STRAW RIDE HAS A FATAL ENDING.

Car Crashes Into a Party of Merrymakers at College Point,

TWO KILLED, FIVE BADLY INJURED.

The Driver Saw the Car and Thought fle Could Clear the Track. But the Car Hit the Rear Wheel of the Wagon, Demotishing the Vehicle and Hurling the Occupants of the Rear Seats High In the Air.

New York (Special).-Of 26 young cople who started from College Point. "starlight" ride, two were carried home dead, five are in a hospital, four were allowed to leave the hospital after having their wounds dressed, and every one A collision with a trolley car caused the

The merrymakers were on their way to a hotel 10 miles away, where the were to have a dance. They were all i one wagon the bottom of which had been filled with straw. It was almost midnight when they reached Distler's Hotel, on the edge of Jamaica. When in from of the house the driver saw a trolley car approaching. He thought he could cross the tracks in time to collision, but made a miscalcu-He applied the lash to the

horses, but to no purpose.
Pickel and Schnier were the ones oc cupying the end seats at the rear of the wagon. The car hit the wagon at the rear wheels back of the hubs. The vehicle was demolished, the rear end being broken to pieces. Pickel was hurled into the air and fell 30 feet away. As he descended his head struck a fire hydrant and his skull was crushed in. He was carried into Distler's Hotel, but died as he was being placed upon a couch in the parlor. Schnier was also thrown into the air. He landed head first on the sure of the struck of the struck of the struck of the sure of the struck of the sure of the struck of the sure of the struck of the struck of the sure of the sure of the struck of the sure first on the macadam pavement. He was unconscious, and was carried into the notel. A few minutes later an amb lance from the Jamaica Hospital arrived and started with him, as the most seriously injured, for that institution. He died before the Lospital was reached.

Miss Matrie Debevois sustained a severe contision of the chest and laps.

and was the worst hurt among the in The car, after breaking the rear end of the wagon, pushed it to one side and then stopped. The car itself was badly wrecked.

LORGE TO SUCCEED MR. COWEN. It is Afflemed That Penny's Fourth Vice-President Will Become the Ifead of B. & O.

Philadelphia, Pa. (Special).-- L. fourth vice-president of the of Pittsburg, is to be named within the more and Ohio Railroad Company. J. C. Stuart, general superintendent of the middle and northwestern division of the Baltimore and Ohio, is to be made general superintendent of the entire Baltimore and Ohio lines. Such an arrange-ment will place the Baltimore and Ohio under the entire control of the Pennsylvania Railroad. The latter is already represented in the directorate of the Baltimore and Ohio by four of its own people, and with Mr. Loree as the president its interests would be all the more R. N. Pollock, the Cleveland Savings strongly comented.

MRS. M'KINLEY IS SERIOUSLY ILL.

She is Removed to San Francisco for Treatment.

THE PRESIDENT MUCH WORRIED.

A Bone Felon that Developed on the Trip from New Orleans Has Caused Her to Be Feverish and Aggravated Her Generally Weak Condition-The Felon Lanced by Her Attending Physician on the Train.

San Francisco (Special).—A special train bearing President and Mrs. Mc-Kinley, Miss Barber, Dr. Rixey, Secretary Cortelyon and Henry T. Scott arrived here at 4 o'clock Sunday afternoon from Delmonte, Cal.

Mrs. McKinley was brought to San Francisco by the President in advance of the regular program that she may obtain Upon their arrival the President and his party went to the residence of Henry T. Scott, which they will

scupy during their stay here.

Mrs. McKinley's condition is said not to be alarming, but she has not been well since the long fourney began, and the trip has fatigued her extremely. She did not improve under medical treatment. and both the President and Dr. Rixey considered it wise to bring her to San rancisco, where she could have comlence, and where Dr. Hirschfelter,

Scott's physician, could be consulted. The Cabinet members and others of the party will carry out the program as arranged, going to San Jose and arriving at San Francisco Tuesday. The resent understanding is that the Presi

mt will rejoin the party at San Jose Mrs. McKinley's condition permits. The day after leaving New Orleans a bone felon appeared upon one of Mrs. McKinley's fagers, her hand became collen, gave her considerable pain and oduced fever that prevented her from reping. Dr. Rixey twice lanced the lon and gave her some relief in that ay. Mrs. McKinley bore it bravely, and urged that the program at the cities and towns should not be modified in any

ioners, Who Expected Different Results. Chicago (Special) - Rev S A Harris, for several years until recently pas-tor of the Congregational Church at Milburn, Ill., has been suspended from the minstry for six months pending an investigation of charges which are made by his former parishioners, who declare they are out over \$100,000 which they had entrusted to the minister for specu lations that are said to have turned out

Mr. Harris was at one time a lawyer

Chicago and a member of the Board Mr. Harris and his friends assert that no blame can be attached to him: that the funds were put into his hands that he might do the best he could to in-crease them, and that the going wrong of the various enterprises in which the

toney was sunk was no fault of his. PLANS OF THE STEEL COMBINE. Purposes of the Corporation Recently Formed

.. Centralize Operations. Pittsburg, Pa. (Special).—The United States Steel Corporation has adopted the policy of centralizing operations, of indoning its smaller plants, those dis advantageously located, and those that cannot be run economically. The work heretolore done at these plants will be transferred to those that can be operated to the advantage of the company.

