excort of Republican marching clubs.

Just as the last club in the line turned the corner of Sedgwick street and Chicago avenue it was charged on by an organized gang of men, who had concealed themselves in the dark recess of an unlighted alley.

The rioters were repulsed finally by the marchers, but not until four or five of the Republican marchers had been injured, some of them quite seriously.
