One of the salesmen of Hecker-
man's Peerless Horse & Cattle
Powder has in the last three
months seen and taken the names
of eighty one different brands of
cattle powder and only one of them
was a ten cent package and it only
weighed a half pound and we be-
lieve you would agree with us
that Peerless Powder at 10c a
pound pack is as good as any of
them if you could try them all.
The profit for the merchant on
Peerless Powder is not large. In
fact so small that many of the
drug stores will not handle it
which we believe is quite a re-
commendation for it. Try a pack-
et of it and convince yourself.
