

Go and hear Ellis Saturday evening.

Prof. Ellis will preach at McConnellsdale church next Sunday morning at 10:30.

The local institute, which was to be held at Harrisonville on Friday evening of this week, has been postponed to Thursday evening, March 7.

D. H. Patterson, A. U. Nace, and John A. Irwin are busy this week taking an inventory of the goods in the store of the late Thomas Patterson.

Prof. Ellis, who will lecture in the Court House Saturday evening is one of the ablest young lecturers on the platform.

Millions of people are familiar with DeWitt's Little Early Risers and those who use them find them to be famous little liver pills. Never gripe. Trout's drug store.

John Souders moved Tuesday from the Dan Knuff place back to the C. J. Brewer farm, at the foot of the Meadowground mountain, lately purchased by Mr. William Paylor.

Persons who can not take ordinary pills find it a pleasure to take DeWitt's Little Early Risers. They are the best little liver pills ever made. Trout's drug store.

The Bedford Council has accepted a proposition of the Electric Light Company to furnish thirty 2,000-candle power arc lights to burn from twilight until midnight for \$1,875 a year.

The death of John Bender will not in any way interfere with the furniture and undertaking business, but it will be carried on by his brother Samuel as heretofore. Special attention given to undertaking.

Rev. John M. Clymer, for the past ten years pastor of the Presbyterian church at Hancock, resigned his pastorate and preached his last sermon Sunday morning. The people of Hancock regret Mr. Clymer's departure after so long a stay with them.

Prof. Ellis was one of the lecturers on the course at Chambersburg during the county institute last fall, and, so much pleased were the teachers, that he has been called back twice since, to other parts of Franklin county. Go to hear him at the Court House Saturday evening.

For the weakness and prostration following gripe there is nothing so prompt and effective as One Minute Cough Cure. This preparation is highly endorsed as an unfailing remedy for all throat and lung troubles and its early use prevents consumption. It was made to cure quickly. Trout's drug store.

Miss Edith Miller has resigned her position in the borough schools of Hyndman, Bedford county, and goes to San Francisco, where she will meet and marry the man she loves. She went on her long journey alone, and will marry Dr. Walter McCoy, of the United States marine hospital at San Francisco.

We are indebted to Harry E. Goldsmith, proprietor of the Twentieth Century Tailoring establishment at Windber, for a copy of the illustrated Edition of Windber and vicinity gotten out by the Windber Era. The new city over the mountain is evidently forging ahead in great shape.

Reports show a greatly increased death rate from throat and lung troubles, due to the prevalence of croup, pneumonia and gripe. We advise the use of One Minute Cough Cure in all of these difficulties. It is the only harmless remedy that gives immediate results. Children like it. Trout's drug store.

Our attention, during the past week, has been called to the fact that an attempt is being made to put in circulation a report that the subscription price of the Fulton County News has been advanced to one-dollar-and-a-half a year. The report, of course, is false.

The thought of increasing the price has never entered our minds. Send us a dollar bill and see how quickly you'll get a receipt for a full year.

Locke & Wright
At Dublin Mills are closing out their stock with a view to settling up their partnership business, and desire all persons indebted to them to make settlement. Where it is not convenient to pay in cash, they would like to close up the account by a note. They propose to do the right thing with their customers.

Generous Hearted.

A young lady attending church on a recent Sunday evening sat directly behind a tall, handsomely dressed stranger with a piece of raveling hanging over his collar. Being one of those generous hearted, whole-souled girls, who grow to be motherly old ladies, friends to everybody in town—she thought how glad she would be if a kind-hearted girl would do so much for her father if he should come to church with a raveling hanging down his back, so when the audience arose for prayer she concluded to pick it off. Carefully raising her hand she gave a little twitch but there was more of it than she supposed and a foot or two of it appeared. Setting her teeth she gave another pull and about another yard of that horrid thread hung down his back. This was getting embarrassing, but being determined she gave it another yank and discovered that she was unraveling his undershirt. Her embarrassment was so painful that chloroform could not alleviate her sufferings, nor an inch of powder hide her blushes when the gentleman turned with an inquiring look to see what was tickling his neck.

Dublin Mills.

The funeral services of Mr. John Booth, one of Dublin Mill's former and highly esteemed citizens was conducted by Rev. W. J. Shafer on last Thursday afternoon.

John Wright has purchased the Dr. Bernhardt dwelling from C. C. Kerling, where he expects to continue in the mercantile business.

Jacob Winegardner has purchased a fine blooded colt for his son Bert. Any one wishing to swap, call on John Gillis, as he has some fine trading stock on hands.

Some of our young sports attended the oyster supper at Fort Littleton Friday night.

Charley Dishong is slowly recovering from a very sore finger.

Knobsville.

The sick of our community are Mrs. Daniel E. Fore, Mrs. David Wible, Miss Elsie Wagner, Mrs. Lincoln Wible, Mrs. John Gunnell, and Mr. D. W. Kelso. We hope they will all soon be well again.

Mr. Frank Fore and Miss Mary Hamil spent Sunday with Mr. and Mrs. George Fox.

Ira Fore, Bert Kerling, and Miss Katie Fore visited the county seat on Saturday.

The United Brethren preacher gave a very able sermon Sunday morning from John 3: 6. He is a fine speaker.

We had no school last week on account of the death of Mr. John Booth, the father of our teacher, Miss Nora Booth.

WHY is it that people who never bought here until recently are becoming regular customers?

WHY is it that people from nearby towns are swelling our list of customers?

There is a cause for every effect; and these questions are very easily answered by those who have been fortunate enough to take advantage of the many bargains we are daily offering.
