## The Steamer Islander Struck an Iceberg Off Douglass Island,

#### BOILERS BURST AS STEAMER SANK.

Wile of the Governor of Yukon Territory and Her Child Among the Victims of the Disaster -- Many Other Passengers and Some of the Crew Go Down With the Ill-faled Steamer.

Victoria, B. C. (Special) .- The steam er Islander, the crack passenger steamer of the Alaskan route, operated by the Canadian Pacific Navigation Company of this city, struck an iceberg off Doug las Island at 2 o'clock Thursday last and went to the bottom, carrying down 05 to 80 souls, including passengers and members of the crew. Some of the sur-vivors arrived here by the steamer Queen. They report that as the vessel went down the boilers exploded, causing the death of many who might have es-caped. Captain Foote was on the bridge when the vessel struck and stayed there and went down with his steamer.

and went down with his steamer. Among the passengers lost on the Isl-ander were: Mrs. Ross, wife of the gov-ernor of the Yukon Territory, her child and niece: Dr. John Duncan, of this city; W. G. Preston and bride. Seattle; F. Mills, Victoria; Mrs. J. C. Hender-son, Victoria; W. H. Keating and two sons, Los Angeles, Cal.; J. V. Doughas, Vancouver; Mrs. Phillips and child, Se-attle; Mr. Tall. Victoria; Mrs. Nichol-son, wife of Captain Nicholson. The members of the crew lost are:

Captain Foote, George Allan, third en-gineer. Horace Smith, second steward; S. J. Pitts, cook; two Chinamen; Buck-hooder and Burke, ollers; two firemen; Night Saloon Watchman Kendall; Joe Bard, second nantronom, backhooder, Joe ard, second pantryman; two waiters; Miller, harber; N. Law, M. P. Jock, Porter and Moran, coal passers.

#### ROBBED BY EMPLOYE.

## Congressman Grosvenor Says Englishmen

#### Want Our Industries to be Crippled.

London (By Cable) .- Prior to his departure for New York on the Ameri-can Line steamer St. Paul. Congressman Grosvenor, of Ohio, referred to the wide-spread interest taken in Great

Britain in the American steel artice. "The sympathy of the British pub-lic," said the Congressman, "is strongly with the strikers, not for any good feeling for the men, but they hope industrial systems may be as damaged and crippled as theirs have been. They hope the closing of our mills will force us to buy from theirs and permanently deleat our prosperity.

pared a statement showing the operations in principal features of the Pension Bu-Workers Much Cheered by the Developreau during the last fiscal year as com-pared with former years. Most of the data will be embodied in his annual re-port, and the statement is prepared for the use of the National Encampment of ments in the West.

**RECRUITS NUMBER ABOUT 3,000 A DAY** 

the use of the National Encampment of the Grand Army of the Republic, which will be held before the report is ready. The statement shows that on January 30, 1901, there were 907,735 pensioners on the rolls, a gain of 4200 during the year. The roll for the last fiscal year is the largest in the history of the bureau. During the year 44,225 claims were al-lowed, and 3507 restored; while 43,580 names were dropped on account of death, remarriage and other causes. Two War Expect to Win Over the Chicago Men-Such Gains, They Declare, Would Make Them Masters of the Situation -- The Operators, on the Other Hand, Say the Strikers Have Reached Their flighest Point.

Pittsburg (Special).—The decision of le Joilet men to strike has been a se-cre blow to the Steel Trust in its fight vere

names were dropped on account of death, remarriage and other causes. Two War of the Revolution pensioners died during the year. In the last four years the net gain to the pension rolls was 4021. The number of pensions granted to widows in the past year under the act of June 27, 1890, was 16,610, or nearly 4500 in excess of those granted the previous year, the result of the act of May 9, 1902, extending the provisions of the act of with the Amalgamated Association. Milwaukee is expected to follow. Even the steel managers look for a reconsid-eration by the Chicago workmen in a few days. They would not be surprised to hear at any time that these had yielded to the Amalgamated of Amalgamated the arguments of the Amalgamated ssociation, voted to reconsider their deision not to strike and thrown up their spleyment.

The rumors of the trust fortifying itself by buying other properties are not-in any degree affecting the situation. The only report of this kind that could have any effect is that about the pur-chase by the trust of the Republic Iron and Stard Common. This is an indemen. with Spain numbered 3555 invalids and 204) widows. The appropriation for the payment of pensions during the fiscal year 1001 was \$144,000,000, of which amount the bureau expended for pen-sions \$138,531,483,84; leaving a balance on lows to for of \$2 at 66 and Steel Company. This is an indepen-dent company owning blast furnaces and stons \$138.531.483.84; leaving a balance on June 30, 1001, of \$5,468.515.16. The total amount paid to pensioners as first payments upon the allowance of their claims during 1001 was \$0.934-763.54, or \$105.238.47 more than the first payments during the year 1000. dent company owning blast furnaces and rolling mills which have an annual out-put of 2,000,000 tons. It has signed the union scale, is working full and has giv-en employment to many of the strikers. President Shaffer was asked whether it would help the Steel Corporation to pur-chase the Republic company. "All I care to say," he replied, "is that if it does it will simply be buying a lot of idle mills." "This is a direct threat that if the Re-

for Alaska just issued by the Census Bureau shows that Alaska's farm wealth June 1, 1000, was \$15,686, of which \$2196 was invested in live stock. This is a direct threat that if the Republic passes under the control of the trust the union men will be called on to \$690 in implements and machinery and \$12,800 represented the value of build-ings and other improvements. Buildings have been creeted on 9 of quit work. No one doubts that the Am-algamated Association has the power, quit work. and it is no exaggeration to say that the union men in the Republic mills would the 12 farms in the territory. Prepar-ing the soil for cultivation has been the chief item of expense in opening farms, being in some instances \$120 per acre cease to work just as soon as the sus-picion that they had been transferred to

the trust became well founded.
