

Excuse our Crowing.

We think we have cause to brag a little. Josh Billings once said: "I love a rooster for two things—one for the crow that is in him, and the other is, the spurs 'air' on him to back up the crow. We crow about our splendid line of Merchandise, because we know it is worthy of it. We back up the crow with low price spurs that no one is bold enough to challenge. Our store has become a land mark for

Low Prices.

Our aim is to give you the best we can for the least we can. We cordially invite you to call and examine our stock and compare our prices with others, and we will convince you we have a right to crow.

We have on exhibition in our South Window a large assortment of Glassware, consisting of Water Pitchers, Cream Pitchers, Cake and fruit Stands—in fact, almost anything one could desire—which we propose giving away

with each Two Dollars purchase. Come early, as this very liberal offer can not last long.

Don't use any of the counterfeits of DeWitt's Witch Hazel Salve. Most of them are worthless or liable to cause injury. The original DeWitt's Witch Hazel Salve is a certain cure for piles, eczema, cuts, scalds, burns, sores and skin diseases. Trout's Drug Store.

On Wednesday night of last week, burglars effected an entrance into the postoffice at Everett, blew open the safe, and escaped with stamps, money, registered letters and notes, in all amounting to several hundred dollars.

When you need a soothing and healing antiseptic application for any purpose, use the original DeWitt's Witch Hazel Salve, a well known cure for piles and skin diseases. It heals sores without leaving a scar. Beware of counterfeits. Trout's Drug Store.

You will notice Sauner Ray's broom advertisement in another column. He makes a very good strong, serviceable broom. It strikes us that it would be to the advantage of each farmer to plant an acre or two of broom corn, and have it made into brooms on shares by Mr. Ray. With very little trouble and expense, a family could provide itself with plenty of brooms, and have enough to sell to make a nice sum of pocket money.

Help is needed at once when a person's life is in danger. A neglected cough or cold may soon become serious and should be stopped at once. One Minute Cough Cure quickly cures coughs and colds and the worst cases of croup, bronchitis, grippe and other throat and lung troubles. Trout's Drug Store.

Who wears a white knit of wool will be worn by our most fashionable when the weather is cold. This is a fashion copied from the English, and several New York fashion designers have worn this year among them being Miss May Mandy, Mrs. Stuyvesant Fish and Miss Greta Penney. They are only worn in the morning, and they look neat and sensible and no end comfort.
