Birthday Social.
A pleasant social event occurred at the home of Mr. and Mrs. Nicholas Metzler, at Burnt Cabins, on Wednesday evening of last week. It was given in honor of their youngest daughter Ora's birthday. A number of her young friends were present, and the evening was delightfully spent at games and various other innocent amusements. The refreshments were not the least important feature of the occasion. The merry party broke up about midnight, each guest in departing wished the young lady many happy returns.

Working Night and Day.
The busiest and mightiest little thing that ever was made is Dr. King's New Life Pills. These little pills change weakness into strength, listlessness into energy, brain-lag into mental power. They're wonderful in building up the health. Only 25c per box. Sold by W. S. Dickson.

Locust Grove.
The Fulton County News reaches this office every Thursday evening, and is greatly appreciated by its many subscribers here in the Cove. It is rightly named—for it does give the news.

One of the most disastrous storms passed over the Cove last Saturday evening that has visited us for years. It was a strong combination of wind, rain, hail, thunder and lightning. The loss will be thousands of bushels of buckwheat, and nearly the entire corn crop. There was an unusually large crop of buckwheat out, and it was fine. The streams were higher than ever known, and fences and bridges were carried away and the roads torn to pieces. The apple and peach crop was also destroyed. Hail was seen on the ground the next day. Many farmers had to build fence all day Sunday to keep their stock in.

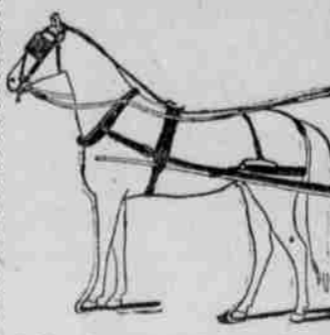

A Shocking Calamity
"Lately befell a railroad laborer," writes Dr. A. Kellett, of Wilford, Ark. "His foot was badly crushed, but Buckien's Arnica Salve quickly cured him." It's simply wonderful for Burns, Boils, Piles and all skin eruptions. It's the world's champion healer.—Cure guaranteed. 25c. Sold by W. S. Dickson.
