FAITHFUL WIFE OF "OOM PAUL" DEAD.

Victim of Pneumonia After an Illness

of Three Days.

Was the Mother of Sixteen Children, and Who Helped the President of the South African Republic Save and Keep Millions of Gold-Proud of Her Hunband, and Devoted to Ilim and His Interests.

Pretoria (By Cable).—Mrs. Kruger, wife of President Paul Kruger, of the South African Republic, died here of pneumonia, after an illness of three days. She was 67 years old.

Her long separation from her husband, combined with the death of her favorite daughter. Mrs. Smith, last week, had completely broken her spirit.

had completely broken her spirit.

Mr. Eloff and other relatives of the Kruger family were at her bedside when

the passed away.

President Weeps and Prays.

London (By Cable).—"Owing to the Sunday telegraph hours in Holland," says a dispatch to the Daily Mail from Hilversum, "Mr. Kruger was not informed of his wife's death until the even-The news was broken to him by Heymans and Secretary Boescho-

"Mr. Kruger, who had just returned from Hilversum Church, burst into tears and asked to be left alone. He exclaim-

"She was a good wife. We quarreled only once, and that was six months after

we were married.
"He prayed for a long time and is calmly sleeping, his Bible beside bed. The Transvaal and Orange Free State flags flying above the white villa were draped and half-masted Shortly before the news came a crowd of country girls had been singing a folksong outside the villa.

A Typical Boer Woman.

Since the capture of Pretoria by the British, June 5, 1900, and the departure of President Kruger from one successive capital to another, ending in his present European visit. Mrs. Kruger had remained in the city where she had

made her home so long.

She and her husband talked over their plans some time before and decided that his movements were uncertain and his life was often to be in danger, home, where she would be safe and could await better times. But, alas, the better times have not come. The death of the wife who had been a faithful com-panion to him half a century will add another heavy load to the burden of sorrow which is upon the rugged leader

Mrs. Kruger, in appearance, in her manners and in her speech, was as unassuming as the wife of any Dutch And she was just as thrifty and

PAN-AMERICAN AWARD JURIES.

Will Hold First Meeting This Week and Organize Later.

Buffalo, N. Y. (Special).-The juries of award for the Pan-American Exposi-tion selected by Henry Smith Pritchett held their first meeting in the Service Building. Later they will be organized as class juries for each department and immediately take up the work reviewing and judging the exhibits.

AMBUSH REVENUE MEN.

One Killed and One Badly Wounded by Moonshiners in Tennessec.

Nashville, Tenn. (Special).-Seven revenue officers were ambushed suppos-edly by moonshiners, about six miles edly by moonshiners, about six miles from Monterey, in Putnam county. One man was killed and one badly wounded. A posse of six, led by a deputy collector, was creeping along a steep hill-side, above an illicit still, when they received orders to throw up their hands. They had barely located the speaker, 40 feet ballow them, when a deadly volley feet below them, when a deadly volley

from eight guns was poured upon them.

Deputy Marshal Thomas Price was instantly killed and Posseman C. Mackey was badly wounded. The officers returned the fire, but the moonshiners made the place so hot that Collector Bell and the survivors retired and carried Mackey with them. One moonshiner was heard moaning and calling to his friends that

he had been mortally wounded.

Collector Bell has gathered another posse and started out to recover the body of Price.

Will Not Release the Americans.

Washington (Special.)—In response to the representations to the State De-partment, the British Government has declined to release any of the Americans who were captured while serving in the Boer army. The only exceptions will be in the case of prisoners whose health is such as to make their confinement danger rooms. Some American are erous. Some Americans are among the military prisoners in Ceylon, and the State Department had special reference to their case in addressing the British Government in this matter.

New York at Charleston.

Albany, N. Y. (Special).-The New Albany, N. Y. (Special).—The New York State Commission to the South Carolina Exposition has decided to erect a splendid building on one of the most favorable sites in the exhibition's grounds. The plans accepted call for a structure 200 feet long by 60 feet wide and averaging 65 feet in height. The main entrance will face upon the river, and the lurge porch will extend out over the water. The architecture is in keeping with the general design of the exposition, the plans for the new state building being designed by Bradford Gilbert, the supervising architect.