The above is the statement of Joshua Rhodes, of Pittsburg, retire I as chairman of the board of directors of the National Tube Company, now a constituent of the United States Steel Corporation in reals to a state of the Corporation in reals to the contract of the United States Steel Corporation in reals to the contract of the United States Steel Corporation in reals to the contract of the United States Steel Corporation in reals to the Corporation of the United States Steel Corporation in reals to the Corporation of the United States Steel Corporation in reals to the Corporation of the United States Steel Corporation in the Corporation of the United States Steel Corporation in the Corporation of the Corpor poration, in reply to an inquiry as to whether the new Morgan combine has adopted such a policy.

Adoption of this policy of centralizing operations by the United States Steel Corporation will mean to the Pittsburg district, if carried into effect, without delay, the bringing here within a year about 50,000 mill men from plants of the company that will be abandoned.

More Rioting in Russia.

St. Petersburg (By Cable). - The Kawkas report disturbances at Tiflis on May 5. Workmen and others displayed Kawkas report disturbances at Tiflis on May 5. Workmen and others displayed a red flag, the symbol of anarchy. The police attacked the crowd and fought for a quarter of an hour before they cleared the square in which the assemblage was. Many were wounded on both sides. Troops had to be called out before quiet was finally restored. Forty-one areasts were made, including one one arrests were made, including one man and three women students, who had been recently expelled from St.

Millionaire in Beer Vat.

Troy, N. Y. (Special).—Samuel Bolton, Jr., the well-known millionaire brewer of this city, met a horrible death by being boiled to death in a vat of beer. Mr. Bolton went to the brewing department and stopped to look into a monster vat of boiling beer. The vat is about 15 or 20 feet high. The top is a few feet above the second floor, so that a man could easily look into it. Mr. Bolton saw something that needed fixing and told James Wager, a workman, to go after the carpenter. When Wager returned he could not find the brewer. Mr. Bolton's hat and watch were lying on the floor.

The trial of Captain Frederick J. Barrows, of the Thirtieth Volunteer Infantry, quartermaster of the department of Southern Luzon, on charges connected with the commissary scandals, was finished. The verdict has not yet been announced.

The United States Philippine Commission is overrum with applications for civil positions and the officers of the new provaces are submitting many questions to the commission.

A party of insurgents partly burned the bridge near Lucban, Tayabas Province, Luzon, but were driven back without loss on either side.

Cailles, the insurgent leader in Laguman province, is closely pursued.

LIVE NATIONAL AFFAIRS.

To Sell Government Secrets.

An attempt to sell the confidential

General and the Secretary of War in the Neely case was unearthed by Chief Wilkie, of the Secret Service. Information had been obtained from Judge John D. Lindsay, counsel for Neely, in New York, who had received a letter signed John B. Dickenson, offering copies of the correspondence. offering Detroit, Mich. (Special).—Fully 10,000

Bishop Richard Phelan, of the Pitts-Bishop Richard Phelan, of the Pittsburg diocese of the Roman Catholic Church, went into court and asked for an order to sell St. Paul's Cathedral, at Grant street and Fifth avenue, to H. C. Frick for \$1,000,000. The proposition to sell the property recently met with some opposition. The object, in going into court is to give all who may opinto court is to give all who may op-pose the sale an opportunity to be heard and to avoid any possible illegality by reason of the fact that many former members of St. Paul's congregation have removed from the diocese. The Cathedral is opposite the site where Mr. Frick's mammoth skyscraper is being erected. A large batch of contracts were let to-day, including one for a quarter of a million dollars' worth of Italian statuary marble for decorative purposes. The building will be the The decoration will be the most mag-nificent in any modern structure, and no money will be spared to make them

Four men were instantly killed at Mt. Four men were instantly killed at Mt. Dallas by the explosion of a boiler of a locomotive on the Huntingdon and Broad Top Railroad. The cause of the explosion could not be learned. The explosion came with terrific force, throwing the bodies of the men a great distance. Edwards, who was sitting in the cab of the engine, eating his breaklast, was found more than four hundred yards from the scene of the accident. yards from the scene of the accident, while the bodies of the other men, who were standing besi to the engine, ranged from too to 200 yards away. All were horribly mangled and scalded and parts of the bodies could not be found. wards' watch was found in the township road, 500 yards away. John Jones, the flagman of the first section of the freight train, whose caboose was standing directly in front of the wrecked engine escaped injury. The engine was standing still at the time and only jumped from the rails when beiler exploded.
